**Received on Wednesday, December 25<sup>th</sup>, 2019**

“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

### Introduction

Thus says the Lord: I am a truthful God, once more, thus says the God of hosts. I am an unchangeable God; God of truth is My name. I do not think like how humans think, because I believe that the understanding of human is limited to this world, but those that are shown the heavenly vision will have the understanding of the heaven, and the covenant which pertains to heaven. These are the people who understand the heaven.

### Messages to the World

#### The satanic churches and corrupt pastors:

Thus says the Lord: My servant, Satan has determined to torment the world during this period, so pray fervently. The church of luminatics, the church of Satan and **the various satanic churches that has been established are using money and riches/wealth to lure people to join them. They are capitalizing on peoples' problems to entice them to join these churches.** Behold, various things are happening, **when it gets to a certain time, the word of God will be read like history in the churches. Then people will only concentrate on stories and they will not witness the inspiration/power of God anymore.** Secondly, **consumption of alcoholic**

**drinks will not be seen as a big deal, inasmuch as the ministers of God are drinking alcoholic drinks as they like.**

Thus says the Lord: **Many of the pastors are smoking marijuana/Indian hemp/weed. Countless of the pastors are taking cocaine, even some of those pastors that are highly honored in the society that people refer to them as Daddy are consuming alcoholic drinks. What these so-called pastors are doing in secret is very bad.** But the novices are using their names to pray. Son of man, they will be punished in 2020. I the Lord will not handle this issue with levity anymore; It is the cry of prayer that made the judgment to stand.

### **Bloodshed in Turkey, Cameroon and Ivory Coast:**

Thus says the Lord: Pray fervently against bloodshed in the following three countries, so as to prevent the death of the beloved, because I do not want the death of My beloved during this time: Turkey, Cameroon and Ivory Coast. Pray fervently concerning these three nations because Satan will not be handling the issues of these nations with levity in 2020.

Thus says the Lord: It is the issue of election that will lead to bloodshed in Ivory Coast, while religious issues will lead to bloodshed in Turkey, and economic issues will cause bloodshed in Cameroon. All these issues will cause confusion and misunderstanding in these countries which will lead to tribal conflict/war which will result in bloodshed.

## Messages concerning Nigeria

### Three events that will happen in 2020:

#### Terrorist attacks:

Terrorist attack will be rampant in 2020. Some people will arise and start to waste people's lives; write down this moment. Wastages of lives will be very much in the upcoming year than year 2019. This war of terrorism will be waged mostly against the Christians (those who bear the witness of Jesus till death).

Thus says the Lord: I do not want anyone to ruin Nigeria, but they want Nigeria to be fragmented. Behold, if you are not prepared **the hosts of hell, the illegitimate children will be coming into the country starting from January till March 2020. These terrorists are not citizens of Nigeria, but they will be entrenched in this nation. These terrorists will be prepared for anytime whenever there is trouble and they are all Muslims.** Nigeria must sleep and think deeply, because whatever that is commonized, may have dire consequences.

<http://saharareporters.com/2020/07/27/exposed-niger-republic-citizen-nominated-non-career-ambassador-president-buhari-after>

Thus says the Lord: My servant, you must **pray fervently in this country (Nigeria) because the effects of these terrorist activities will be widespread. The Nigerians abroad will be fearful to come home. Why? Because of the news of the events that are occurring in Nigeria.** Then Nigeria will now be like one of the nations that people hated in 2020. Nigeria will be viewed as one of the nations that their economy has regressed, with high level of corruption and sins. Nigeria will be counted among these nations and not only that, she will occupy a prime position among these nations. But **if you pray, I the Lord God Almighty will reduce the problems and the spiritual storms. Then I will elevate the economy of Nigeria because many of those who are holding the wealth of the nation will be punished and there will be judgment concerning their souls.** Write down this period because great event will occur as I have informed you in the past.

### **Judgment on the disobedient:**

Thus says the Lord: **The death of the brave people of the nation, those that have govern/rule this country in the past.** Some of the citizens of the nations loved them, while others hated them, and several citizens have cursed them. These are the brave people that are well respected in the society. These people can be divided into four parts. Behold, any of the people in position of authority in the nation who refuse to change in 2020—to change from bloodshed and the nauseous way, and the cunning way, and the hypocrisy way. The hand of My judgment will come upon such and his/her family.

Thus says the Lord: Behold, **those that are called pastors, who are gluttons and corrupt, those who are not pursuing the glory of the kingdom anymore, instead, they are pursuing their aspirations.** Son of man, My hand of judgment will come upon all of them in 2020. You will hear about the bitter judgment concerning them. They will not be in position of existence anymore, says the Lord of hosts.

Thus says the Lord: Behold, the third part of the people that you will hear bitter judgment concerning them are: **Those who selected themselves as a committee that are spreading around, by shedding the innocent blood under the guise of an association name, while they are deceiving the populace. Bitter judgment will come upon them. Behold, I will expose them and reveal their secrets in 2020.** Behold, My servant, will it not marvel you that some of the ex-presidents, ex-governors, ex-ministers and ex-political party leaders; it is time of punishment for the sins of some of them in 2020 because I will pass through their lives and they will receive bitter judgment

which will make their souls not to survive year 2020. **The time has come for them to be punished because they are inverting the nation every time, and they do not want peace to reign. I do not absolve anyone, but whoever that is troubling the nation, whether it is a youngster or an elderly person or a male or whatever the person might be, the bitter judgment of I the Lord is coming on such people; so write this period down. Including those who are calling themselves pastors/priests/Christians, whereas, they are the problem of Nigeria. All of them will witness the hand of judgment, unless they repent and change.** Inasmuch as I the Lord do not want the death of sinners, but for them to repent.

<https://www.trtworld.com/africa/niger-labour-minister-dies-from-coronavirus-public-tv-36019>

Thus says the Lord: The forth part are **those who called themselves Christians/pastors/workers in the churches, whereas they are the people that are contriving the oppression of the churches and the entire country. They are the ones using craftiness to afflict/oppress the nation.**

### **Pastor Enoch Adejare Adeboye and others:**

Thus says the Lord: Son of man, I really pity because **what humans will eat has beclouded their sense of reasoning. I have talked to Adeboye just a little while in the past and I allowed his conscience to pronounce him guilty and unworthy to inherit My kingdom. I even woke him up from sleep and said “Hear Me Enoch Adejare, why is it that you cannot control and tell the truth to the people who are paying their tithes to you, and those who gave you the permission to sell oil? My servant, do you know that these people are traders? These people are traders, someone that was given the grace to lift/sell oil and have other companies that he used his personal name to establish, if the country is in chaos, will he speak the truth? That was how the lives of these people are.**

I am the Lord, I do not change, I created the heights and the land, all the power belongs to Me. Peace unto you.

**Received on Friday, December 27<sup>th</sup>, 2019**

### **Introduction**

Thus says the Lord of hosts: I am a truthful God, I am not a deceitful God. I descend says the Lord of hosts. I am the God of the Hebrews. I am the One bearing Jehovah Shalom. I am the one talking everywhere that is great. I am the One who has been in existence when there is no earth. I am the One who is in existence when the earth came into existence, My Kingdom is truthful, and my throne does not change, says the Lord of hosts, because there are celebrations in heaven, and there is no minute that there is no good news in heaven. The Cherubim and the Seraphim are doing their own, the seven spirits that are filled with eyes are doing their own, the twenty four elders are doing their own, the four living beings that are filled with eyes and their faces are similar to the face of a lion, with eye ball that are like flame of fire (fire amber). They are not terrestrial beings; they too are doing their own celebration.

### **Messages concerning China**

Thus says the Lord of hosts: I arise and I am presently in China, the rectification step of this nation is very small. Warn this country presently for the people to turn to I the Lord. **I have previously warned them before that if they are not careful, a great storm will plague them. I am warning them the second time, for them to change from the love/desire that is meaningless to I the Lord. They should change from the relationship which does not bring success and they should move closer to I the Lord and abstain from idolatry. They should elevate I the Lord more than idolatry. They should permit the religion of I the Lord to thrive, this is what will prompt the economy of the nation to improve again.** This is what will make the flower of China to blossom and be bright, because the bloodshed of the people of this country is what I hate, and the bloodshed of the people is enough, so warn them.

## **The Lord will pass through China and disgrace the idolaters:**

Thus says the Lord: **This particular period I am crying out because 2020 is the year that I the Lord will pass through China with a powerful hand.**

Behold, servant, I the Lord will walk through China and write down this time, it will be a revolution. The reason is that those who refuse to obey the word and those who fail to follow the statutes together with those who say there is no God again, My hand will pass through and judge them.

Behold, **a panic activity is coming and a looming crisis will burst in 2020 in China that will be widespread and people will be fearful**, because I will perform great judgment on certain people. I the Lord Almighty God, I am the One who made this statement. Certain things shall happen that will make people to be afraid. They should change because I the Lord will make people to be afraid. They should change because I the Lord God Almighty want the repentance of the Land of China, since I do not want the death of sinners but for sinners to repent.

## **Messages concerning Nigeria**

Thus says the Lord of hosts: Son of man did you send My messages to warn Nigeria? The country that I uphold, the nation that I used wisdom to establish with the motto, "Peace and unity." My messenger, why not resend these messages to Nigeria? Will they return to their first love? Their first love is "Peace and unity". Did these people think deeply to ascertain that I established this country for them through unity? Before four major tribes can come together and form a nation, there must be peace and unity.

### **Imminent terrorist attack:**

Thus says the Lord; **Nigeria should pray against terrorist attack, people from foreign countries whose language(s) is not from Nigeria. Nigeria must be prayerful between January and March 2020. Certain things and signs will happen in year 2020 which will result in loss of lives. Nigeria should pray fervently and they should make repairs to wherever that is necessary concerning the bridges everywhere.

Thus says the Lord; My messenger, write down these eight bridges: River Niger bridge, Onitsha bridge, Lagos bridge, J4 bridge, (the bridge before Ore), Porthacourt bridge. People should pray fervently for the cities/states that are linked with bridge(s), because it is important. The bridges in the northern part of the country are among these eight bridges and the bridge in Osun. My messenger, they should make sound repairs on these bridges. The children of hosts of hell want to wage a war that can harm people.

### **Forceful method will be introduced:**

Thus says the Lord: **They will introduce a method in year 2020, whereby people will have to disclose the father's and the mother's name, then they will also be forcing people to use their thumb-print as a form of identity. It is certain people that started this process so that they will be richer, established and entrenched throughout the world. Satan will use people in various ways in year 2020 to find ways to forcefully make people receive the mark of 666. Christians must be prayerful and careful in year 2020.**

Thus says the Lord of hosts: **Tell the Christians to raise up prayer concerning the deceit of Satan to lure people to receive mark of 666. My messenger, write it down, some people will bring out the program; it is the work of technology.**

### **Bloodshed is rampant:**

Thus says the Lord of host: bloodshed is very rampant and I the Lord do not support bloodshed. The spiritual hand of I the Lord is presently working and it is uttering speeches spiritually, throughout the countries of the world. I want these people not to hate one religion or the other. Also they must not hate one tribe or the other, and they should not forget that Nigeria was established with peace and unity. They should return to peace and unity which was used to establish Nigeria. I the Lord God Almighty will raise up My covenant and the glory of Nigeria will be meaningful.

Thus says the Lord; the issue of this nation is paramount to Me and My judgment hand will start from the Christians, that is, the glutton pastors, those who are not good examples, My judgment will come upon them. I want positive change of Nigeria, I want repentance of Nigeria, I want unity and change of heart of Nigeria at this particular hour, because I the Lord is not pleased with making people to serve by force, hurting and tormenting people.

### **More women will occupy political positions:**

In year 2023, the number of women who will contest for governorship positions will increase, likewise there will be increment in the number of women contesting for senatorial positions, and the presidency, so write it down. Presently women will occupy powerful positions in year 2020 apart from those that had been elected. Will it marvel you that a woman will be deputies, and they will be in charge of state/nation? ### **Introduction**

Thus says the Lord God of hosts says: My kingdom is truthful; I am not human that I will deceive. The world and the heaven will pass away, but not an iota of My word will go unfulfilled. I am God of the Spirit of the Hebrews, which is the God of your forefathers. I am not human, I am the Lord, and Jehovah is My name. I enthrone, says the Lord of hosts. I pass through the vicinity and the surrounding places.

Thus says the Lord: I look up and down, My messenger, I am the Lord that cannot be delayed; which is the God of your ancestors. I am God of Abraham and the God of Isaac. I pass through this area. If I consider the conducts of

people and the secret sins of people, nobody is worthy to receive anything from Me. However, I will not consider such things before I will work. It is My covenant that I always consider, and the covenant which I had with this My ambassador is the one which I will not handle with levity.

Thus says the Lord: If I consider the conducts of the people in the church or the people in the vicinity, nothing will happen, but because I have said let the seed and the tares grow together; during the harvest, we will separate the seed from the tares. The day is coming that the tares will be destroyed.

Thus says the Lord: Son of man, My kingdom is truthful and I enthrone on My majestic throne presently. I look to the top and down, and I am concern the second time. What is My concern, son of man, it is the conducts of people according to this song "When Jesus comes to give us reward, whether it is afternoon or night, will He meet us to be watching truthfully with our lamps burning, so that it can be said that we are ready for our heavenly home, will He meet us using honesty to watch for the coming of Our Lord?"

Thus says the Lord of hosts: Son of man, I really pity, the reason is that will I meet Christianity faith in the world again? This is a very great question for anybody that is walking in the land of the living, who is breathing and eating. Will Satan not use the four steps which I mentioned yesterday to overcome people? Satan has various steps, and the first step is morsel/food, the second step is covetousness, the third step is riches/wealth, because he believes that people desire to be rich or wealthy. The forth step is that people are not content. Do you see that Satan will utilize these keys?

### **Messages to the Nations of the world**

#### **Pope Francis:**

Thus says the Lord of hosts: **Tell the Pope, that is it what I told him that he is doing or he is using his wisdom? Is it what I told him in dreams, in reality, and through the pastors/prophets that I sent to him that he is doing? Tell him to seek and find My fear during this period so that the judgment of I the Lord will not come upon him.**

Thus says the Lord: **He must take steps so that Christianity will not become inessential in the world. Tell him that every secret thing and contrary things that were brought to him must be cancelled. If he partakes in anything that can hurt/harm Christianity, then I the Lord will pronounce full judgment not only on him, but upon all those who conspired and**

**united in one accord to hurt Christianity, and My judgment will certainly come upon them.**

Thus says the Lord: Inform him to plant the tree of fear in the hearts of all the people in position of authority that surrounds him. He should plant the tree of fear among the countries that surrounds him, and they should clearly understand the instructions of I the Lord. **He should not permit those who are peddling deceit to collect the Logo of the things of the Lamb from him, and place that of Lucifer before the people.**

Thus says the Lord of hosts: Tell Pope Francis that I want positive change of his heart, and the hearts of the people who surrounds him. **He should search and find I the Lord in his heart, and he should honor Me more than everything: because, in truth, I install him in that position, and there was a reason why I installed him there, however, he should not forget how he received it, and how it was released to him, so that no one will take his glorious crown,** says the Lord of hosts.

Thus says the Lord: **Tell him that he should not listen to what people are saying to cause his downfall during this period. He should wake up from his spiritual slumber immediately. He should remember, and return to his first love. However, he must abstain from the love or desire which people placed before him.** I the Lord want to perform a meaningful work because any king that there is peace and tranquility during his reign, history will not forget him, and likewise any king that there is chaos and turmoil during his reign history will judge him.

Thus says the Lord: **Inform him to seek and find the wisdom of I the Lord during this period, because I the Lord wants to perform powerful work in his life.**

### **Queen Elizabeth of England:**

Thus says the Lord: This is the third time that I will send messages to Elizabeth. I send these messages to her that her body needs care. Tell her that I the Lord said this particular hour she should make I the Lord her bosom friend. She should make I the Lord her Alpha and Omega more than in the past, says the Lord. Tell her to turn to Me and plant the tree of My fear in her heart. **Inform her to honor I the Lord, because I knew that she has an infirmity, but the hand of I the Lord will pass through this infirmity and send away that covenant from her body.**

Thus says the Lord of hosts: Inform her concerning her first born, the hand of I the Lord is presently working. She should instruct him to ask for the wisdom of I the Lord and plant the tree of the fear of I the Lord in his heart. **She should ask that I the Lord will make her to realize her resolution concerning her children, and destroy evil covenant in her life so that the glory of her son will radiate in Britain.**

Thus says the Lord: **Tell Queen Elizabeth not to handle year 2020 with frivolity because certain people are seeking the downfall of her son in manners that can make her to weep. Ask her to pray fervently.**

### Messages concerning Nigeria

#### The covenant made with Year 2020:

Thus says the Lord: They have made covenant with Year 2020, and people should wake up from their slumber, and raise up prayers for the nation concerning the looming crisis.

Thus says the Lord: Thus says the Lord: **Year 2020 is a year of glorification, a year of testimony and happiness, but the panic events and the looming crisis are what must be stopped.** Once they are stopped, then it is joy for the children of God in Year 2020, because they will have a joyful laughter in Year 2020.

Thus says the Lord: **Those who are afflicting people will be punished, unless they change.** Tell them to change and turn to Me, for them to permit the Blood of the Lamb which was shed for the remission of sins, which is Jesus Christ the Savior of the world is their lives.

Thus says the Lord of hosts: Year 2020 is very powerful. It is very powerful, so cry out and raise up voices of prayer. If there are many cries in heaven, I may answer their prayers.

Thus says the Lord of hosts: I really pity, so pray fervently for Nigeria. I cry out for the second time. Do not listen to the deceitful prophecy of the people. **Do not allow people to say Year 2020 is a prosperous year. Though, it is partly true, but just as there is good in Year 2020, so also is evil in this year.**

<https://www.worldbank.org/en/news/press-release/2020/06/25/nigerias-economy-faces-worst-recession-in-four-decades-says-new-world-bank-report>

Thus says the Lord: **Year 2020 is the year that I the Lord will snatch the beloved from forceful punishment. Those that walk with a pure mind in My light, and speaks the truth,** I the Lord God Almighty will promote them concerning the war that is being waged against them for their obedience to My Word. Some of them are in the prison crying, some are detained in jail, while some are presently being executed for crime/offense that they are innocent. Various events are happening so tell people to raise up their voices in prayer.

Thus says the Lord: **I do not want bloodshed; I do not want the death of people, what I want is the existence of people. I love those who love Me.** My messenger, the mercy of I the Lord will come over Nigeria, because I do not want the death of sinners but for sinners to repent. Nigeria is a country that attracts the jealous of other nations, and many countries are respecting her. She is like a country that people are fetching water from her, and she does not dry up. **It is time for Nigeria to wake up, so that saboteurs will not destroy her.** Nigeria should copy America that protected her borders. **Nigeria should protect her borders with other countries, by building walls at the borders, so that Nigeria will neither be duped nor ruined.**

### **The people in position of authority:**

Thus says the Lord of hosts. Tell the people in positions of authority that Nigeria needs care or supervision. Inform the people of the media outlets, including the people on social media. Let them know that Nigeria needs prayer in Year 2020 and it is not a small issue, because **it is a year of civil rights and tribalism.** **Food will be surplus, but certain things which people take for granted will be scarce. The third important thing is that, it is a year of revolution.** My messenger, **pray for Nigeria so that I can destroy the determination of the hosts of hell concerning her.** I love this country very much and I do not want bloodshed. Though bloodshed is very rampant in Nigeria, but the petitions of people and their cries are coming into the presence of I the Almighty God.

### **Unity among the Kings**

Thus says the Lord: **Tell all these kings to be united; it is when they are united that the country and their domains will thrive and progress.** Son of man, send this messages to all the kings in Kwara State, in Oshogbo, Akure, in Kogi State, Akwa Ibom, in Portharcourt, in Warri, in Ore and so on. Tell them that I the Lord says even those kings in Epe, in Shagamu, in Ijebu Igbo, in

Badagry, Oba Ekiti, Oba Ikare, including all the kings in Yoruba Land. **I send this message to them, to elevate I the Lord more than everything in the world and honor I the Lord more than idols/deities. They should honor Me more than everything in the world. They should permit My pastors/prophets to be their advisers in their governments.** If they do this, their governments will be as bright as the Sun and the glory of their governments will never sink into the ground, says the Lord of hosts.

Thus says the Lord: **I will make their governments to prosper and multiply. These kings should permit Christianity to thrive in their domain. It is then that the glory of their governments will be shining throughout the world.** Son of man, the reason for these sentences is because tribal war is coming. This is the reason that I send this message to the kings to be united. **My messenger, tribal war is coming.**

### **Tribal war and bloodshed:**

Thus says the Lord: It is a pity My messenger, if I open your spiritual eyes and you see the blood of countless people, you will be fearful. **Behold, bloodshed is coming, so cry out for the kings to be united at this period; so that the illegitimate children will not penetrate their midst, and scatter their governments.** Behold, this illegitimate children are already in all the suburbs of every location where these kings are ruling. The kings should bring forth the fruit of togetherness or unity.

Thus says the Lord: **People should raise up prayers for these kings (or their governments) for them to have victory over these illegitimate children who are already in hiding in order to commit nefarious activities, and ruin their government.**

Thus says the Lord: Behold, My messenger, Year 2020, if I open your spiritual eye, you will be weeping from morning until night. I have told you what will

happen in Year 2020 yesterday, but My messenger, **the tribal war is coming and the religious war will follow.**

Thus says the Lord: Inform all the people in position of authority. I have sent messages to them yesterday. Tell them to change and turn to Me. I am moved to tears My messenger. I am moved to tears My messenger. **The bloodshed of the beloved is so much. Raise up the voices of supplication, so that this evil plan will be curtailed. ### **The Yorubas and Igbos must think deeply**

Thus says the Lord of hosts: **The Yorubas and Igbos should think deeply at this present moment. It is not because of today, but because of the future of their children. Certain plans are on-going and various events are occurring in secret. I the Lord will expose everything in Year 2020. I will remove the smoke screen and make things to be clearer.**

Remember that in those days in the Bible when Moab, Syria and Ammon came to attack My people. **The spiritual generation of Moab and Ammon are coming in 2020.**

Thus says the Lord: **The monarchs/emirs/kings should find the genuine prophets and make them their bosom friends during this period, says the Lord.** It is a prophet who directed the activities that gave the people of God victory over Moab and Ammon. **The victory happened because the king listened to the advice of the prophet.** Do not forget the message sent from Samuel to King Saul. There was a king in the Bible whose name is Ahab that messages was sent to him through the prophet.

### **Christian Association of Nigeria: Prayer for the Nation and Christianity:**

Thus says the Lord of hosts: **Tell the CAN to raise up prayer fervently starting from January until April 2020 without ceasing.**

Thus says the Lord: **If they do not see the sign or example of what is in this message, then I the Lord is not the one who send this message. They should pray fervently so that Christianity will not be pushed aside and become impotent or inessential.** If Christians do not pray because of their future descendants, it will happen; so cry out and pray fervently. **Tell the Lord to arise and pass through Nigeria, and do not allow anything that can hide Your religion in bondage to serve in the spiritual land of Egypt, and be under the spiritual Egyptians.**

Thus says the Lord: Pray fervently concerning this issue; I cry out My messenger, so, therefore you too cry out My messenger, cry out, cry out, cry out My messenger.

### **Introduction**

Thus says the Lord God of hosts: I Am a truthful and righteous Being. Once more, thus says the Lord God of hosts. My kingdom is truthful and I do not change, says the Lord God of hosts. I Am the Being that has been in existence before the world, and I am the Being that will be in existence when the world will cease to exist. My name is Jehovah Nissi; the King that walks with power and fire. My throne does not change; likewise My covenant does not change, says the Lord God of hosts.

Thus says the Lord: I was the One who manifested in the fire that saved the Hebrews from the covenant of disgrace. My kingdom is truthful; only terrestrial people can say there is no God anymore, and fools alone will say, there is no God. I am a truthful Being and I descend presently into this area and the vicinity, says the Lord God of hosts. Son of man, behold, I am a truthful Being.

### **Messages to the Nations of the World**

Thus says the Lord of hosts: I send My messages to the whole world, that is, to all peoples without the exception of any nation. Son of man, send warning to the four corners of the world that **any nation that refuses to change and turn to I the Lord by forsaking idols, killings and bloodshed. Any nation that refuses to forsake contrary things and permits the fear of I the Lord, by acknowledging that the second coming of I the Christ is at hand, My bitter judgment will pass through such nation together with any nation that failed to hearken to these messages.** They shall witness My great hand in Year 2020, says the Lord.

Thus says the Lord of hosts: Those **countries that are filled with My awe and fear, they will have portion in My kingdom and they will partake in eternal kingdom,** says the Lord of hosts.

### **Messages concerning Nigeria:**

#### **China will have power over some States:**

Thus says the Lord: **China will take control of certain area of government in Nigeria very soon. The first one is Lagos State, the second one is Kano State, and Sokoto State. China will dominate or have influence in all the places where the power of Nigeria resides.** Son of man, I the Lord divulge

the private/secret plan for you. You will notice that China will soon be in this post/position, and when this happens, I really pity Nigeria.

<https://www.bignewsnetwork.com/news/266111408/nigeria-in-turmoil-over-china-debt-trap-diplomacy>

### **Nigeria's relationship with China:**

Thus says the Lord: The **relationship with China can be divided into three parts: The first part is economy, the second part is what China desires/wants which cannot benefit Nigeria and the third part is to create big factories or manufacturing plants.** This relationship with China is for the fall and the rise of many; because some people will laugh while some people will weep. Write down this hour, says the Lord.

### **Who are the people who will rise to defend Nigeria?:**

Thus says the Lord of hosts: Who are the people who will rise to defend Nigeria? **Let people cry out to Me so that I will raise the spiritual tribe of Mordecai and Esther who will fight and take steps that will not make Nigeria to become a disgraceful country.** The reason is that, the Jews had been sold for nothing, but I the Lord redeem them.

### **The Eco currency:**

Thus says the Lord of hosts: concerning the issue of the currency, starting from January 2020, there will be controversy concerning the currency of Nigeria. **There is an ongoing deceitful scheme in a high place. These people are having meeting upon meeting.**

<https://www.dw.com/en/west-african-states-mired-in-controversy-over-eco-currency/a-52045052>

<https://www.reuters.com/article/us-westafrica-economy-eco/ivory-coast-president-says-new-west-african-currency-launch-may-take-five-years-idUSKBN26H0V1>

### **Warning concern the Eco currency:**

Thus says the Lord: **If Nigeria joins the Eco currency, then Nigeria will lose her powerful position**, write it down. Whatever that this administration intends to do, they must think carefully; when they listen to the people who are talking to them from a distant place, they should use the wisdom of I the Lord to answer and act. **This administration should apply the wisdom of I the Almighty God concerning the Eco currency so that it will not boomerang in future.**

Thus says the Lord: **They are about to gather some people in West Africa, North Africa, East Africa and South Africa so that each region will have a common currency.** My servant, Rwanda has her own currency, South Africa also has her own currency and Libya has her own currency. Various countries that have economic development have their own currency, but Nigeria will be taking steps to join Eco currency. **Nigeria should ask for guidance from I the Lord so that I the Lord will tell them the benefits and risks in this step, and how it will affect the future of the upcoming generation. If it worth it, I will tell them to take the step, if not I will instruct them not to take the step.**

Thus says the Lord: The name of the currency is Eco currency, they make the name to conform with ECOWAS, inasmuch as they have ECOWAS passport to move from one country to another. Then they think that it will be good to have a

single currency. **The writings on the currency are Arabic words of the Muslims.**

Thus says the Lord: Nigeria should pray so that they will not be in a strange land in Year 2020. Write the date and the time down, Nigeria must pray fervently. Behold, CAN must not fail to join in the prayer for Nigeria because, it is when it is good and pleasant that people can make the country to be successful. **Then many of the people who have migrated from Nigeria will return. When the prayer ascends to My presence then Nigeria will regain her position from the strange tribes where she was sold.**

Thus says the Lord: **The issue of this currency will bring controversy starting from the beginning of January 2020 until the third week in January 2020. If this controversy is established with testimony, then they will launch the Eco currency and after the launching, starting from February 2020, various steps will be taking place in Central banks of the participating countries. Then by June to July 2020 there will be no currency called Naira again.**

Thus says the Lord: Son of Man, pray fervently that whatever that can hurt us should not entice us. Whatever that can harm us should not attract us; because it is not every good thing that is profitable, and it is not every profitable thing that edify people. **I am speaking in parable and this word is a seal.** Thus says the Lord of hosts: **I really love this country, but they should think carefully because of the future of the upcoming generation. I am ready to support this nation if people raise up voices of prayer, says the Lord of hosts.**

### **Introduction**

Thus says the Lord God of hosts: I am a truthful God, thus says the Lord: the Lord God of hosts, My kingdom is truthful. I descend, says the Lord God of hosts. I am the God of the Hebrews, which is the God of your forefathers. My name is Jehovah Shammah. I will not talk without support for My speech. I surround this area, says the Lord of hosts. Behold, the earth and the heaven will pass away, but not an iota of My word will go unfulfilled, says the Lord God of hosts.

## Messages concerning United States of America

### President Trump:

Thus says the Lord of hosts: The issue of America needs great supervision. Inform the President of America, this is the forth message that I am sending to him to utilize the wisdom of I the Lord. **He should seek the wisdom of I the Lord and he should not rely on his knowledge or the knowledge of the people. He should not permit those who can make the economy of America to regress. He should not permit those who can enact meaningless law, which cannot benefit America in future.**

[https://en.wikipedia.org/wiki/2020\\_United\\_States\\_anti-lockdown\\_protests](https://en.wikipedia.org/wiki/2020_United_States_anti-lockdown_protests)

<https://www.france24.com/en/20200601-george-floyd-protestors-and-police-clash-in-front-of-white-house>

Thus says the Lord: Behold, there is no one that I the Lord cannot change/transform. If he takes these steps and permit those who are the apple of My eye, My pastors/prophets, if he makes them to be his bosom friends, **if he takes their advice and he is filled with the fear of I the Lord; and if he believes in I the Lord that he will not utilize his own knowledge; and if he makes I the Lord of host to be his bosom friend. Then I will destroy the secret covenant/trap which people are scheming privately to put his life in bondage/snare. That is the first, and secondly it is about the election.**

## Messages concerning Nigeria

### The invasion of terrorists:

Thus says the Lord: Nigeria is a country that I established which is flowing with milk and honey. **I will not allow the saboteurs to come into this country to make her to become darkened, says the Lord God of hosts. That is the reason why I said the influential pastors should unite and cry out, they should cry out and pray that I the Lord should utilize mercy to rescue/deliver this country because the hosts of hell that I the Lord call terrorists are already in the country and they continue to come one by one. They are those that the power of the country cannot suppress/overcome, and to waste people's souls/lives, is not a big deal to them.**

### **Judgment of people in position of authority:**

Thus says the Lord: **He will be hearing the judgment of I the Lord on the past presidents.** If **Buhari** takes step, then he should observe what I the Lord will perform. This great judgment will pass around because I the Lord will perform mighty works and people will be afraid when the judgment comes. Thus says the Lord: I sent messages to the ex-presidents, the current president, the ex-governors, the ex-senators, the ex-ministers and all those who had been installed in position of authority, that **there is no one who has power on his/her soul, unless I the Lord who has power over their souls. Whoever says I do not have power over souls is indirectly saying that I am not God anymore.**

<https://www.vanguardngr.com/2020/03/another-senator-rose-oko-is-dead/>

### **Why I sent messages to the Kings/Monarchs:**

Thus says the Lord: The reason why I sent messages to the kings and the monarchs is that they should remember that I sent the prophets to the kings mentioned in the Bible. The prophets usually prophesy to them and instruct them on what steps to take. **I do not want surprise attack, or ambush war to plague their kingdoms, that was the previous warning which I sent to them. If they obey the content of My messages, then they will not witness surprise attack or ambush war.**

Thus says the Lord of hosts: **Any king or monarch who takes this step and make rectification, the government of such king/monarch will progress and the economy of his domain will develop.** Such king will be famous and become influential throughout the world, says the Lord God of hosts. But any king/monarch that refuses to hearken to these messages and take steps, My messenger, when will the messages of I the Lord will not come to pass? Behold write it down if My word will not come to pass.

Thus says the Lord: The kings/monarchs should take the steps stated in My messages which I sent through My messengers and they should not turn a deaf ear to these messages.

### **Year 2020:**

Thus says the Lord of hosts: **The rectification step is what I am crying out for everybody because this Year 2020 is very powerful.** Apart from the food stuffs that will be in abundance, every other thing will be scarce. Everything will change, My messenger, write these things down, all things will change. **Behold, certain mysterious events that are very powerful will occur this year. However, if My beloved cry out to Me, I will stop the occurrence/event but I will show them sign/sample so that they will fear I the Lord. If they do not cry out to I the Lord the signs/samples will manifest and Nigeria will be fearful among the countries in Africa.**

## **The Death of Prominent People in Nigeria**

### **Actors/Actresses:**

Thus says the Lord of hosts: I really pity that they will announce the demise of these people. **One of the Nollywood actors/actresses, who is famous and have a reputation throughout the world, I really pity that two of the Nollywood actors/actresses will sleep this year that will cause grief, and make people to bow their heads in mourning with questions on their lips that what causes their death?** The performing actors/actresses should pray fervently during this time because these people are significant among them, and **their death will be sudden between February and June 2020. These two actors/ actresses, one is residing in Nigeria and the other one is residing in overseas country.**

Thus says the Lord: **They should not handle the issue of these actors/actresses with levity, because it will cause argument among their association. They should find time to pray concerning this issue and they must not handle this matter with triviality.**

<https://austinemedia.com/9-nollywood-actors-actresses-who-died-in-2020/>

### **Footballers:**

Thus says the Lord: **They should pray for the footballers. I really pity these children that use their entire time to serve their father's country. They have to pray fervently for three of them because they really need prayer, two male and one female.** They should assist them very much with prayer because the death of these people is not good this year. It will make the football community to bow in mourning. Son of man, **let them use prayer to assist these people at this moment, says the Lord of hosts.**

Thus says the Lord: **They should pray fervently for the footballers so that I the Lord will destroy every intention of their enemies this year because if they do not pray, it will happen and it may affect football in Nigeria;** since these three people have important role that they are playing concerning the progress of football in Nigeria.

### **Introduction**

Thus says the Lord of hosts: **I am the only Being who is bearing Jehovah.** Thus says the Lord; My kingdom is truthful. **Thus says the Lord God of hosts who is the God the Hebrews, Jehovah Elohim is My name.**

Thus says the Lord of hosts: I am the One who has been in existence, I am the One who will be in existence when the earth will cease to exist. Behold, My kingdom is truthful. Thus says the Lord; **The time is very near when people will not have the benefit of receiving sound doctrine, write it down, people will be listening and giving heed to deceiving spirits and doctrine of demons.**

### **Instructions of the Lord to the United Nations**

#### **Warning against third world war:**

Thus says the Lord: Son of man, **do you want Me to carry out My judgment this year throughout the world with exception of no country? Or you want I the Lord to be patient for the repentance and change of the nations across the globe?**

Thus says the Lord: My messenger, **tell people to pray so that third world war will not happen this year. Son of man, pray against third world war. The step is currently ongoing. Inform the United Nation to intervene in the controversy that is going on in the world.**

## Introduction

Thus says the Lord, I am a truthful God. Thus says the Lord, My kingdom is truthful. **I do not think like how human thinks. I do not change like how human changes.** I am a truthful God. Just like how the firmament is higher than the land and the heaven is higher than the firmament that is how My messages of today will achieve what I have sent them and they will not return to Me void, because it has been written that "God the Spirit of the Hebrews is My name," who is the God of your forefathers.

Thus says the Lord of hosts: You sons of man, do you always think deeply? Because the words that I have stated in the Book of John "that the time will come, when true worshipers will worship the Father in spirit and truth; for Father is seeking such to worship Him."(John 4:23) The Book of Revelation stated that 'Keep the words of the prophecy' because not an iota of My word will go unfulfilled; (Revelation 22:7).

### **The False Prophets:**

Thus says the Lord of hosts: **Many people are delivering messages when I the Lord did not send them; they will meet I the Lord at an inescapable path. Numerous people are prophesying gibberish; and several people are delivering messages from the marine kingdom. Many people go to the bottom of the sea by paranormal phenomenon to collect power, and several people are traveling to India to inquire about the journey or future, from the rulers of the unseen world and the principalities. However, I the Lord is greater than these rulers of darkness of this age, because I am the Supreme Being and the Maker of all things.**

I am the Lord, I do not change, I created the heights and the land, all the power belongs to Me. Peace unto you.

**Received on Monday, May 25<sup>th</sup>, 2020 (A)**

### **Introduction**

Thus says the Lord God of hosts: I am a truthful God, and I do not change says the Lord God of hosts. I am not human that I will think like human. I am the King of kings; I am the Supreme Being who is righteous, and has power over His works. I am the King who is greater/mightier than other kings. Who is human? What is a work, and who is the powerful being that has power over the Maker and the Creator? I am the Maker and the Creator of all things. I am Jehovah who is greater and mightier than all the kings. I am the One who is the Ancient of days. I am the One that increases in age but never uses a walking stick.

Thus says the Lord: I am the aged One but the greatness of My power makes me not to use walking stick. I am the God who has power over day, time and period. I am the Lord who has been in existence when there was nothing, I am the God who thought deeply that I should create something that will have dominion over other creations, whose conducts will please Me, and My heart will be yearning for him always (every time); so that I will be honored through him. I am the God who created all those things that humans are honoring Me through them. I created everything that I like within the control of My power. I created the day and the time; I created mankind; I created the land and the waters; I created the firmament and the trees; I created the animals and the ants; I created the marine creatures and precious things that are useful for humans in the world. I created the breeze/air to work during the day; I created the breeze/wind of the morning, afternoon, night and mid-night. I created the sun to rule during the day, and the moon to rule in the night. I created the stars to rule in the evening/night.

Thus says the Lord: I am the One who has power over My creations. Who is that powerful being that has knowledge like My creations that such knowledge will not end? Who has knowledge and understanding that will surpass that of I the Lord? Behold, greatness is My majesty; behold the elders: a group comprises two, another group is four and another group is twenty one; all of them surrounds the judgment seat. The Cherubims with their wings are glorifying me all the time; it is not only the Cherubims, what about the Seraphims? Behold those who cast down their crowns, behold those who are filled with eyes and horns; behold all of them surrounds the judgment seat and they are singing Holy, holy, holy all the time. They are dancing, and rejoicing, and glorifying God. They are giving glory to I the Almighty God on My throne.

Thus says the Lord God of hosts: The dignity and pomp in heaven surpasses the covenant which upholds the earth. Behold My servant, I created various tribes and all of them will give account of their stewardship on the last day. Behold, there are certain creations in the firmament, they too have a king and they have various tribes. My servant, there are certain creations that lives on the ground. Listen to Me, there are certain creations that lives in the trees, they have chiefs and king; they also have all the various precious things. There are other creations in the granite formations, that is where they are living because the granite formation is a shelter for them, they too are My creations, they have male and female. There are certain creations My servant that are residing in waters; they have many of the precious things that are on the ground/land on earth, they too are My creations. There are other creations that live under the ground, and that is where they are covering themselves with cloth. There are certain creations My servant, though they are animals but their acts and conducts are similar to that of human beings; the only difference between them and human is their hairy body, because they possess every other anatomy of humans: they too have male and female.

Thus says the Lord: Son of man, all these creations are the work of the hand of I the Lord. I am Jehovah, and I have three seals; one seal will work this morning, the second seal will be utilized tonight, and the third seal will be for the third messages. Behold, what is the first seal? It is the seal that I the Lord utilized to open the spiritual door of the day; which will talk about everything in the day. I am Jehovah Shalom, I descend with My deputies. I presently surround this area, and I held captivity captive during this time, says the Lord God of hosts. I am the unchangeable King, and Jehovah is My name. I created the heights and the lowlands, and all powers belong to I the Lord.

Thus says the Lord of hosts: Son of man, among all the things which I created that are the works of My hand, is there anyone that has power over Me? No Lord. None of them has power over I the Lord. I descend says the Lord of hosts, I come down from the deepest part of the heaven and I walk through everywhere.

### **Messages concerning the Nations of the World**

Thus says the Lord: My servant I am presently in the world. I am currently in all the countries in the four corners of the world. Write it down, there is no message that you sent out that will not come to pass. The messages that I the Lord sent through you will certainly be fulfilled.

Thus says the Lord: Any nation that is filled with My fear and change from her nauseous way by turning to Me. If such nation believes that God alone has the power to heal, and all the doctors of such country throughout the nations of the world that honors I the Lord by believing that God exists and He is the most powerful being and He is the Rock of Salvation and Refuge. If such doctors believe that the key of rectification, the key of deliverance, the key of liberty and the key of healing are with I the Lord. **Such country will be liberated from the pandemic between June 2020 and July 2020, says the Lord God of hosts.** Behold I will collect all glories says the Lord.

Thus says the Lord of hosts: Any country among the nations of the world that turns a deaf ear to My messages, by believing that only their wisdom can perform wonders, that God cannot resolve the issue, and God does not have power and understanding. **Then such country will be left with her knowledge, says the Lord God of hosts;** because another disease that is more severe than COVID-19 is on its way.

### **Another disease/pandemic will occur:**

Thus says the Lord: **Another deadly disease that is more serious than Coronavirus is about to manifest. Though I the Lord will eradicate this COVID-19, however people should pray so that I the Lord will step upon and crush this upcoming disease/pandemic.**

### **Misunderstanding, tribal and religious wars:**

Thus says the Lord: People across the globe should **pray fervently, in order for I the Lord to destabilize whatever that can cause disputes among the nations, together with tribal and religious wars throughout the four**

**corners of the world; because there is no nation that will not witness this event. It will happen but people should pray, so that I will destroy these plot and covenant, says the Lord God of hosts.**

### **Messages concerning United Nations**

Thus says the Lord: They should be wise; though they have taken certain step about two weeks ago and they also took an emergency step last week: I say bravo to them. **They should be filled with wisdom during this period, and they should quell whatever that can bring dispute among the nations. They should call a meeting for reconciliation;** and they should abstain from any provocation that can harm people of the nations throughout the world. **At the meeting they should encourage all the nations to bring forth the fruits that are worthy for the development and progress of their countries; so that there will not be any bloodshed or war.** If they observe a nation that has complaints about another nation, they should make enquires and **make peace between them by reconciling them without delay.**

Thus says the Lord: **Third world war will not occur this year, if they take these steps as instructed.** My messenger, I am the Lord God of hosts Jehovah is My name, I am presently passing through all the sources of the nations. I send these messages, for them to urgently take steps by convening a meeting this coming week, says the Lord God of hosts.

## Messages concerning Nigeria

### Tears of the Beloved:

Thus says the Lord: I observe the vicinity throughout Nigeria, **the tears of the Beloved are so much in my presence**. I asked you to speak the truth which you have done. I instructed you to send messages to the people in position of authority in the Nation, did you do that? Yes Lord we have done it. I directed you to send messages to the leaders of the churches, did you do it? Yes Lord.

### Yoruba land:

Thus says the Lord of hosts: **The Yoruba land should be prepared for surprise attack that can hurt people; because they have sold the Yoruba land for the people who lack understanding and wisdom: so the Yoruba land must awake and be alert. The Yoruba must be united during this period, because war has surrounded all the Yoruba land from these children of hell; those that do not value human life, and shedding the blood of women is nothing to them. They have already penetrated all the Yoruba land and they are currently waiting for the signal before they come out of their hiding places.**

Thus says the Lord: **The Yoruba must be filled with wisdom, understanding and prayers during this period. They should be filled with understanding and be wise during this time, because these children of hell (the terrorists) do not handle religious matter with levity, and they take seriously the matter of forcing people to worship according to their religious belief; which is not the way that has been established in Yoruba land.**

### Election in Edo and Ondo States:

I will exhibit the greatness of My power concerning the upcoming election in Edo State and Ondo State. Son of man, it is not the course that people think that I the Lord will take, because I will make the powerful to become weak; write it down. The way that I will take to operate will be powerful. **Whoever that is filled with bloodshed and smartness will realize that all power belongs to I**

**the Lord alone and not humans.** I will pass through the source of these States; the reason is that **many are making plans for re-election when such people have lost their post/positions in the presence of I the Almighty God.**

Thus says the Lord of hosts: Behold, write down this period, I will work with powerful hand concerning the political aspirants in Ondo and Edo States. I will walk by, and the powerful person will become weak. **I the Lord God of hosts will make anyone that is filled with My fear and honors Me to ascend the throne as governors.** If it is PDP that is filled with My fear and honors Me, and people wants, there is no wisdom and cunning way that APC takes, they will only try but they won't be successful. However, if it is APC that honors I the Lord, and filled with My fear, and believes that all wisdom, majesty and power belongs to God alone, and if they did not follow their own knowledge or their smartness, then APC will win the election, and they will be successful. The efforts of PDP will become nothing before them. If it is the labor party that is filled with wisdom and My fear, and they are filled with the understanding of I the Lord, then I the Lord God of hosts will use the novice to bother the wise.

Thus says the Lord: The way that I will take the governance of Ondo and Edo States will be beyond the comprehension of humans. **All the upcoming elections in Ondo State, the course that I the Lord will take will transcend the wisdom of humans. Same thing will happen in Edo State, anyone who honors Me will win the election.** I the Lord am not talking about the predictions of humans, because prediction is different from the word of I the Lord. I speak these words out My servant, the same warning that I gave during the time of Jonathan (the ex-president) I am repeating it to Edo State. **The incumbent governor should not be joyful, because the powerful person can fall sometimes if the ground is slippery.** The powerful person that is filled with his own wisdom and understanding, son of man, the ground can make the powerful person to slip; therefore these people should bring forth fruits that are worthy of fear and repentance.

### **Sharia law in Kwara State:**

Thus says the Lord: **The law will be established in Kwara State very soon if care is not taken. Many people will propose to leave Kwara State because of this Sharia law, and move to the southern States;** since Kwara State is the border State of the States that their languages are different from Yoruba language. I really pity, so **the people of Kwara State should cry-out to I the Lord to use powerful fiery hand to pass through the State; and destroy the secret covenant and plot that can adversely affect the children; in manner that will make them to bow their heads in sorrow.**

Thus says the Lord: Those who have companies in Kwara State and many of those who have churches in the State will propose to move their companies and churches to the southern States. **Many things are happening in secret and many things are happening among the people in position of authority in the State. These people in position of authority neither heed the advice of the kings nor pay attention to their words of wisdom,** instead it is the law enacted by the people in position of authority that the kings will follow.

Thus says the Lord: **The Muslims too will cry-out when these signs manifest, because when this storm comes: the Muslims too will be relegated to the background and they will be called Kaferi. The tribal war with multilingual people involved; which can ruin the economy of the State and the future of the upcoming generations; is very close, therefore cry-out to I the Lord, says the Lord God of hosts.**

### **Introduction**

Thus says the Lord God of hosts: I am a truthful God and I do not change says the Lord God of hosts. I am not human that I will think like human. I am the King of kings. The Supreme Being who is righteous, and has power over His works. I am the King who is greater/mightier than other kings. Who is human, what is a work and who is the powerful being that has power over the Maker and the Creator. I am the Maker and the Creator of all things. I am Jehovah who is greater and mightier than all kings. I am the One who is the Ancient of days. I am the One that increases in age but never uses a walking stick.

Thus says the Lord: I am the aged One but the greatness of My power makes me not to use walking stick. I am the God who has power over day, time and period. I am the Lord who has been in existence where there was nothing, I am the God who thought deeply that I should create something that will have dominion over others whose conducts will please Me and My heart will be yearning for him always (every time); so that I will be honored through him. I am the God who created all those things that humans are honoring Me through them. I created everything that I like within the control of My power. I created the day and the time; I created mankind; I created the land and the waters; I created the firmament and the trees; I created the animals and the ants; I created the marine creatures and precious things that are useful for humans in the world. I created the breeze to work during the day; I created the one of the morning, afternoon, night and mid-night. I created the sun to rule during the day and the moon to rule in the night. I created the stars to rule in the evening/night.

I am the Lord and I do not change says the Lord.

## Messages to Nigeria

### God is not pleased:

I the Lord is not pleased with administration of the physical and spiritual governments. The physical government is the people that I appointed and installed in powerful positions to control or direct others, while the spiritual government is the people that I made the religious leaders, those that I raised as My ambassadors in the world. **All of them should abstain from unrighteousness.**

### Sultan of Sokoto:

Warn the Sultan, because **there is a step that some people want to take to harm/hurt other tribes.** He has the power to silence them, but **if he refuses to take this honest step to derail this nefarious activity and speak the truth, then the eye of I the Lord will be bitter towards him; and My judgment will pass through his palace.** My judgment will then come upon him and his chiefs and he will be afraid when My judgment comes. However if he takes step, **his rule will last and the journey of his children will be meaningful throughout the world.**

## **Lagos State Governor:**

**I the Lord is the One who installed him in that position and not mankind, because he has the fear of I the Lord and he is zealous. He should not allow anyone to influence/pressurize him to collide against I the Lord on My throne, most especially those who are delivering false prophecy, when I did not send them.**

I the Lord saw his efforts and night vigil, and his sigh and that of his wife: therefore **I will answer his prayers and the prayers of the people that surround him who are asking for forgiveness and mercy.** I the Lord will pass through Lagos State, and I will step on the storm that is raging, and peace will reign.

**When he is 18 months in office, they will write petition against him, in manner that can lead to impeachment, so as not to finish his term; however, the secret of these people will be exposed before December 2020. Some people are having series of meetings so that he will be removed from office, but before his birthday, I the Lord will perfect everything and his issue/situation will result in smile/laughter.**

**He should not listen to meaningless words/messages that can hurt/harm his government. He should assist the house of assembly with prayers, so that he will not hear the demise of one of them who is his helper. He should pray concerning the local government chairmen; Satan is determined to take two out of them, and these two have records of extensive performance, but they are presently sick. He should pray for Tinubu his godfather that whatever that can happen which will make him to bow his head with tears between June 2020 and September 2020, I the Lord should step on it.**

## **Adam Oshiomhole:**

Thus says the Lord: I the Lord send these powerful messages to him, he should handle everything gently. I am the Lord God of hosts who created the heaven and the earth; I send these messages to him that he is not occupying his present position due to his smartness. He should remember that I the Lord am the One who installed him in that post. He should know that, if he did not change or take step to revenge and he must not think/say that I have the power to do whatever that I like. He should handle things gently says the Lord God of hosts. He should change and turn to I the Lord before June 10th 2020, he should not listen to the slandering words of the people or use them to take action on the governance of Edo State.

Thus says the Lord: Warn him that if he turns a deaf ear to these messages, those that do not want him in the position are still around. I the Lord promise and make covenant that either he likes or not the APC that he trusted will betray his government before the next ten months. The APC will betray him to the extent that he will not have any influence anymore in APC party throughout Nigeria. Those who will make him to be impotent in the party are very close to him and they are the ones that are instigating him to take steps/actions.

Thus says the Lord: Tell him that he should use the wisdom of God, so that My protection will be guaranteed upon him, his children and wife; he must not utilize other people's wisdom, instead he should seek the fear of I the Lord during this period. I want to work and walk through his life. The hand of I the Lord will perform wonders and people will be afraid; if he applies wisdom. During this period, he should bring forth the fruit that is worthy for repentance and change. However, if he refuses his power will become weakness says the Lord of hosts. It is not human power that will make Edo State to have acceptable government, only the power of I the Lord alone can achieve that.

Thus says the Lord: He should realize that the powerful person can become weak. We are the ones who owns today and tomorrow, is a wrong statement because humans can own today but I the Lord owns tomorrow or the future. He should be filled with wisdom and humble himself so that I the Lord will destroy the contrary and secret covenants concerning him.

## **Oyo State Governor:**

He should be filled with the wisdom of I the Lord, and he should be very careful, because **I the Lord will pass through Oyo State from June 7, 2020 until November 14, 2020.** If he is careful, **some people that are taking step to hurt/harm his government in a way that can make him to lose his life will be exposed. He should make I the Lord his Alpha and Omega;** so that I will pass through and suppress this storm.

**The looming crisis that will burst in Oyo State will affect him, and it can cause harm for him;** so that I the Lord will silence these powerful people concerning his life. **He should not accept any advice that will hurt/harm his administration, and he should beware so that he will not be deceived.** **There is a certain person that he perceived as his backbone, this person is a king, he has thorns on his palms and he is a saboteur.** If he leans on his own knowledge, the looming crisis will burst and it will make Oyo State to tremble.

## Messages concerning United States of America

### President Trump:

Thus says the Lord: Do you deliver My messages to the President of America? Yes Lord. **If he turns a deaf ear to these messages thus says the Lord of hosts, I use the covenant of My throne and the covenant of My existence to swear, he will be looking at the presidential seat but he won't have the opportunity to sit on it anymore; because he will not win the upcoming election.** However, if he takes the steps that I the Lord instructed him to take, and he humbles himself, and believes that all power belong to I the Lord alone, and if he does not support those who intends to invert the Bible in America, in order to trivialize America, **then he will win the upcoming election.**

Thus says the Lord: He should not forget that I raised him for the falling and rising of many, so if **he strays from the steps which I directed him to take, then, he will be looking at the presidential seat from a distant place but he will neither have the opportunity to come near the seat nor sit on the seat.**

Thus says the Lord: Tell the President to quickly take the step of the fear of I the Lord. He needs the fear of I the Lord during this period, and humble himself, and give all powers to I the Lord that all powers belong to God. **He must not follow contrary advice of people, because the advice of people will cause disappointment for him.**

Thus says the Lord: Inform this man to seek the wisdom of I the Lord, says the Lord of hosts and **he should not utilize his own wisdom but acknowledge**

**the Lord in all his ways, says the Lord God of hosts.** I the Lord will pass through the source of America, says the Lord.

### **Increase the security of the President and the Nation:**

Thus says the Lord: America needs to increase security and they should take steps with meaningful things which will make **the security of the country to be tightened as from June 29th, 2020 until August 28, 2020 so that the President will not be hurt/harm in August 2020 which may lead to the postponement of the upcoming election;** so they should be prepared.

### **Introduction**

Thus says the Lord God of hosts: I descend according to My act, I do not think like how humans think, says the Lord of hosts. I surround this vicinity and pass through this location. I descend presently says the Lord God of hosts. **I am the Lord that is bearing Jehovah Shalom; I am the God whose wisdom is not the age-mate of any living being. I am the One that is giving wisdom, understanding and wealth to humans according to My Power.** Behold I surround this vicinity presently, says the Lord God of hosts. Hear how the heavens are singing before Me.

Thus says the Lord God of hosts: I am the Supreme Being who does not think like humans. My understanding is not human understanding. **I am the One who does not change. I am the unchangeable God and Jehovah Shalom is My name; Who is the God of the spirits of the Hebrews:** The God of your forefathers. You children of men, I descend, and enthrone and walk. Behold I am concerned that 'Will I meet Christianity faith anymore in the world.'

Thus says the Lord: Inform My ambassador/prophet that **Christianity faith is about to sleep and the bridegroom is coming to take the Beloved home.** Son of man, the day is near; behold the **Christianity journey of this world will come to an end. When he who gives reward and gift to everybody will ask from everyone how they spent their journeys.** It is not only humans that will give account of their stewardship, but **all the works that I the Lord created will appear before the Judgment Seat and none will be spared:** the lights that I created both the large and the smaller one will appear before the

Judgment Seat. The Spirit that was hovering on the waters will also appear. The day, the darkness, the morning, the afternoon and the midnight will show up at the Judgment seat. All the animals that I the Lord created and the ground/land with everything in the ground and on the land; together with everything in the waters; with everything that is flying in the sky and those crawling on the land everything will appear before the Judgment Seat.

Thus says the Lord: Son of Man, I really pity, so hear this word and write it down for record purposes. My word said, 'Time will come when the true worshippers will worship the Father in spirit and truth; for the Father is seeking such to worship Him.' (**John 4:23**) The book of Revelation stated that 'the lukewarm people who are neither cold nor hot, I will vomit them out of My mouth'. (**Revelation 3:16**). I want you to be hot and not cold. The Book of Revelation also mentioned that 'anyone who takes anything away from My word; the suffering of such person will increase in the world.' (**Revelation 22:18-19**).

### **Messages concerning the Nations of the World**

Thus says the Lord of hosts: All the nations that turn a deaf ear to My word and continue to shed the blood of the innocent will witness storm, and I the Lord will work to the extent that people will be afraid; and they will realize that the Lord is angry with those nations. I have previously mentioned this or not? Yes Lord, You have mentioned it in previous prophecies.

Thus says the Lord: The firmament is changing and mysterious events that do not happen in the past, I the Lord have permitted them to happen: whether in America, or in Nigeria, and the nations of the world. I have permitted strange things to be happening and the firmament is changing.

### **Third world war, religious war and another pandemic:**

Thus says the Lord: Behold son of man, the nations of the world needs prayer, **so that third world war will not happen between October 2020 and December 2020. Pray for the world because religious war is coming and another disease which is more severe than COVID-19 will plague the world. This disease kills faster without delay, but I the Lord says, if people pray, I the Lord will suppress it.**

Thus says the Lord of hosts: All the nations that rejects the fear of I the Lord and continue to afflict My people; **I the Lord will pass through those nations one by one and the judgment hand of I the Lord will strike them because they are shedding the blood of the innocent.**

### **Messages concerning United Nations**

Thus says the Lord: Inform the United Nations, **this is the third time that I am sending this message for them to convene a meeting/assembly to resolve any dispute that may lead to world war. During this time they need to be vigilant, intelligent and security conscious. They should settle amicably all the misunderstanding among Nations without any escalation, says the Lord God of hosts.**

Thus says the Lord: **I will give them the necessary wisdom, knowledge, and understanding that will make them to be successful.**

### **Messages concerning Nigeria**

#### **Pray against what can make President Buhari to mourn:**

Thus says the Lord of hosts: I have previously told you that I will pass through the four corners of Nigeria and I will pass through Aso Rock Villa. **I told you that mysterious things will happen that will make people to be afraid; but they should pray against what can happen that can make the president of the country to bow his head in sorrow. I am repeating it for the second time.**

Thus says the Lord: **They should pray fervently against whatever that can happen that will make the president to weep.**

#### **Pray for political party godfathers:**

Thus says the Lord: All the godfathers, including that of the Lagos state, Ogun state, Osun state, Ekiti State, Kwara State, Ondo State, Kogi State, Edo State, Delta State, Katsina State, Zamfara State, Imo State, Niger State, Sokoto State,

Benue State, Kaduna State, Kano State, Cross River State, Akwa Ibom State, Federal Capital Territory, Rivers State, Taraba State, Bornu State, Adamawa State and Bauchi State; My messenger these godfathers who are the people in position of authority in the political parties; either it is APC or PDP or Labor party or any political party needs prayer.

Thus says the Lord: **If people refuse to pray fervently for these godfathers the unexpected will happen, because Satan is planning to kill them; in order to use their demise to cause sorrow in the political parties and make the minds of the members of the political parties to be unsettled; which will result in seeking one another's lives for downfall and death.** They should pray fervently for I the Lord to avert this evil; in order not to have sway/might on anyone again; then I the Lord will prevent bloodshed.

I am the One who defends humans in a manner that will make the person to be afraid. I am the God that walks with

blazing fire. I am the One who spoke in the bush when the bush was burning with fire, but the bush was not consumed (**Exodus 3:2**). I enthrone, says the Lord.

Thus says the Lord: When I saw the restlessness and the affliction of the children of Israel, I appointed a savior to deliver them from meaningless covenant. I descend at this moment, says the Lord. Consider My greatness, you sons of men in the **Book of Exodus 3:3-12**. Afterwards, I sent powerful messages to the man named Pharaoh in **Exodus 6:2-14**. Behold, son of man, My kingdom is truthful and I am not human who changes according to the **Book of Malachi 3:7-8**. I do not change like the people in the world who are changing. Behold, I spoke to My people in **Malachi 3:5-8**.

Thus says the Lord of hosts: Behold, son of man, I descend at this particular moment. **I am very concern about the events that are currently happening in the world.** Did you send My messages out? Yes Lord, we did. **If you have not sent the messages out, you may partake in the punishment of the stubborn people.**

Thus says the Lord: Son of man, if lies reign for many years, truth will prevail in one day. I am presently performing My powerful works. "He who has an ear, let him hear what the Spirit says to the people." (**Revelation 2:29**.)

### **Introduction**

Thus says the Lord God of hosts: My kingdom is truthful, and I do not change says the Lord God of hosts. I am the only Being who has been in existence when there is no world. I am the only Being who was in existence when the world was created and I am the only Being who will still exists when the world will cease to exist. My kingdom is truthful and righteous. I am the Jehovah Sabboth; I am the One who spoke in the Book of Judges Chapter six, where I uttered powerful speech to the man called Gideon that I am the Lord God of your forefathers; and I do not change, says the Lord God of hosts.

Thus says the Lord: I descend into this location, behold I utter speech from a great heights, says the Lord God of hosts. Son of man, **My question to everyone in the world is that “Will I meet Christianity faith in the world when I return?”** Son of man, I descend and enthrone, says the Lord; and I led captivity captive, says the Lord of hosts.

Thus says the Lord: **I the Lord really pity the Christianity faith; I have sent varous pastors/prophets to numerous people for them to believe that they do not own this world; and time will come when people in this world will not be able to accept sound doctrine.** What humans have heard and hold firmly, is what will be useful at the end time during the judgement; when I the Lord will ask that “Son of man, how do you spend your time on earth.” All peoples and animals will stand before the judgment seat. Every living thing, and every creeping thing including those that are flying in the sky together with all the works of my hand will appear before the judgment seat.

### **Messages concerning United States of America**

#### **President Donald Trump:**

Thus says the Lord: My messenger, I am on the roof of a certain hospital where the President is hospitalized. **Do you want me to spare the President, or I**

should allow the people contracted to harm him to operate, in a manner that can cause the demise of the President, and make the Election to be postponed? Do you want Me to intervene, or do you want Me to leave the crooks to judge him? Lord, intervene quickly and spare the life of the President.

<https://apnews.com/article/virus-outbreak-donald-trump-elections-melania-trump-michael-pence-f6ba3a16ab9b74b161a3a7211248e97e>

Thus says the Lord: Send these message to him because I have sent messages to him in the past, but **send messages to him the second time that I the Lamb of God according to your pleading/request, I will spare his life. The meeting that can ruin the future of America is secretly taking place concerning Trump. My messenger, if you don't want people of another religion to rule/control America, in a manner that will not permit Christianity to flourish, then pray for him.**

<https://www.usnews.com/news/health-news/articles/2020-10-05/trump-to-be-released-from-hospital-after-3-days-of-covid-treatment>

Thus says the Lord: **I the Lord will examine the life of this man within the next three days; starting from today October 5<sup>th</sup>, 2020 to October 8<sup>th</sup>, 2020. I will pass through that location; a great wind will blow where your President is located and this will serve as a sign to remove all the spiritual darts from his body. I will spare him and his wife; I will judge the conspirators among those who surrounds him. I will judge one of these conspirators before Thursday October 8<sup>th</sup>, 2020. When I judge the conspirators, I will raise this man (Trump) from his sick bed, because many people are seeking to terminate this man's life. I will publicly reveal the secrets/concealed things very soon; everything that is happening to Trump that you cannot comprehend, will manifest later, and become clearer to all people. However, whatever that is manifesting in his life, I the Lord take over his life. I will examine and pass through his life within the next three days.**

Thus says the Lord: **If you believe that I am alive, nothing will happen to this man and his wife, despite all the proclamation of the people. The hand**

**of I the Lord will pass through every location and I will disrupt all the secret meetings within the next three days, says the Lord God of hosts.**

**Thus says the Lord: I use My throne to swear, I use My covenant to swear. Just tell him to ask for the mercy of I the Lord, and forgiveness of sins from I the Lord. Once he does this, I will raise him up from his sick bed. Whatever that is happening around him, no evil will befall him, but if he refuses to act according to My instructions, they will take the government from him, says the Lord God of hosts; however, if he quickly obeys, I will disrupt the emergency meeting and the secret plot.**

I am the Lord, I do not change. Peace unto you.

### **Introduction**

Thus says the Lord God of hosts: The world and heaven will pass away, however not an iota of My world will go unfulfilled. I am the Lord God Jehovah Sabbath, the only King that is bearing Wonder. I am the God who has power to deliver people from the problems/difficulties of this world. Behold, I am the only Supreme Being who has power on everything that I created in this world. I enthrone and descend, says the Lord.

Thus says the Lord: If I come back, will I meet Christianity faith in the world? This is a great question that I always ask the Beloved. Each and everyone will be examined and they will be treated according to the works that everyone has performed on earth, either evil or good. There is nothing hidden from heaven

and the earth that the eye of I the Lord does not see. Fire will be used to test everyone's work, either the work will stand or it will be consumed by fire. Behold those who started with good work but ended their journeys in 'Coast of vanity.' Behold the brave people who are the Beloved but they ended their journeys in unquenchable fire, they are crying out due to their distress, and they are saying, "Lord give us another chance so that we can return to make amendments.

Thus says the Lord of hosts: All the righteousness of humans is a filthy rag. Son of man, I have only two statements to speak to all peoples. My kingdom is truthful, I descend presently, says the Lord God of hosts. Do not forget My past messages, because there is none that is too small among My messages that will not be fulfilled.

### **Messages concerning Nigeria**

#### **God loves Nigeria:**

Thus says the Lord: I love Nigeria, and I have said before that Nigerians are talented, famous and they are filled with wisdom, understanding and knowledge. However, Nigeria does not appreciate her citizens throughout the four corners of the world.

Thus says the Lord: If you want doctors that are filled with wisdom, knowledge and understanding in both the black Nations and the white Nations, Nigerians cannot be ignored. If you want the intellectual professors that are filled with understanding and knowledge in the world, Nigerians cannot be disregarded. When you are talking about the brave ministers of God, the great and prominent pastors, Nigerians cannot be ignored.

#### **The President:**

Thus says the Lord: Son of man, I sent you with messages to the President not to utilize his own wisdom, but seek the wisdom of the religious advisers. I the Lord directed him to convene an honorable meeting with the ex-Presidents that have governed the country in the past and seek their advice. I also instructed him to have meetings with the people from the banking sector, marketing sector; oil and gas sector, and the stock exchange sector.

Thus says the Lord of hosts: I the Lord instructed him to have meetings with all the sectors that will make the economy to grow, but this man is very stubborn, because he is not the one that is governing the country. It is some people that are very close to him that are governing the Nation. It is whatever they say that

the President will do; whatever step that they ask him to take is the step that he will take. The judgment of I the Lord will come upon all these people. Write this period down, their journey will be filled with a bitter and severe judgment, unless they change and turn to Me, says the Lord God of hosts.

Thus says the Lord of hosts: This man took a little step. He contacted one ex-President whose name is Jonathan to go and represent him in a certain Nation in order to intervene in the disputes among certain countries.

### **Nigeria needs supervision:**

Thus says the Lord: Son of man, Nigeria needs supervision and lots of prayer during this period because I the Lord is not pleased with bloodshed of the youths who are the future of the country that were killed.

<https://www.thecable.ng/traditional-ruler-shot-dead-in-enugu>

### **The Kings and the Monarchs:**

Thus says the Lord of hosts: I have sent messages to the kings. Son of man, do you hear that the kings convene a meeting in order to have consultation with the President of the Nation? Lord, I did not hear the news. The messages that you sent to them have an impact, because they don't want to be disgraced at the end of the year, but that is not the only thing that I the Lord will consider. Behold, they have an emergency meeting about a week ago, during this emergency meeting, various kings were in attendance. However, the President and his assistants told the kings that the meeting will not take place as scheduled. Behold, son of man, that is what the kings/monarchs have turned themselves to before an ordinary person.

Thus says the Lord: If the king of Saudi Arabia commands the people in position of authority, they will listen and comply. If Queen Elizabeth commands the Prime Minister of the United Kingdom, he will listen without delay. Son of man, the kings are getting the messages that you sent. Bravo! Do you see that many of the kings have trivialize themselves? I the Lord will not spare any king unless the king that is honest and virtuous that I the Lord God of hosts will spare.

However, all the dishonest kings, those that are shedding the blood of the innocent, and those that are sabotaging the Nation; together with those who are causing regression for the future of the youth; I the Lord God of hosts will disgrace them.

Thus says the Lord: They should wait and see between this hour that I the Lord sent these messages and watch the judgment that I the Lord will perform. I the Lord will not judge them from outside, My judgment will start from their palaces. You will hear that I the Lord turned against them, but they will affirm that it is the deities that are waging war against them. Since I the Lord am the One who created the heights and the land. I created everything in the ground and mankind that is powerful. All power belongs to Me, and there is no judgment that I the Lord cannot perform on humans, once a person has sinned against Me.

Thus says the Lord of hosts: Son of man, severe judgment is coming upon the kings because the King of kings will pass through the four corners of Nigeria. Certain judgments will come upon the kings without delay.

Thus says the Lord of hosts: I have previously instructed people to pray for the kings/monarchs. I the Lord will carry out a bitter judgment on any king that refuses to change and I will disgrace the king, says the Lord of hosts.

Thus says the Lord: I have sent messages concerning the death of ex-governors. Some will pass away very soon.

## **Death of an Ex-President:**

Thus says the Lord of hosts: An ex-President will die and his death will shake people and make them to be afraid; write it down today. If this does not happen, I am not God anymore.

I am the Lord, I do not change; I created the heights and the plains; all power belongs to Me. Peace be unto you.
