“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

Introduction

Thus says the Lord God of hosts: My kingdom is truthful, and I do not change says the Lord God of hosts. I am the only Being who has been in existence when there is no world. I am the only Being who was in existence when the world was created and I am the only Being who will still exists when the world will cease to exist. My kingdom is truthful and righteous. I am the Jehovah Sabboth; I am the One who spoke in the Book of Judges Chapter six, where I uttered powerful speech to the man called Gideon that I am the Lord God of your forefathers; and I do not change, says the Lord God of hosts.

Thus says the Lord: I descend into this location, behold I utter speech from a great heights, says the Lord God of hosts. Son of man, **My question to everyone in the world is that “Will I meet Christianity faith in the world when I return?”** Son of man, I descend and enthrone, says the Lord; and I led captivity captive, says the Lord of hosts.

Thus says the Lord: **I the Lord really pity the Christianity faith; I have sent various pastors/prophets to numerous people for them to believe that they do not own this world; and time will come when people in this world will not be able to accept sound doctrine.** What humans have heard and hold firmly, is what will be useful at the end time during the judgement;

when I the Lord will ask that “Son of man, how do you spend your time on earth.” All peoples and animals will stand before the judgment seat. Every living thing, and every creeping thing including those that are flying in the sky together with all the works of my hand will appear before the judgment seat.

The kingdom of God is at hand:

Thus says the Lord: Son of man, I have been reigning as a King when there was neither gorges nor humans, then My kingdom had been ruling. Son of man, I am presently reigning as King in this world. Son of man, I send My messages to people throughout the world. **Thus says the Lord: The end-time is near and it is very close to you sons of men; the kingdom of God is at hand and I the Great Judge is coming back to ask you humans that how did you receive Christianity? How did you hear the Life-giving Word? What did you do with your faith? Everyone will give account of his/her stewardship.**

Thus says the Lord: Son of man, **the hour has come when one person will be taken (rapture) and the other will be left. Anyone who loves brethren or work, or parents, or family more than I the Lord is not worthy to dine or reign in My kingdom.** The time has come that I will examine this world; Behold, I am currently using the judgment hand in this world and the firmament is changing every day. **People cannot comprehend the trend of the day anymore. So also is the time and season because they keep changing every time.** Numerous people are afraid because they do not know how severe My judgment will be, and they are saying that “Is the Lord coming to pronounce judgment?”

Many have lost Christianity faith:

Thus says the Lord: **Countless people have lost Christianity faith because of their ambitions and aspirations. They have thrown away their Christianity (glorious) garments; these people cannot comprehend the end-time and the Glorious Home anymore due to their aspirations.**

People will see the Lord’s hand:

Thus says the Lord: **I will pass through the entire world on October 7th, 2020 and all peoples will see the sign of My hand on the world.**

Messages to the Nations of the World

Thus says the Lord of hosts: My messenger, **resend My messages to the Nations of the world.** Inform them that I cry out for the fourth time: I desire positive change from them, so they should repent. Inform all the Nations that I the Lord cry-out: **any Nation that permits I the Lord to enthrone and reign in her land, I the Lord will make the economy of such Nation to grow without delay. Any Nation that reproaches I the Lord, panic and My judgment will be passing/coming on such Nation.**

Thus says the Lord: **Cry out that I the Lord do not desire sacrifice and propitiation, what I want from people across the globe is repentance, and positive change of their minds. I do not want bloodshed or forcing people to worship.**

The coming of the Lord:

Thus says the Lord: **The coming of I the Lord is at hand, so all the Beloved should be prepared.** The Bridegroom is about to come when no one expects. He is coming with clouds when people least expect; so people should make amendment for the redemption of their souls.

Pope Francis of Catholic Church:

Thus says the Lord: Inform Pope Francis that during this hour, he should sleep in the three natural sleeping positions of humans concerning the Christians under his leadership. **What I am expecting from them is positive change of mind, humility, and repentance.**

The people who revised the Bible:

Thus says the Lord: **Those who re-drafted the Holy Bible, everyone who reworded the Bible in a language that I did not send them by inverting the truthful Word of the Bible will be punished. The people in Italy, Britain, America, Cuba, Brazil and Nigeria; who are rewriting the Bible to suit their purposes are warned to desist from this nefarious conduct and repent, else severe judgment like fiery thunder that will put these people in eternal punishment will come upon them.**

Thus says the Lord of hosts: **Curse is he who takes away from My words and anyone who adds to My words.** My messenger, the Book of Revelation stated that “Blessed is he who keeps the words of the prophecy and testimony” **Revelation 22:7.** However, curse is anyone who takes away from My words. **These category of people will be punished from generation to generation because; they have added to My words.**

Thus says the Lord: **The spiritual hosts of hell are currently rewording the Bible “Curse is he who strives with his Maker.”** Curse is anyone who writes what I did not send him/her, and those who are delivering messages when I did not inspire/send them.

Messages concerning United States of America

Secret plots going on within and outside of USA:

Thus says the Lord of hosts: My messenger, I am presently in America at the White House. I am presently passing through America. Behold, **there are various meetings going on in Russia and Kenya concerning America.** There are meetings that are currently going on in Philadelphia, Washington, California, Miami and Minnesota in America.

Thus says the Lord: My messenger, **do you want me to disrupt meaningless meetings that can cause tears for the Americans in the future, or you want Me to leave them? Lord disrupt the meeting.** My messenger, **do you want Me to disrupt the plot against Christianity that is currently going on that can turn the future of the American children to idolatry or Islamic State in order to change the American plan, whereby people will say “God is not with them,” do you want Me to overturn this plot? Yes, Lord. Do you want Me to destroy the resolution to afflict the black people, by using draconian law to restrict their rights in America? Yes Lord.**

Thus says the Lord: **A meeting will be held at 1:00 am and another one will take place at 4:00 am. The hand of I the Lord will pass by and I disrupt all the resolutions/accords in the name of Lord God of hosts. Write down today’s date, all these meaningless meetings will result in misunderstanding and argument. These secret meetings will soon be exposed, says the Lord God of hosts.**

Messages concerning Nigeria

Thus says the Lord of hosts: **The issue of Nigeria needs supervision. The messages delivered by My prophet is working in the Nation;** however, “he who has an ear, let him hear what the Spirit says to the churches.” I will walk mightily and utter powerful speech.

Past Edo State Election:

Thus says the Lord: **Didn't I tell you that the powerful person will become a weaker person in Edo State concerning the Gubernatorial Election? Yes Lord, You told us.**

Ondo State upcoming Election:

Thus says the Lord: I will change the plan and the determination of the people of Ondo State. I the Lord will shake all the locations of Ondo State. I will surround all the locations in Ondo State, says the Lord. **I will perform great mystery in Ondo State just like the great feat that I performed in Edo State.**

Governor Rotimi Akeredolu of Ondo State must be cautious:

Thus says the Lord of hosts: If the governor is not cautious and if he loses the fear of I the Lord; if he does not honor I the Lord God of hosts, then he will make great efforts, but he will not win the Election. The reason is that anyone who honors I the Lord will I honor. Then, his glory, his position and power will be given to his neighbor who is better than him. **If he refuses to seek My fear; if he refuses to give his time to I the Lord; if he refuses to honor Me; if he refuses to elevate I the Lord more than humans. When it is few days to the election, his godfathers and supporters will defect to another political party. If the governor is not careful, then the man named Jegede (the PDP candidate) will win and become the governor.**

Thus says the Lord: If the APC think that they have power, when all power belong to I the Lord. If Rotimi Akeredolu loses the fear of I the Lord, if he honors the idols and humans more than I the Lord, then he will make efforts, but he will not win. The issue will then become a disgrace to him, that the powerful person is been ridiculed. **However, if he honors I the Lord and bow at the Cross; if he follows the instructions of My pastors/priests,**

then he will win the election and be re-elected. If he relies on humans, they will betray him in a manner that will make him to realize that all power belong to God.

Thus says the Lord: If Rotimi refuses to change, and take step to fear I the Lord; if he refuses to see people as meaningful things, and believe that God alone is the powerful Being; if he refuses to take the steps that I the Lord is expecting from him, since I have sent many priests/pastors to him; but he was mocking them. I sent various priests/pastors to him, but he ignored them.

Thus says the Lord: Son of man, **I am ready to use the greatness of My power to give his post to his neighbor (other contestant) who is better than him, if he refuses to change**, and this will make people throughout the world to be afraid.

Thus says the Lord: Once more, I will utter speech in Ondo State and I will walk in Ondo State. **Caution all the contestants of the Gubernatorial Election because I do not want bloodshed, and I will not take the course that people expect but I will take a way that people least expect.**

The President and his subordinates:

Thus says the Lord: Caution the President and his subordinate because I have power over all people, and humans do not have power over I the Lord; because all power belong to I the Lord. **I the Lord is currently working concerning judgment. The judgment is Mine, the might is Mine, the authority is Mine. Power does not belong to anyone: a foolish person is making plan for tomorrow (the future) when he does not know who will be alive tomorrow (in futures). Only I the Lord understands what will happen tomorrow (in future). Human that is amassing wealth without knowing who will enjoy/utilize it.**

The people in position of authority:

Thus says the Lord of hosts: I desire humility, repentance and change of mind from the people in position of authority; and this is the fourth time that I am sending these messages to them. **These people should believe that there is no powerful being that has power over his/her own soul. I the Lord alone knows what humans will become in future. These people are making plans for tomorrow (future) when many will not live to see tomorrow (future).**

Affliction of the populace:

Thus says the Lord: **I the Lord is against any government that is afflicting its populace. The time has come when I the Lord wants to walk in Nigeria, I will expose many secrets, and publicly reveal the concealed things, says the Lord God of hosts. I use My throne and covenant to swear, that I will prove My existence.**

All Progressives Congress (APC):

Thus says the Lord: **If the people in position of authority in APC believes in their prowess, they will later realize that God alone has power more than humans.**

Governor Kayode Fayemi of Ekiti State:

Thus says the Lord: **Inform the Ekiti State Governor that the State needs security, and this is the third time that I am sending messages to him. Notify him that if he refuses to think deeply, seek My fear, and give all glory to I the Lord; the time is near when his godfathers intend to remove him, and he will be suspended from the position of governor. They will take the position from him and it will be given to his neighbor who is better than him.**

Reminder to the States in Nigeria:

Thus says the Lord of hosts: **I the Lord is not pleased with bloodshed and brutal/cruel conducts of humans.** Son of man, do not forget to always send reminder of the previous prophecies to the States in Nigeria. **Resend My**

past messages to Kwara State, Kogi State, Benue State, Bornu State, Sokoto State, Kano States and other States.

Thus says the Lord: Resend My messages to these States so that they will acknowledge that they receive them, because I do not want the death of a sinner, but for the sinner to repent.

The Trio (Pastor Adeboye, Pastor Kumuyi and Bishop Oyedepo):

Thus says the Lord: **If the three priests that I sent on an errand changes, then I the Lord will release the judgment from their foreheads. If they take the step which I directed them to take, by crying aloud and proclaim to the people in position of authority not to make Nigeria to become dark. If they refuse to speak out, the day of the demise of one of these three people is very close/near.** I am the One who created the mind and mankind in My likeness/image; who are those that are pronouncing judgment when I did not send them? “Woe and destruction to him who strives with his Maker by judging the person that I created.”

Leaders of Islam:

Thus says the Lord of hosts: **Inform the people in position of authority and the leaders of Islamic religion, to speak the truth to the people in position of authority in the government;** because I do not want the death of a sinner, but for the sinner to repent.

Messages concerning Ivory Coast

President Alassane Ouattara:

Thus says the Lord: **Inform the president to change and turn to I the Lord during this period. I do not expect bloodshed, but what I desire from him is positive change, and humility.** Behold, if he uses power when he is not suppose to use power, then his issue will be like a king installed that I the Lord is not pleased with his government; which means he will be disgraced: because I alone have post and power within My reach. The issue of Ivory Coast, I will pass through it starting October 6th, 2020 until October 7th, 2020. The spiritual eye of judgment of I the Lord will walk through Ivory Coast.

The upcoming Election:

Thus says the Lord of hosts: The hand of I the Lord will pass through the upcoming Election. **The course that I will take concerning the Election will be beyond the comprehension of humans; because the election will be postponed and I the Lord will visit Ivory Coast this month, in order to eradicate fear from the minds of people.**

The people in position of authority and political party leaders:

Thus says the Lord: Inform the people in position of authority that I the Lord is not please with bloodshed. **Tell all the people in position of authority and the political party leaders that I desire repentance, positive change and humility of their minds during this period. I the Lord is not pleased with bloodshed, says the Lord God of hosts. They should turn to Me, and take things calmly; because I am the Maker and the Creator. Thus says the Lord: They should change, think deeply and change their thoughts, says the Lord God of hosts. I do not want bloodshed and forcing people to worship.**

I am the Lord, I do not change. Peace unto you.

Numbers 23: 19

“God *is* not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
