“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are* bound..... **Isaiah 61: 1-3**

Introduction

Thus says the Lord God of hosts: I descend according to My act, I do not think like how humans think, says the Lord of hosts. I surround this vicinity and pass through this location. I descend presently says the Lord God of hosts. **I am the Lord that is bearing Jehovah Shalom; I am the God whose wisdom is not the age-mate of any living being. I am the One that is giving wisdom, understanding and wealth to humans according to My Power.** Behold I surround this vicinity presently, says the Lord God of hosts. Hear how the heavens are singing before Me.

Thus says the Lord God of hosts: I am the Supreme Being who does not think like humans. My understanding is not human understanding. **I am the One who does not change. I am the unchangeable God and Jehovah Shalom is My name; Who is the God of the spirits of the Hebrews:** The God of your forefathers. You children of men, I descend, and enthrone and walk.

Behold I am concerned that 'Will I meet Christianity faith anymore in the world.'

Thus says the Lord: Inform My ambassador/prophet that **Christianity faith is about to sleep and the bridegroom is coming to take the Beloved home.** Son of man, the day is near; behold the **Christianity journey of this world will come to an end.** **When he who gives reward and gift to everybody will ask from everyone how they spent their journeys.** It is not only humans that will give account of their stewardship, but **all the works that I the Lord created will appear before the Judgment Seat and none will be spared:** the lights that I created both the large and the smaller one will appear before the Judgment Seat. The Spirit that was hovering on the waters will also appear. The day, the darkness, the morning, the afternoon and the midnight will show up at the Judgment seat. All the animals that I the Lord created and the ground/land with everything in the ground and on the land; together with everything in the waters; with everything that is flying in the sky and those crawling on the land everything will appear before the Judgment Seat.

Thus says the Lord: Son of Man, I really pity, so hear this word and write it down for record purposes. My word said, 'Time will come when the true worshippers will worship the Father in spirit and truth; for the Father is seeking such to worship Him.' (**John 4:23**) The book of Revelation stated that 'the lukewarm people who are neither cold nor hot, I will vomit them out of My mouth'. (**Revelation 3:16**). I want you to be hot and not cold. The Book of Revelation also mentioned that 'anyone who takes anything away from My word; the suffering of such person will increase in the world.' (**Revelation 22:18-19**).

People have ruined ministerial work:

Thus says the Lord of hosts: Son of man, behold **many have turn Christianity faith to something else in the world right now.**

What people will eat has made them to ruin ministerial work.

The righteousness of humans is like a filthy rag (**Isaiah 64:6**). They have forgotten that they will leave this world one day. The fool is amassing wealth when he/she does not know who will spend it.

They have forgotten that someone has power over the soul and He has the power to preserve souls.

Christianity is changing:

Thus says the Lord: Son of man, proclaim to the earthlings that their distortion is turning Christianity to something else; so, what do they intend to turn Christianity faith to, in the world due to

misrepresentation. Christianity is changing and some people will arise and say there is nothing called the Holy Spirit anymore. Some people will arise and say Jesus Christ is not the Lord but a servant of God. Everyone is gathering wisdom in order to be recognized and claimed that I am the one who rewrite and amend the Bible'.

Behold My messenger, whoever takes anything away from My word and whoever adds to My word by stating what I the Lord did not mention; because of his/her aspirations will become accursed. 'Woe to the generation of mankind who strives with their Maker and troubles Him' (**Isaiah 45:9**).

Thus says the Lord: I the Lord will not look favorably on such people; because they have provoked the anger of I the Lord.

Messages concerning the Nations of the World

Thus says the Lord of hosts: All the nations that turn a deaf ear to My word and continue to shed the blood of the innocent will witness storm, and I the Lord will work to the extent that people will be

afraid; and they will realize that the Lord is angry with those nations. I have previously mentioned this or not? Yes Lord, You have mentioned it in previous prophecies.

Thus says the Lord: The firmament is changing and mysterious events that do not happen in the past, I the Lord have permitted them to happen: whether in America, or in Nigeria, and the nations of the world. I have permitted strange things to be happening and the firmament is changing.

Third world war, religious war and another pandemic:

Thus says the Lord: Behold son of man, the nations of the world needs prayer, **so that third world war will not happen between October 2020 and December 2020. Pray for the world because religious war is coming and another disease which is more severe than COVID-19 will plague the world. This disease kills faster without delay, but I the Lord says, if people pray, I the Lord will suppress it.**

Thus says the Lord of hosts: All the nations that rejects the fear of I the Lord and continue to afflict My people; **I the Lord will pass through those nations one by one and the judgment hand of I the Lord will strike them because they are shedding the blood of the innocent.**

The eye of the Lord is bitter towards the pastors:

Thus says the Lord: The eye of I the Lord is bitter toward all humans that called themselves pastors/priests; and those who referred to themselves as the leaders, or the people in religious position of authority: who are ruining their ambition due to the thoughts of what they will eat. They have forgotten that whatever position or achievement that they have are limited to this world, but they are losing the reward of the kingdom of God instead.

They have forgotten that He who owns their souls will ask for it one day; and there is no creature that has power on his/her soul.

Messages concerning United Nations

Thus says the Lord: Inform the United Nations, **this is the third time that I am sending this message for them to convene a meeting/assembly to resolve any dispute that may lead to world war. During this time they need to be vigilant, intelligent and security conscious. They should settle amicably all the misunderstanding among Nations without any escalation, says the Lord God of hosts.**

Thus says the Lord: **I will give them the necessary wisdom, knowledge, and understanding that will make them to be successful.**

Message concerning World Health Organization (WHO)

Thus says the Lord: I see the efforts of their work but **they should be filled with more wisdom, understanding and knowledge; so that a big looming crisis will not burst that will make the organization to bow its head in mourning, due to the demise of one of the people in position of authority in the organization.**

Messages concerning Nigeria

Pray against what can make President Buhari to mourn:

Thus says the Lord of hosts: I have previously told you that I will pass through the four corners of Nigeria and I will pass through Aso Rock Villa. **I told you that mysterious things will happen that will make people to be afraid; but they should pray against what can happen that can make the president of the country to bow his head in sorrow. I am repeating it for the second time.**

Thus says the Lord: **They should pray fervently against whatever that can happen that will make the president to weep.**

Pray to avert mourning at the Presidential Villa:

Thus says the Lord of hosts: They should **pray fervently for Aso Rock Villa so that mysterious event that can make the President to weep will not happen. I am repeating this for the third time.** They must pray fervently against the event that can make this nation to bow in sorrow. The event that can happen that will cause **sudden great commotion and great tears concerning the President, his wife or his child.** They should pray fervently concerning this issue. If anyone says this event will not happen, such person should remember that My messages to the senators, the professors and many others came to pass; and they happened according to My word. Behold, My messenger, **it will happen if they fail to quickly pray to Me. It will happen in August 2020. If they pray, I the Lord will avert this unwelcome event, but if they fail to pray, it will happen and the government of Nigeria will tremble.**

President Buhari and the people in position of authority:

Thus says the Lord: My messenger, **do not forget that I told Buhari to demolish himself spiritually and he should not consider that he worth anything in the presence of I the Lord. All the people in position of authority with exception of nobody/none; they should humble themselves totally because all power is in the hand of I the Lord alone.** It is only prayers that will be answered and not power. **I the Lord alone have power over mankind, and there is no powerful being that has power over his/her soul.** They should remember that I the Lord own the souls and humans because the power resides in the hand of I the Lord alone.

Thus says the Lord: **I the Lord am crying out for the positive change of heart of humans.**

Jonathan, Abubakar, Babangida, Obasanjo and Gowon:

Thus says the Lord of hosts: Inform the people that have served the country as President or Head of State. Warn these people to take things calmly, and be filled with the fear of I the Lord. **Tell them to depart from unrighteousness and be honest in their journey during this period. What I the Lord is expecting from them is the truth, and nothing but the truth.** It is inevitable for these five people to speak the truth: Jonathan, Abubakar, Babangida, Obasanjo and Gowon. These people need to sit down and think deeply because **what I want from their mouths is the truth and not hypocrisy.** They should be wise during this period and they should be filled with understanding and My fear. I the Lord God of hosts know what is happening in secret and what is occurring publicly.

Thus says the Lord: Behold, I the Lord wants to examine the issues of their lives and I want to meet with them; **because there is no sinner that I the Lord cannot save and there is no sinner that I the Lord cannot forgive; inasmuch as a sinner repents and turn to I the Lord: I am ready to save such person. They should not participate, support or encourage bloodshed or anything that can harm/hurt people because the eye of I the Lord is bitter toward bloodshed.**

Thus says the Lord of hosts: The end of all is for them to speak the truth. **They should not ruin their aspiration with what they want to eat/consume; they should remember that they have children and consider the future of their children.** The hand of I the Lord will pass through their lives for wonders, but **if they refuse to take steps; if they refuse to change; if they refuse to be filled with My fear, then the looming crisis that will burst in Nigeria will**

not spare them. The word that I the Lord have spoken will now come to pass. **There is none of them that are sick that I the Lord does not see and I the Lord is ready to raise them from their sick-bed and loose the sash of sickness from their bodies— if they change and turn to I the Lord; if they believe that all power belongs to I the Lord and not humans. They should humble themselves; they should demolish themselves spiritually and rebuild themselves to suit/please I the Lord.**

Pray for presidential aspirants:

Thus says the Lord: They should pray fervently for the people who are making preparation to contest for the presidential seat during the upcoming election. Though many are making predictions concerning this event, however **some of the aspirants will not survive the year, some of them will not live pass this year.** The way that I the Lord will take the journey of Nigeria will baffle many people.

Satan's plan for political party leaders and others:

Thus says the Lord of hosts: Many of those in position of authority and the party leaders, together with some of the vocal people in Nigeria; **Satan is monitoring them in order to kill them; so that they will not be alive to October 1st, 2020 which is the Independence Day of the country.**

Pray for political party godfathers:

Thus says the Lord: All the godfathers, including that of the Lagos state, Ogun state, Osun state, Ekiti State, Kwara State, Ondo State, Kogi State, Edo State, Delta State, Katsina State, Zamfara State, Imo State, Niger State, Sokoto State, Benue State, Kaduna State, Kano State, Cross River State, Akwa Ibom State, Federal Capital Territory, Rivers State, Taraba State, Bornu State, Adamawa State

and Bauchi State; My messenger these godfathers who are the people in position of authority in the political parties; either it is APC or PDP or Labor party or any political party needs prayer.

Thus says the Lord: **If people refuse to pray fervently for these godfathers the unexpected will happen, because Satan is planning to kill them; in order to use their demise to cause sorrow in the political parties and make the minds of the members of the political parties to be unsettled; which will result in seeking one another's lives for downfall and death.** They should pray fervently for I the Lord to avert this evil; in order not to have sway/might on anyone again; then I the Lord will prevent bloodshed.

Demise of more Senators:

Thus says the Lord: Though I have previously sent messages to the senators, however **Satan is still planning to cause the demise of one male and one female among them. These are prominent people among them who have served for two terms; and their death will shake the nation.**

Thus says the Lord of hosts: **Lucifer is making preparation to make the political leaders to shed tears due to the demise of those senators.**

Thus says the Lord: Do not forget the messages that I sent to him. **Inform him to read his messages very well and take appropriate steps that I the Lord instructed him to take; so that the unexpected event will not ruin his good plan.** I have previously directed him to pray intensely during this period says the Lord God of hosts, because of **the people that are not pleased with his government; those who want him to work in vain without completing his work successfully.**

Thus says the Lord: I have previously sent messages to him to pray fervently, **so that people will not take step to remove him from office; or take step of making allegation against him suddenly.**

Lagos lacks protection:

Thus says the Lord: **Nigeria lacks security and Lagos also lacks security.** I really pity that when the looming crisis bursts, it will not burst on one person's head but everyone's heads including the innocent people. **If the people in authority refuse to provide adequate security for Lagos the unexpected will happen that will cause tears for the people that are least expected says the Lord God of hosts.** As from **August 2020 until the end of September 2020,** various things will manifest that will be powerful. I the Lord announce these messages, so take steps immediately. They should also pray fervently concerning this issue.

Imo State:

Thus says the Lord: **Imo State should be alert during this period.** They must remember My previous messages, because **Satan is plotting with the hosts of hell and the illegitimate children.** **They are already in the suburb of the state in other to ruin the**

power of Imo State and destroy the future of the upcoming generation.

Those who want to sell Imo State to foreigners:

Thus says the Lord: **People should pray that I the Lord should destroy the power of those who can sell Imo State to foreigners, and disgrace them publicly.**

Prayer for the Professors, Senators, Ministers, and Other Dignitaries:

Thus says the Lord: I have previously told you to pray for the professors, the senators, the ministers, the ex-presidents, the ex-governors and the political godfathers in Lagos and other places throughout the nation. **Satan is making plan to use death to take them away from the land of the living.** I asked people to pray for the current governors. My messenger did you send messages to them or not? Lord we sent messages to them.

The Kings and Monarchs:

Thus says the Lord: I really pity concerning the kings/monarchs. Behold, some of them make amendment while some turned a deaf ear and refuse to carry out rectification. My messenger, **I use My covenant of calling to swear, and I use the white hair on My head to swear that I the Almighty God will not delay My judgment on the kings that turned a deaf ear to the messages that I the Lord sent to them.**

Thus says the Lord: **If they refuse to repent and turn to My throne; write it down you will hear about My judgment says the Lord God of hosts; unless it is not I the Lord who created them but if they are work of the hand of I the Lord, you will hear the news of My judgment.**

Colonization of Nigeria:

Thus says the Lord: **People should pray, so that Nigeria will not be colonized in a manner that will make the future generation to be paying debt of what is beyond their capability.** The issue of Nigeria needs supervision; **I the Lord will cause misunderstanding among those who are putting Nigeria in the darkness, I will disgrace them and collect power from them.**

Thus says the Lord: The wealth that these people are amassing without knowing who will spend it. The vanity of the world that they are gathering without knowing the powerful being that will utilize it. My messenger, the issue of Nigeria needs supervision and prayer all the time.

Pray for secret plots to be exposed:

Thus says the Lord of hosts: **Those who are putting people in bondage, I the Lord will expose them and My judgment will come upon them. Pray fervently for I the Lord to expose their secret plans.**

Great misunderstanding:

Thus says the Lord of hosts: During the journey of Nigeria this year, **a great misunderstanding is coming that may cause separation in the country which may result in tribal war.** People should pray fervently, because various steps are taking place in secret.

Religious war in Nigeria May lead to tribal war:

Thus says the Lord of hosts: I access all the surrounding locations, My messenger, **religious war is coming.** I have previously said that after the COVID-19 issue it will happen and COVID-19 issue is

presently subsiding. I have previously informed you and sworn with My heavenly throne. **The people of the North, East and South should arise to curtail this issue because the religious war may lead to tribal war.**

Mysterious events:

Thus says the Lord: My messenger be prayerful and proclaim to the nation that **the issue of Nigeria needs supervision**. The issue of Nigeria needs fervent prayer during this time. I have previously told you that starting from **August 2020 to November 2020 various mysterious events will happening and a big looming crisis will burst**. I said I will pass through the nation, I will pass through the midst of the religious people and the people in religious position of authority; all of them will see the invisible hand of I the Lord. The reason is that, **whoever that takes human life and the religious people that are making the Beloved to be harmed/hurt in Nigeria will be punished by I the Lord**. I the Lord will punish all of them unless they change says the Lord, write this period down.

Thus says the Lord of hosts: The three people that I sent messages to them, if they failed to take the remaining steps concerning what I am expecting from them; **they should write it down, their time to sleep is very near. It does not have a date or time says the Lord.** They should remember that **I the Lord am the One who installed them in their positions and I the Lord will pronounce judgment on any of them that refuse to speak the truth. If they fail to take the steps of amendment; if they fail to show their members and their subordinates the way of salvation and the way of the kingdom of God; If they fail to stop meddling in the affairs of Nigeria and focus on the work that I have assigned to them. My great judgment is coming and there is no power of humans that can stop Me. There is no number of humans that can delay/stop Me,** because I the Lord intend to bring trembling to the nations of the world; for them to know that I am the Lord.

Christians must rise up:

Thus says the Lord: **Various mysterious events are happening in secret that can harm/hurt the Beloved. The people who are Christians must rise up, else it may lead to restrictive law that will affect the pastors and ministers of God. The law may not allow them to speak before I the Almighty God.**

Secret plots to afflict the Beloved:

Thus says the Lord: **Plots that can cause tears for the Beloved are taking place secretly. Therefore, people should pray fervently so that it will not materialize.**

The pastors need protection:

Thus says the Lord: **People should pray fervently for those who are pastors/priests in Nigeria between August 2020 and September 2020.** It is very important to their existence.

Tears of the Beloved:

Thus says the Lord: I see the cries of the Beloved every time; and the tears together with the prayers of the Beloved are coming into the presence of I the Lord. I the Lord saw the fasting of these people every time; that was the reason that I the Lord withdrew My hand of judgment. However, the blood of the Beloved continued to cry before Me, therefore the judgment of I the Lord will be severe and it will pass through all locations.

Thus says the Lord: The cry of the Beloved is coming to Me every time. Some of them are calling on Me from the prayer mountains while others are praying to Me from their churches, but what makes Me to be concern is that some people are prophesying when I do not send them.

Judgment will come upon false prophets:

Some people are using their wisdom to deliver messages, while some are using understanding to make statements; they have forgotten that '**who is the person that is prophesying when I do not send him**'. Everyone will receive the reward of their deed. **The hand of I the Lord will pass through and judge them; most especially those that are using satanic face/eye powder to give vision/prophecy together with those who are using the marine and fraternity powers to deliver messages in order to deceive people will be disgraced says the Lord.**

The re-election of President Trump:

Thus says the Lord: **If this man believes in I the Lord and gives Me his whole heart; if he depends on Me more than idols and if he does not lean on his own knowledge; if he contests the election for second term he will win,** but if he leans on the knowledge of humans without following the directives of I the Lord, then if he contests again his journey will be like someone who was given honor, but the honor cannot recognize him anymore and the honor is given to his neighbor who is better than him.

Thus says the Lord of hosts: **For the position not to desert him and move to another person who is not worthy of the position, Trump must hearken to My messages.** Though some people were one term president of America however; **if Trump is filled with the wisdom of I the Lord and My fear; if he humbles himself and acknowledge that all power belongs to I the Lord; he will succeed and win the upcoming election.** Nothing will shake his government because **anyone who intends to shake his government will be dealt with and I the Lord will suppress them.**

The plot to make America to suffer:

Thus says the Lord: Some people are plotting to make America to cry. **They have planned for America to become a trivial or insignificant nation, because these people want to become superpower in the whole world. These people will not succeed if President Trump is re-elected, but if another person is elected as the president they will be successful.** If you look at how good King Nebuchadnezzar was during his lifetime he honored I the Almighty God in certain aspect, so the case of Donald Trump is similar to that of King Nebuchadnezzar. Any king/monarch that honors I the Lord, My honor will never dry in his life.

God will assist honest Americans:

Behold, I the Lord will pass through the source of America, and I will assist the ambassadors, the congress, the FBI and all the people in position of authority in America that are seeking the progress of the Nation, and not the downfall. **I will expose and disgrace those who want to put America in disarray.**

Thus says the Lord: Americans should remember their motto "In God we trust" and act accordingly. They should not allow the illegitimate children to change to motto, by saying America is not worthy of God anymore. They should make sure that the foundation of America stands firm on the Rock where I laid her. I am the Lord and I do not change.

The Country that wants to confront/challenge America:

Thus says the Lord: **People should pray that I the Lord should cause misunderstanding among those who are planning in a**

less powerful country to confront America and destroy their evil plot.

These people who are against Prince Charles are seeking his downfall by using his conducts and speeches to judge him.**

Thus says the Lord: Tell the Queen that at this hour I want her to seek the fear of I the Lord and be filled with wisdom and prayer. **I will destroy the secret covenant and conspiracy against her family and I will raise her glory.**

Thus says the Lord: Write it down, **I will not allow surprise attack to happen in United Kingdom**, and I will pass through Britain; but they should be filled with the fear of I the Lord; says the Lord God of hosts.

Message concerning FIFA

Thus says the Lord: **The messages that I sent to FIFA and its executive board must not be trivialized.** Inform them to be wise during this period, they should be filled with understanding and wisdom **so that what has never happened before will not happen that can make them to bow their heads in sorrow**

saying "Why is it that this event occurs?' or "God is angry with us?"

For I am the LORD, I change not; peace be unto you.

Numbers 23: 19

"God *is* not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?
