“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

Introduction

Thus says the Lord God of hosts: My kingdom is truthful and I do not change, says the Lord God of hosts. I am the God that bears I AM and I do not change, says the Lord God of hosts. The God Jehovah is My name. This world will pass away, but not an iota of My word will go unfulfilled, says the Lord. The God Jehovah Yaweh is My name. I descend; I enthrone and pass through this vicinity. I observe this world and everything from the throne of I the King of kings and I am moved to tears.

Messages to United States of America

Comments of the two powerful people:

Thus says the Lord: The two powerful people will comment between January 2nd and January 3rd, 2021. Then, I the Lord gives this man seven days to pack his belongings from the White House. **If he refuses to leave within seven days,**

did he believe/forget that I raised him for the downfall and upliftment of people?

President Trump is the one worthy of the position:

Thus says the Lord: Though Trump is the one that is worthy of the position, but, due to his incautious attitude to underestimate his opponent. He followed the advice of people with terrestrial power; he has forgotten that I the Lord was the One who installed him in that position. **The leaders of Christianity are not happy that President Trump lost the Election.**

President Trump should congratulate President-Elect Biden:

Thus says the Lord of hosts: If I the Lord does not send any new messages by January 2nd, 2021; when these two powerful people deliver their speeches on January 3rd, 2021, then he should congratulate his opponent with a smile and joy. If President Trump refuses to do this, then he will be removed from the Presidential Seat with a severe hand. **This will make him to be dishonored in the Nations throughout the world.**

President Trump may be imprisoned:

Thus says the Lord: If he refuses to follow the instructions of I the Lord to concede the result of the Election and congratulate Biden, then he will be investigated and he may be imprisoned for his past activities that I the Lord had previously forgiven him. He will be investigated and it may lead to imprisonment. It is better for him within the next seven days when these two people make comments, for him to gladly gather his belongings and depart from the White

House. Then, I the Lord will descend into America and I will pass through all the locations, says the Lord God of hosts.

President Trump should leave the office peacefully:

Thus says the Lord: If these two people don't make speeches or declare him as the winner of the Election, he should vacate the seat. However, if these two people make comments that they support his government, and he should continue with governance, it means that I the Lord heard his cry for mercy. If he refuses to obey My instructions or ignore I the Lord; "it is good for a king that is asked to leave the throne to leave peacefully, than for the king to be disgraced." He should not forget the case of President Jonathan of Nigeria that I gave him seven days to vacate the Presidential Villa; he left the Villa before seven days. So, also do I direct Donald Trump, says the Lord God of hosts. I Am who I Am, I will not give my glory to any other person.

The eye of God may turn against President Trump:

Thus says the Lord of hosts: If Trump takes these steps, there is mercy on My throne that I can utilize to deliver his administration. But if he refuses to make amendments, then the eye of I the Lord will turn against him, and I the Lord will not look at him with a favorable eye anymore. I the Lord will turn My back on him and this will lead to misunderstanding between him and his wife. This issue will also lead to misunderstanding between him and his son-in-law and this issue may likely cause separation between Trump and his wife. Therefore, he should quickly take the steps, says the Lord God of hosts.

The Christian leaders throughout the world:

Thus says the Lord: **It is a pity; who are those that I will utilize? Who are those that will deliver My messages? Who are those that will speak the truth?** Son of man, all the Christian leaders throughout the world, **if they refuse to speak the truth, My judgment will come upon them and into their lives:**

Messages to Pope Francis (Rome):

Thus says the Lord of hosts: Inform Pope Francis that during **this hour I the Lord is not pleased with him.** Let him know for sure that, why is he afraid of human that can kill the body but cannot kill the soul? **Why is it that I am warning him and he failed to follow My instructions because of vain humans?** Why is it that he refused to follow the statutes that I gave to him? I the Lord give him time to quickly take step of rectification; and step of humility, and

step of repentance, and the step of his positive change by speaking the truth during this period.

Thus says the Lord: I do not want the death of the sinners, so he should cry out in the Church that I installed him to govern. **He should proclaim to the entire Church (Catholic Church) that the eye of I the Lord is bitter towards sin, and I the Lord am not pleased with some of the leaders of the (Catholic) Church that I put him (Pope) in charge, that are destroying Christian religion. The leaders of the (Catholic) Church from France, Spain, Rome and African countries are the worst. These leaders are pursuing posts/positions and they have forgotten the Eternal Resting Place that they did not work for. They have begun to ruin their eternal rest.**

Messages concerning Nigeria

Misunderstanding and confusion in many States:

Thus says the Lord: Lagos State, Oyo State, Ondo State, Ogun State, Bauchi State, Kano State, Kaduna State, Kogi State, Edo State, Imo State, Enugu State, Bornu State, Sokoto State, Rivers State.

<https://punchng.com/southern-states-dismiss-blockade-north-food-traders-insist-on-strike/>

Thus says the Lord: There will be a great challenge that will cause confusion from the office of the Governor to the Chief of Staff office that will involve the House of Assembly and extend to the offices of the Commissioners. **This is what will cause misunderstanding in the political party that will lead to seeking the life of one another for harm/death through hired assassins and kidnappers. This is what will cause certain disputes that can make the lives of the politicians to be shortened.**

Thus says the Lord of hosts: **These States need prayer during this period; else some Governors will not be able to finish their tenure.** Some mysterious events will happen that will make people to be alarmed in a manner that will make the party leaders to be shaken and afraid. This misunderstanding will be very severe. I have previously sent messages to them to pray fervently because **their governments will be shaken between January and March 2021.**

Thus says the Lord: **This incident will bring a great misunderstanding that will cause a serious confusion. Some members of the party will decamp from the control of the government, while some will say let us investigate our boss. Various forms of disputes will happen, but if people pray for these States, I will destroy the secret covenant.** It is certain people that intend to muddle the government and they are fanning meaningless fire by giving money to certain people in order to ruin their governments. Behold, they have forgotten that money will finish and it will remain a good reputation.

Thus says the Lord: **All these governors must not slumber spiritually, so that their governance will not become trivialized in a manner that will make them to make harsh comments that can make the youths to protest/demonstrate, and it will result in hurt/harm and defamation, as from January till March 2021;** in those aforementioned States.

Pray for Amotekun:

Thus says the Lord: People should pray for Yoruba security outfit named Amotekun, because certain children of hell wanted to join Amotekun. **If the leader of Amotekun is not prepared and if Amotekun is not vigilant, the organization/outfit will be trivialized in 2021. Certain people among the Amotekun will turn themselves to terrorists.**

Thus says the Lord of hosts: Inform the members of Amotekun not to sleep deeply; let them wake up from their slumbering. **They should perform their duties with the fear of I, the Lord and be battle-ready because of the hosts of hell, who are the herds-men and the assassins, because they have penetrated Yorubaland to torment people with no one who will hold them accountable.**

Thus says the Lord: **There is nobody that sheds blood or use power over others that I the Lord will not judge in 2021.** There is no powerful being that the hand of I the Lord cannot come upon severely.

Thus says the Lord: **A disease that is more deadly than COVID-19 is already in the country.** This disease is very acute and it is around; **before it becomes widespread/entrenched in January and February 2021;** so people should cry out to I, the Lord concerning this disease. The hand of the angels will be passing by.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of humans to speak to everyone. Mankind should listen to, I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.

Numbers 23:19: “God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
