“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

### Introduction

Thus says the Lord God of hosts: I do not think like how humans think, and My knowledge excels more than gold and silver. Behold, son of man, if people ask you who is the Lord that is sending these messages; inform them that I am the God who created heaven and earth. The Supreme Being who is higher than the earth and the heaven. My name is Jehovah Shammah. I descend with flaming fire. Inform people that I Am who I Am; because My understanding surpasses the understanding of humans.

Thus says the Lord: Son of man, I greet all humans among the creations that I created on earth, and I greet all My tools on earth at this hour. I descend from the gully of heaven to visit you mankind, and to observe your works, and to be concerned about the challenges that are making My Beloved to be worried.

Thus says the Lord: Greatness is My power; the messages are in three parts. The first part is personal; it is concerning your journey to the land of Israel; the second part is the messages to eleven Presidents/Prime Ministers/Chancellor; while the third part is messages concerning Nigeria.

## **Messages to Nigeria**

### **Pray for Nigeria:**

Thus says the Lord: People should assist Nigeria with prayers during this hour. Nigeria needs fervent prayers. I, the Lord, do not change My statement. If lies reigns for twenty years, the truth will overcome it in one day.

### **If bloodshed continues, Election will not take place:**

Thus says the Lord of hosts: My messenger, if the bloodshed continues the Election will not take place; because many looming crises will burst. A great looming crisis will burst; I have previously mentioned it.

### **Looming crisis will burst in some States:**

Thus says the Lord: My messenger the looming crisis will burst and it will have a widespread effect in Nigeria. Write it down these six States need supervision and serious prayers from **February 8<sup>th</sup>, 2023 until March 17<sup>th</sup>, 2023**. This looming crisis will be loud.

Thus says the Lord: People should assist these six States quickly and people should not handle this issue with levity, says the Lord.

### **Pray for the Governors:**

Thus says the Lord of hosts: People should use prayers to assist the Governors; so that their issues will not be like that of a Governor that died in office. The Governors that I previously mentioned: looming crisis

will burst that will adversely affect them, and Lagos State Governor is among them.

### **Ondo State:**

Thus says the Lord: People should pray for the House of Assembly, the office of the Governor and the House of the Governor. People should pray fervently for Ondo State Governor and his associates, during this period; because the looming crisis is about to burst.

### **Ekiti State:**

Thus says the Lord: The issue of Ekiti needs supervision, and it needs fervent prayers presently from **February 5<sup>th</sup>, 2023 until March 17<sup>th</sup>, 2023**; people should pray seriously for Ekiti State because a looming crisis is about to burst.

### **Osun State:**

Thus says the Lord: Osun State needs supervision together with fervent prayers from **February 4<sup>th</sup>, 2023 until March 15<sup>th</sup>, 2023**. Thus says the Lord: People should assist Governor Adeleke's home with prayers; says the Lord God of hosts. People should also pray for his administration.

Thus says the Lord: Inform Adeleke that there is nothing that is happening in Osun State that the eye of I the Lord does not see. He should be crying for mercy during this period; so that charges will not be brought against his administration. If he cries for mercy during this period, and if I the Lord releases mercy for him; then he will successfully finish his four years term in office. Notify Adeleke to cry for mercy during this period from **February 4<sup>th</sup>, 2023 until March 12<sup>th</sup>, 2023**; he should only cry for mercy.

Thus says the Lord: Tell Adeleke to seek the pastors/priests of God to assist him with prayers. If I the Lord does not appoint a person to be in a position, and if such a person uses stubbornness, or force to get to that position; then I the Lord will dethrone the person by removing him/her from the position. If it is the will of I the Lord then Adeleke's administration will stand; but if it is not the will of I the Lord, Adeleke will lose the position; it means Adeleke will not receive mercy. However, if it is the authority of I the Lord; he will receive mercy; so, ask him to cry for mercy, and he should not turn a deaf ear to this voice; says the Lord God of hosts.

Thus says the Lord: There are certain conspirators who are close to his government who are secretly seeking his downfall, while they still collect bounty from him. Looming crisis will burst in Osun State.

### **Governor Hope Uzodinma of Imo State:**

Thus says the Lord: The Governor of Imo State should not foment trouble; instead, he should be filled with wisdom and understanding; he should also permit those who are filled with the Holy Spirit to guide his administration. The reason is that certain people want to shake his administration from **February 5<sup>th</sup>, until March 26<sup>th</sup>, 2023**.

Thus says the Lord: Hope should be wise during this time.

### **Kings/Monarchs must abstain from politics:**

Thus says the Lord: All the Kings/Monarchs should abstain from politics. Behold, any King or Monarch that is involved in politics and shed people's blood, will not be able to enjoy the wealth he has amassed, when the looming crisis bursts.

Thus says the Lord: The Kings/Monarchs should speak the truth to the politicians, and the Kings should not be biased; or side with any politician, says the Lord God of hosts. Send these messages to all the Kings/Monarchs with exception of none; including the Igwes in Imo State.

Thus says the Lord of hosts: People should assist the Awujale with prayers immediately. The people who are close to him should pray fervently for Sikiru quickly, and focus their prayers on him. If Sikiru is among the Kings who did not conspire against the country; I, the Lord

will hear the prayers; says the Lord God of hosts. However, if Adetona is among those who conspired against Nigeria; I the Lord will not listen.

Thus says the Lord: People should cry prayers into his ears; because he presently needs prayers in full.

### **Ooni of Ife Oba Adeyeye Ogunwusi:**

Thus says the Lord: There is a city called Ile-Ife. Inform the King of this city called the Ooni that the ground can make the powerful being to slip. If the powerful being is careful the ground may not make him to slip.

Thus says the Lord of hosts: If the Ooni of Ife is not among the Kings that conspired against the Nation; I the Lord will not make the people who are plotting evil against him; together with those that are seeking his downfall to succeed, and I will not permit the people who are determined to disgrace him to achieve their aim.

Thus says the Lord: If this man partakes in the conspiracy against the country; I the Lord will not hear any prayers offered on his behalf. Let people focus prayers on this King presently; because his issue needs supervision.

### **Oba AbdulRasheed Adewale Akanbi of Iwo:**

Thus says the Lord: People should pray seriously for this king during this period. Behold, the looming crisis is about to burst. The journey of this king needs supervision and prayers quickly. ### **Alaafin of Oyo:**

Thus says the Lord: People should pray seriously for the person to be installed as the Alaafin of Oyo; because certain people have investigated him.

### **Alaafin of Oyo and Oba Lekan Balogun Olubadan of Ibadan:**

Thus says the Lord of hosts: People should assist the would-be Alaafin and Olubadan with serious prayers; so that their rule/reign will last. If these two kings did not conspire against the Nation; I the Lord will observe their lives and I will overturn the strange evil intent from their heads, says the Lord.

Thus says the Lord: The hand of I the Lord will pass through the source of their lives.

### **Oba Ewuare II of Benin:**

Thus says the Lord: People should assist him with prayers. I, the Lord raised him up for upliftment and downfall of many; according to his age. People should pray for this King, and he should seek people who are filled with the Holy Spirit to guide his administration.

Thus says the Lord: The looming crisis is about to burst; so that this King can silence evil works concerning his administration presently; says the Lord God of hosts. The looming crisis is currently shaking.

### **Emir Ibrahim Kolapo Sulu Gambari of Ilorin:**

Thus says the Lord: The issue of this Emir needs supervision and the hand of I the Lord presently. People should focus prayers on him, says the Lord.

Thus says the Lord: The matter of this Emir needs supervisory prayers; so that the administration/governance of Nigeria will not be problems for his rule.

Thus says the Lord: A great looming crisis will burst that will shake the administration of Kwara State and the rule of Ilorin; between **March and April of 2023**.

### **Oba of Eko, Oba Elegushi & Akarigbo of Remo:**

Thus says the Lord of hosts: The hand of I the Lord will pass through the city of Lagos; however, people should raise up their voices in prayers for Oba of Lagos (Oba Rilwan Akiolu), Elegushi (Oba Saheed Ademola Elegushi) and the Akarigbo of Remo Land (Oba Babatunde Adewale Ajayi). All these Kings need fervent prayers.

### **The Presidential Aspirants**

#### **The verification of the selection of the aspirants:**

Thus says the Lord of hosts: Whoever says, I the Lord is the One who appointed these Presidential aspirants; should divulge where he heard the voice and who is the person who gave him the vision, and how did he hear about the vision?

#### **Are the presidential aspirants innocent?**

Thus says the Lord: If these aspirants are innocent concerning the Yoruba Nation; then I the Lord will work with their lives; but if they are not innocent; I the Lord will not provide the opportunity to mingle with their works.

#### **The presidential aspirant should cry for mercy:**

Thus says the Lord: Let the Presidential aspirants come to I the Lord; I repeat these messages for the second time. They should ask from the people who are filled with the power of the Holy Spirit that 'Is it the will of God for me to contest?'

Thus says the Lord: **All the contestants should be crying for mercy; so that they can hear the voice of I the Lord.** If I, the Lord, does not

utter any speech to them; it means that I the Lord ignores them; then the Beloved will show up. If My Beloved is among the existing contestants they will know; if not My Beloved will come out. I the Lord will establish My Beloved in the government of Nigeria; **because the journey of the existing contestants had brought much bloodshed** and the eye of I the Lord is bitter towards bloodshed, says the Lord God of hosts.

### **Asiwaju Bola Tinubu:**

Thus says the Lord: My messenger; I am concerned that the people that Bola Tinubu relied upon will betray him, and Bola Tinubu will be disappointed and distressed. All the people that Bola Ahmed trusted will betray him.

Thus says the Lord: Resend My messages to Bola Tinubu. Inform him that there is still time for him to take steps according to My instructions; because the Election will be postponed. Tell Bola to seek people who are filled with the Holy Spirit. It is important for him to seek those who are filled with the understanding and power of the Holy Spirit; to ask from the Lord may be 'Bola should proceed with the journey of his Presidential ambition; or he should quit and join the Yoruba Nation'.

Thus says the Lord: It is essential; so, Bola Tinubu should not turn a deaf ear to the voice of the Lord. He should seek the eye of the Lord concerning the voice of the Lord; because the prophecy that Awolowo said in the past together with the one said by Nnamdi Azikwe will begin to have effect; or be fulfilled.

### **Power will not be released to Tinubu if he wins the Election:**

Thus says the Lord: Write down this period; if Tinubu can take these steps and cry for mercy. He should pray for mercy from **February 7<sup>th</sup> until February 28<sup>th</sup>, 2023**. If I the Lord receive Bola Tinubu with mercy; then he will take steps and he will win the Election; **but Tinubu will not be able to proceed with governance; because they will not release government to him.**

Thus says the Lord: If mercy is lost there is nothing that Tinubu can do.

### **Peter Obi and Atiku Abubakar:**

Thus says the Lord: If Atiku asks for mercy; he will be successful, and if Peter Obi asks for mercy; he will be the winner of the Election. **Anyone of these Presidential aspirants that ask for mercy is the one who will win the Election.**

Thus says the Lord: **If these Presidential aspirants put their hope/trust in humans; then there will be no Election anymore.** Have you forgotten the form of government structure previously in Nigeria, whereby Nigeria was divided into regions. That is how the issue of Nigeria may end.

### **Military come back:**

Thus says the Lord: It is either I the Lord will call upon the military to take over the governance of Nigeria, **because the military people are also having a series of meetings secretly that if there is any trouble, they will seize the government.**

Thus says the Lord: Many people who are crying concerning the Election will cry in vain and relent. **If the government of Nigeria does not fall into the hands of the military; then everything will be reverted to regional governments;** because a great misunderstanding will happen that will cause separation between the States of the Federation of Nigeria.

### **Various tribes will rise:**

Thus says the Lord: The AREWA will rise and the Hausa people will rise. The Igbo people will rise and the Delta people will rise; the Yoruba people will also rise. Various people/tribes will rise, and there will be misunderstanding/dispute; this event will manifest from **March until May 2023.**

## **Demise of former President:**

Thus says the Lord: People should pray seriously against the death of a former President. I repeat again; because it is important for Nigeria, and this is part of the looming crisis.

## **Year 2023:**

Thus says the Lord: My messenger, do you see this Year 2023; it is a powerful year and it is a year of forcing people to do things. Year 2023 is also a year of vengeance, and good news for the people who are serving God with reverence. It is a year of resolution and revolution.

Thus says the Lord: I will observe the Christians and I will open glory for them; they will also be crowned with glorious crowns without delay.

## **Judgment of prominent pastors:**

Thus says the Lord: Write this period down; **I the Lord will start My judgment with the prominent pastors that have conspired and those who refuse to speak the truth. Judgment will start with the pastors who have embezzle money, and those that are looting the treasure of Nigeria. I, the Lord, will start their judgment this second month (February 2023).** The hand of I the Lord will be spiritually heavy on their bodies and I the Lord will stretch the powerful hand of My anger on their heads; then people will recognize that these are the people that the Lord was talking about.

## **Messages concerning United States of America**

### **President Joe Biden:**

Thus says the Lord God of hosts: Inform the President of America to listen to this voice, says the Lord God of hosts. Make sure that he receives these messages quickly. My messenger, do not be late to deliver My messages to President Biden, and inform him that I send this

ambassador (Apostle Paul Okikijesu) to him to deliver the messages from the Holy Throne of God.

### **People have investigated Biden:**

Thus says the Lord: Inform this man that there are no challenges that he is facing that I the Lord does not see. He should be ready; because people have investigated him to the extreme, in order to muddle-up his administration, and set up a panel of inquiry that will invite him for questioning; in a manner that may damage his name/reputation with recommendation that may ask him to vacate the presidential seat/position; until the final outcome of the investigation.

Thus says the Lord: Things are presently changing, but I the Lord arise; I enter the covenant and change the language of this covenant spiritually. You will hear about the News, says the Lord. The fault is not from Biden, but the fault of the people who surround him. It is like someone who gathered chaff and wheat together. The spiritual wheat will make Biden's glory shine; while the spiritual chaff may be causing regression.

### **Biden should be careful with his speeches:**

Thus says the Lord: However, inform Biden to be wise during this period. He is someone that is being monitored, and they are looking for ways to bring charges against him. Biden is someone that certain people are looking for ways to entrap, and certain people do not want him in the presidential office. Biden's case is like someone that they want to burn with fire, who is using gas/combustible oil to rub his body; therefore, he should beware of his speeches; so that they will not use his speeches against him.

Thus says the Lord: Biden should make sure that his speeches are seasoned with the wisdom of I the Lord. Biden should find time to pray or communicate with I the Lord in his White House residence. Biden should not forget the Motto of America which says, "In God we trust." Biden should resolve to trust only God.

### **Biden should seek people with Holy Spirit:**

Thus says the Lord God of hosts: Notify Biden to seek the people who are filled with the Holy Spirit; he should seek the fear of I the Lord and permit Christianity to thrive in America, and he should not use the Law to restrict the practice of Christianity.

### **God will intervene on Biden's behalf:**

Thus says the Lord: I the Lord will pass through the source of America. I will silence Satan and his agents. The spiritual hand of I the Lord will intervene concerning this issue. I the Lord will appoint the people who have governed in the past, and I will give them wisdom that merits glory; and I the Lord will give them understanding concerning this issue. I, the Lord, will also inspire the prosecutors and the judges; together with the people that are knowledgeable about the law and the constitution of America to clarify this issue.

### **The fight is not Biden's fight:**

Thus says the Lord: Son of man, this fight is not Biden's fight but it is the fight of I the Lord. I, the Lord, will be battle ready to walk with Biden; because some people have fallen concerning certain statues; however, Biden is a little bit better. He is covering himself with glorious garments; because he filled his administration with people of various ethnicities. Something that has never happened in America; started with Biden's administration by appointing people of color and those of African descent to govern in America.

### **Adversary Nations will be powerless:**

Thus says the Lord: I the Lord God of hosts will turn America to awesomeness among Nations that think that they have penetrated the defense/fabric of America, and they will trivialize America. Son of man, power will be moved from the people who intend to ruin America, and they will become powerless between **June and July 2023**.

Thus says the Lord: Write down this period, I the Lord is alive to visit the issue of Biden's life, but he must seek the fear of I the Lord and be filled with wisdom and understanding. Inform Biden to be filled with knowledge and he should not use a forceful hand to handle what he is supposed to use wisdom. He needs to realize that wisdom is different from power; also, position is different from speeches, but all these qualities have their own purposes.

### **Biden should be wise in relating to other Nations:**

Thus says the Lord: I the Lord will work with Biden, his family and the people in his administration, including his Vice President. I, the Lord, will stretch out a merciful hand to Biden, if he is obedient. Biden should not listen to meaningless things that people are inviting him to come and perform in other countries throughout the world that can ruin the future of America. Wherever that Biden is invited for judgment, or advice, or financial aid; he should be wise during this period as from this month January until June 2023, says the Lord God of hosts. Biden must be wise and he should use wisdom to relate to these seven countries: **Nigeria, Somali, Libya, Ghana, Israel, Ukraine, Iran and China.** Biden should use wisdom to relate to the aforementioned Nations during this period. I, the Lord, will destroy the evil covenant during this period, concerning the people who laid traps secretly for Biden; in order to ruin his administration. I, the Lord will use fire to scatter them, says the Lord God of hosts.

### **Sudden attack will not happen anymore in America:**

Thus says the Lord: Ambush/sudden attack will not happen anymore in America, says the Lord God of hosts. I will make the journey of White House to be powerful in February to March 2023. The hosts of hell are saying that they are already in America, and they will hurt America; but I the Lord will disgrace the Nations who sent their people to America to ruin the economy of America, says the Lord God of hosts.

### **Populace of other Nations are giving kudos to Biden:**

Thus says the Lord: Biden does not discriminate but he appointed people in his administration based on his wealth of wisdom and understanding, together with those that he collected from I the Lord. This wisdom and understanding are what he is using/applying to administer his governance. All the countries where Biden appointed people are giving kudos to his administration; the people of those countries are praying for Biden, and they are honoring him; because the prayers of the Beloved saves.

Thus says the Lord: It is all these things that I the Lord observed in Biden's life; so, inform him not to worry. However, Biden should make sure that he is not utilizing his own wisdom; instead, he should utilize only the wisdom of the Lord to govern.

### **God will perform wonders through Biden:**

Thus says the Lord: Behold, I, the Lord will visit the source of his life and I the Lord will silence the covenant of evil. Behold, I, the Lord had extinguished spiritually in the past the misunderstanding that was established between Biden and his wife. I, the Lord, will return in multiple glorious folds what Satan collected from Biden. I the Lord will perform wonders that will make America not to forget his administration, through his wife and the children that I the Lord gave to him.

Thus says the Lord: Biden should find time for the people who are filled with the Holy Spirit. Just as he permitted the black people to be in his administration; he should seek the people who are filled with the Holy Spirit in America to be in his administration. It is these people that will not make Biden fall spiritually and they will assist his administration.

### **God will bring relief and economy will improve:**

Thus says the Lord God of hosts: I, the Lord, will use the cry of the Americans to enter the source of America, and uplift the issue/matter of

America. I the Lord will use the hand of relief to pass through everything that changed suddenly, which is causing hardship.

Thus says the Lord: Behold, My messenger, the economy of America will change positively and it will be meaningful. I, the Lord, will visit the source of America.

## **Messages to the United Kingdom**

### **King Charles III:**

Thus says the Lord God of hosts: Warn King Charles by informing him to be wise, be understanding, and seek the fear of I the Lord during this period; so that his reign will last. Notify Charles to do things calmly with humility; because light will be shined around his name in Britain in this Year 2023.

### **King Charles should beware of a strange woman:**

Thus says the Lord: Tell Charles to do things calmly; because certain people did not want him on the throne, but I the Lord will disgrace such people, and I will collect power from them. Inform Charles to beware in all circumstances; he should be filled with the wisdom of I the Lord, and permit the spiritual people who have the Holy Spirit to guide his administration. He should not listen to the spirits that deceive people and collect their goodness. He should beware of a strange woman that they want to use as a trap to cut short his reign, and ruin his administration. He should apply the wisdom of God to govern during this period.

### **People expects wisdom from King Charles:**

Thus says the Lord: The Land of Britain is expecting wisdom from his mouth/speeches; so that his issue/matter will bring forth a good seed among all the kings that have reigned in Britain.

### **King Charles should beware of drinks:**

Thus says the Lord: Behold, Charles should beware of anything that he is going to drink from **February until April 2023**. Cry into the ears of Charles to beware of people and drinkable things. I, the Lord God of hosts will destroy the covenant of all the hosts of hell, and I will ruin the secret covenant. The reign of Charles will be elevated/uplifted and it will have many praises; if he can bow under the Covenant of I the Lord; and utilize the wisdom of I the Lord. Then, I the Lord will add glory to glory in his life; however, he should not pervert justice; instead, he should be wise and seek the wisdom of I the Lord.

### **King Charles should ask for wisdom:**

Thus says the Lord: Charles should ask for wisdom from I the Lord and pray for a successful governance, for his administration. He should also ask for the great power of humility to be added to his glory; because I the Lord intends to beautify him in a manner that surpasses his forefathers, says the Lord God of hosts.

### **Prime Minister Rishi Sunak should beware of deceit:**

Thus says the Lord God of hosts: Warn this Prime Minister; thus says the Lord: Inform Sunak to be someone who is filled with the fear of I the Lord during his period, and he should not conspire against certain five Nations during this Year 2023. He should not listen only to the messages brought by some people/diplomats to deceive his administration; which can lead to his removal from office, in a manner that will not make him continue with his administration, and also cause sickness for him.

### **If Sunak utilizes the wisdom of God, his administration will last:**

Thus says the Lord: Tell the Prime Minister to be wise concerning these five countries during this period. Inform him to be filled with understanding and wisdom. Tell him to seek the knowledge of I the Lord, and seek the people who are filled with the power of the Holy Spirit in the United Kingdom that will pray for his administration and guide his

governance. He should not utilize his own wisdom to rule; if he uses his own wisdom to govern, he will not last. If Sunak uses his own wisdom to govern, he may use sickness to rule. Notify the Prime Minister to beware concerning his relationship with these five Nations. The first country is **Ghana**, the second Nation is **Uganda**, the third country is **Nigeria**, the fourth Nation is **America**, and the fifth country is **Russia**.

Thus says the Lord: Tell Sunak to be very wise; so that his administration will not be deceived, in a manner that will make it fall; because of a morsel that has the enjoyment of this world, but that cannot last. Inform him to be wise concerning these Nations from **February until May 2023**. It is important during this period to be wise in his dealings with the aforementioned countries.

Thus says the Lord: Warn Sunak sternly to turn his back to all meaningless petitions, corruptive amendment of constitution, and signing of all documents that can put the populace of a Nation in slavery. These are the reasons that Sunak needs the wisdom and understanding of the people who are filled with the Holy Spirit.

### **Sunak should heed the voice of God:**

Thus says the Lord: Tell this man that he must not be against this voice or messages, and he must not turn a deaf ear to these messages.

Thus says the Lord: Inform Sunak not to allow the people of other religion to muddle-up the plan of his administration. Hipkins should be very wise; because I the Lord will use the covenant from the heavenly enthronement to visit this country, in order to silence all the covenants of the hosts of hell. Inform him to act according to these messages and seek the people who are filled with the Spirit of God and power. These people need to guide his administration during this period. The glory of New Zealand will not regress; instead, I will uplift the glory of the country, says the Lord.
