“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

Introduction

Thus says the Lord of hosts: I am the Lord God of hosts and I do not change. The hour will come when people will not be able to listen to the truth anymore and whatever that they have received is what will edify them. The hour will come when true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him (**John 4:23**).

Thus says the Lord: The God of hosts who is the God of the Hebrews. I do not change, says the Lord, and Jehovah Adonai is My name. I am the One who is speaking in the flame of fire. I am the only God that My understanding is beyond and surpasses that of humans. Also I the Lord God of hosts is not the age mate of anyone or the age mate of the ancestors of humans.

The President:

Thus says the Lord: **He should not listen to bad and inappropriate advice of the people who surrounded him; who are muddling up his government. He should listen to the advice of the religious advisers, those who are ministers of I the Almighty God; in order to guide his government, because his own wisdom alone cannot accomplish the goal,** so that he will have glorious joy to finish his tenure, so that his journey will not be ruined, says the Lord God of hosts.

Thus says the Lord of hosts: I cry out for the second time that Aso Rock needs prayer in January 2021, **starting from January 19th until March 27th, 2021 the issue of Aso Rock needs prayer and supervision.** The looming crisis will burst; and it is a great misunderstanding that can destroy great things. People should assist Aso Rock with prayer, because ‘Obedience is better than sacrifice,’ so that mysterious events that are meaningless will not happen. **It is important to pray for Aso Rock, so that the event that will hurt the Nation and make Nigerians abroad to be afraid will not occur.** For this reason, people should assist the officials of Aso Rock Villa with prayer; starting from the President, Vice President, to the secretaries, and the cabinet members. Thus says the Lord: **Some people are bent on ruining their governments and causing chaos. They are presently taking steps to achieve this goal**, and I have previously sent messages to these Governors to inform them that **between January and March 2021; the step will be severe**, but if they are filled with the understanding of I the Lord and prayer, and if they make I the Lord their Alpha and Omega; **if they do not lean on their own understanding or get involve in idolatry; then they will become victors**. However, if they turn a deaf ear to the messages of I the Lord that I have sent to them in the past and the one that I sent to them to be vigilant and ready with wisdom and understanding. **During the first three months of this year, they need the wisdom and understanding of I the Lord. They need knowledge, intelligence and vigilance; because those who wanted to ruin their governments are not handling the issue with levity**. They should think that it is prayer that exalts a Nation, so that they will not overturn the people that surrounded them. Therefore, **they should not sleep spiritually, says the Lord God of hosts; so that their government will not be trivialized between February and March 2021**.

Thus says the Lord: They should be agile during this period, says the Lord. I the Lord wants to walk, and pass through these States, says the Lord God of hosts.

For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.
