“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are* bound..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

### Introduction

Thus says the Lord God of hosts: My kingdom is truthful and I do not change, says the Lord God of hosts. I am the God that bears I AM and I do not change, says the Lord God of hosts. The God Jehovah is My name. This world will pass away, but not an iota of My word will go unfulfilled, says the Lord. The God Jehovah Yaweh is My name. I descend; I enthrone and pass through this vicinity. I observe this world and everything from the throne of I the King of kings and I am moved to tears.

Thus says the Lord of hosts: Behold, My kingdom is truthful. I descend, says the Lord. I do not change like how humans change. I the Lord is truthful and righteous. I am the God of the Spirits of your forefathers. I enthrone, says the Lord and I hold captivity captive, says the Lord God

of hosts. Concerning My people in this world, son of man, is there any assurance for you who called yourselves useful tools that when I return to this world, will I meet Christianity faith?

### **The ship of Christianity:**

Thus says the Lord: **The people who are controlling the spiritual ship of Christianity are poorly controlling the ship or abandoning it?** Why is it that those that I used anointing and the precious Blood to redeem from punishment, the Adversary, and the Accuser, in order to become worthy in My kingdom are turning a deaf ear to the Voice? **Why is it that those who were called turned a deaf ear to My messengers and the messages?**

### **The eyes of the Lord is bitter towards sin:**

Thus says the Lord: **The eyes of I the Lord are bitter towards sin, and there is no one that is perfect except I the Lord alone who is in heaven.** Inform everyone what the Lord is expecting from humans, is abstinence from sin.

## **Messages to United States of America**

### **President Trump:**

Thus says the Lord of hosts: Inform President Trump that power and wisdom of humans is not enough, even the understanding of the powerful people is not enough to prolong his tenure in office. If he cries out for mercy to Me and I deny his request, then he should pack his personal effects and leave the Office of the President; within the seven days that I the Lord intends to work (December 31<sup>st</sup>, 2020 to January 6<sup>th</sup>, 2021).

### **Comments of the two powerful people:**

Thus says the Lord: The two powerful people will comment between January 2<sup>nd</sup> and January 3<sup>rd</sup>, 2021. Then, I the Lord gives this man seven days to pack his belongings from the White House. If he refuses to leave within seven days, did he believe/forget that I raised him for the downfall and upliftment of people?

### **President Trump is the one worthy of the position:**

Thus says the Lord: Though Trump is the one that is worthy of the position, but, due to his incautious attitude to underestimate his opponent. He followed the advice of people with terrestrial power; he has forgotten that I the Lord was the One who installed him in that position. The leaders of Christianity are not happy that President Trump lost the Election. I am the Lord God of hosts, and I do not want anything to be done with force.

### **President Trump should congratulate President-Elect Biden:**

Thus says the Lord of hosts: If I the Lord does not send any new messages by January 2<sup>nd</sup>, 2021; when these two powerful people deliver their speeches on January 3<sup>rd</sup>, 2021, then he should congratulate his opponent with a smile and joy. If President Trump refuses to do this, then he will be removed from the Presidential Seat with a severe hand. This will make him to be dishonored in the Nations throughout the world.

### **President Trump may be imprisoned:**

Thus says the Lord: If he refuses to follow the instructions of I the Lord to concede the result of the Election and congratulate Biden, then he

will be investigated and he may be imprisoned for his past activities that I the Lord had previously forgiven him. He will be investigated and it may lead to imprisonment. It is better for him within the next seven days when these two people make comments, for him to gladly gather his belongings and depart from the White House. Then, I the Lord will descend into America and I will pass through all the locations, says the Lord God of hosts.

### **President Trump should leave the office peacefully:**

Thus says the Lord: If these two people don't make speeches or declare him as the winner of the Election, he should vacate the seat. However, if these two people make comments that they support his government, and he should continue with governance, it means that I the Lord heard his cry for mercy. If he refuses to obey My instructions or ignore I the Lord; "it is good for a king that is asked to leave the throne to leave peacefully, than for the king to be disgraced." He should not forget the case of President Jonathan of Nigeria that I gave him seven days to vacate the Presidential Villa; he left the Villa before seven days. So, also do I direct Donald Trump, says the Lord God of hosts. I Am who I Am, I will not give my glory to any other person.

### **The eye of God may turn against President Trump:**

Thus says the Lord of hosts: If Trump takes these steps, there is mercy on My throne that I can utilize to deliver his administration. But if he refuses to make amendments, then the eye of I the Lord will turn against him, and I the Lord will not look at him with a favorable eye anymore. I the Lord will turn My back on him and this will lead to misunderstanding between him and his wife. This issue will also lead to misunderstanding between him and his son-in-law and this issue

may likely cause separation between Trump and his wife. Therefore, he should quickly take the steps, says the Lord God of hosts.

### **Messages concerning South Africa**

Thus says the Lord of hosts: Send an announcement to South Africa that **all the pastors that are deceiving people in this Nation should change.**

### **Messages concerning Zambia and Ghana**

Thus says the Lord of hosts: Send announcement to Zambia, Ghana and all the Nations that have vocal Christians; for people to change, because I the Lord do not want the death of sinners, but for the sinners to change. **The messages that I sent to the religious leaders in Nigeria** should be sent to all the Nations of the world, says the Lord God of hosts.

### **Kings/Monarchs throughout the world**

Thus says the Lord: I caution all the Kings/Monarchs throughout the world, including Queen Elizabeth, Prince Charles, the King of Saudi Arabia and all the Monarchs around the world, together with all the Kings in this Nation (Nigeria). If they refuse to take steps of repentance and fear of I the Lord; if they fail to abstain from bloodshed, and using force to make people to worship; if they refuse to care for the widows and orphans; if they fail to stop using humans for rituals to prolong their lives, and using human blood for sacrifices; behold My messenger, thus says the Lord: **I will send down My wrathful hand. If they refuse to take rectification steps within the next three months, I the Lord will make a severe hand to descend upon them.**

## Messages concern the Nations of the world

### The great revolution and resolution:

Thus says the Lord of hosts: There will be a great revolution and a great resolution within the next three months. The revolution will cause calamities because I will use a severe powerful hand, while resolution will bring succor to the people.

### People have abandoned the Holy Spirit:

Thus says the Lord of hosts: **Why is it that people are not regarding I, the Lord God of hosts anymore? They have abandoned the Holy Spirit; and members of various churches are disrespecting the Holy Spirit.** Different categories of people in numerous churches are not regarding the Holy Spirit with great respect. The Holy Spirit is valueless before the members/congregations of many churches. People are not honoring I the Lord Myself anymore. Why is it that the darkness is not regarding the greatness of the name that is above and superior to all other names? Why is it that the darkness is not valuing the name that surpasses every name and greater than all other names?

### Severe Judgment is coming on those who are selling their callings:

Thus says the Lord of hosts: I will bring a severe judgment on the people that turn a deaf ear to the truth. **The people who are selling their callings to feed themselves, and those that have used their callings for ritual purposes will witness severe judgment.** The people who have thrown away their callings will be judged severely in 2021.

Thus says the Lord: **If they refuse to take these steps according to My instructions within three months, then, this severe hand of judgment is coming. I the Lord is the One who owns them and their existence. I will come like a thief in the night.**

### **The Evangelists throughout the world:**

Thus says the Lord: If all the evangelists that I have called throughout the world refuse to speak the truth; son of man, severe judgment is coming on them. Behold, I am a Jealous God, that visits the iniquity of fathers on their children to the fourth generation **(Exodus 20:5).**

### **The Christian leaders throughout the world:**

Thus says the Lord: **It is a pity; who are those that I will utilize? Who are those that will deliver My messages? Who are those that will speak the truth?** Son of man, all the Christian leaders throughout the world, **if they refuse to speak the truth, My judgment will come upon them and into their lives:**

- If they refused to cater for the needy.
- If they fail to care for the Beloved who are working for them.
- If they refuse to teach the sheep that surrounds them, and those that are following them, the Word of Salvation.
- If they fail to nurture the Levites that are working in their Churches.
- If they refuse to speak the truth to their congregation in order to repent.
- If they fail to teach their members the difference between the darkness and the light.

- If they refuse to fly the flag of I the Lord.
- If they fail to plant the tree of the fear of I the Lord in the lives of people.
- If they refuse to speak the truth to the people that are governing the Nation, and those that are in control of the administration of governance.
- If they fail to speak the Word of Salvation, Word of Humility, and Word of Edification.
- If they refuse to evangelize/proclaim that the kingdom of God is at hand.
- If they fail to remember the widows who are suffering.
- If they refuse to cater for the orphans.
- If they fail to be merciful to those who need mercy in their Churches, or those working under their callings.
- If they refuse to take care of the pastors/priests that are full time workers of the church.
- If they fail to realize that everything they have is vanity.
- If they refuse to acknowledge that this is the End-time, and I am expecting End-time Crusade from them.
- If they fail to cry out to the world and the hosts of hell, that God who owns the earth and heaven is coming back.
- If they refuse to believe that the coming of I, the Lord is at hand, and time will come when true worshippers will worship the Father in truth and spirit.
- If they fail to announce that the wrathful hand of I the Lord is coming to all the Nations upon all those who have reproached the truth.
- If they refuse to speak the Word of testimony of the angels to those who are turning deaf ears.

- If they fail to take the steps that I the Lord is expecting, which are preaching, repentance and departing from nauseous way by returning to the Large House that I the Lord appointed.
- If they refuse to wake people from their slumbering, because I the Lord is expecting the End-time Revival in their Churches and throughout the world.
- If they fail to speak the truth to their Congregations in order to repent according to the messages sent to the Church of Sardis, the Church of Philadelphia and the Church of Ephesus that was sent to these people.

Thus says the Lord of hosts: These people are the following: The first person is Benny Hinn.

### **Messages to Pastor Benny Hinn (USA):**

Thus says the Lord: I want My truthful word to his congregation and all the ministers of God. Explain the aforementioned messages to him to speak the truth for salvation of those who have itching ears; and for the gluttons/corrupt people; and for those who are selling their callings to feed themselves; and for those who are not speaking the truth. **If he refuses to speak this truth, I know his infirmity/weakness, and he should also remember that I the Lord owns the control of his life; and I owned his existence.** Hence, he should believe that he does not have power over his soul; therefore, **he should speak the truth so that I the Lord will overlook his mistakes.**

Thus says the Lord of hosts: He should speak the truth during this period, in order to count his work worthy. **Because those that he perceive as ministers of God have overturned his work, and they have told lies to deceive thousands of people; and I the Lord is**

**not pleased.** I want his humility; he should speak the truth and evangelise the word of salvation throughout the four corners of the world. **If he can do this, then, I the Lord will be pleased to use mercy to accept his work; and tell him that the Glorious Home is important for him, so he should come and rest.**

Thus says the Lord: **If he refuses to speak the truthful words, son of man, the hand of My judgment will come upon many people in 2021 including him.** Behold, I am coming quickly, and My reward is with Me, to give to everyone according to his work (**Revelation 22:12**). He should remember that I am the One who created his soul and existence. **I have the power to ask for his soul at any time** and there is no powerful being that can stop or obstruct Me. He should wake up from his slumbering and he must not sleep spiritually, but be at alert.

### **Messages to Pope Francis (Rome):**

Thus says the Lord of hosts: Inform Pope Francis that during **this hour I the Lord is not pleased with him.** Let him know for sure that, why is he afraid of human that can kill the body but cannot kill the soul? **Why is it that I am warning him and he failed to follow My instructions because of vain humans?** Why is it that he refused to follow the statutes that I gave to him? I the Lord give him time to quickly take step of rectification; and step of humility, and step of repentance, and the step of his positive change by speaking the truth during this period.

Thus says the Lord: I do not want the death of the sinners, so he should cry out in the Church that I installed him to govern. **He should proclaim to the entire Church (Catholic Church) that the eye of I the Lord is bitter towards sin, and I the Lord am not pleased with**

some of the leaders of the (Catholic) Church that I put him (Pope) in charge, that are destroying Christian religion. The leaders of the (Catholic) Church from France, Spain, Rome and African countries are the worst. These leaders are pursuing posts/positions and they have forgotten the Eternal Resting Place that they did not work for. They have begun to ruin their eternal rest.

Thus says the Lord of hosts: Notify him that if he refuses to take steps, the post/position will be taken away from him, and the post will be given to his neighbor who is better than him. If he refuses to take steps of rectification, the government will be taken away from him in 2021.

**expecting the rectification of all the leaders of the Churches and all the religious leaders. They should change and turn to Me, says the Lord God of hosts.**

### **Stop transgender activities:**

Thus says the Lord: I do not want the death of sinners, but for the sinners to repent. **I do not support any form of transgender activities (sex reassignment surgery) whereby a male is changed to a female, or a female is changed to a male. I will not remember their sacrifices and good works anymore.**

Thus says the Lord: After the judgment, I am the One who has power on the control of their souls, so they should take the steps of rectification immediately.

**Pastor Adeboye should take care of Pastor Akindayomi's children:**

**Pastor Kumuyi of Deeper Christian Life Ministry:**

#### **Misunderstanding and confusion in many States:**

Thus says the Lord: Lagos State, Oyo State, Ondo State, Ogun State, Bauchi State, Kano State, Kaduna State, Kogi State, Edo State, Imo State, Enugu State, Bornu State, Sokoto State, Rivers State.

Thus says the Lord: There will be a great challenge that will cause confusion from the office of the Governor to the Chief of Staff office that will involve the House of Assembly and extend to the offices of the Commissioners. **This is what will cause misunderstanding in the political party that will lead to seeking the life of one another for harm/death through hired assassins and kidnappers. This is what will cause certain disputes that can make the lives of the politicians to be shortened.**

Thus says the Lord of hosts: **These States need prayer during this period; else some Governors will not be able to finish their tenure.** **Some mysterious events will happen that will make people to be alarmed in a manner that will make the party leaders to be shaken and afraid.** This misunderstanding will be very severe. I have previously sent messages to them to pray fervently because **their governments will be shaken between January and March 2021.**

Thus says the Lord: **This incident will bring a great misunderstanding that will cause a serious confusion. Some members of the party will decamp from the control of the government, while some will say let us investigate our boss. Various forms of disputes will happen, but if people pray for these States, I will destroy the secret covenant. It is certain people that intend to muddle the government and they are fanning meaningless fire by giving money to certain people in order to ruin their governments.** Behold, they have forgotten that money will finish and it will remain a good reputation.

Thus says the Lord: **All these governors must not slumber spiritually, so that their governance will not become trivialized in a manner that will make them to make harsh comments that can make the youths to protest/demonstrate, and it will result in hurt/harm and defamation, as from January till March 2021; in those aforementioned States.**

### **Abuja and other States:**

Thus says the Lord: As from January 2<sup>nd</sup>, 2021 until February 29<sup>th</sup>, 2021, Abuja will be a little bitter. Abuja, Nassarawa and Minna will be a little bitter. Katsina too will be a little bitter. People should pray against terrorist activities in these States.

Thus says the Lord: **People should pray to I the Lord to stop the hand of severe wrath, and the terrorists who can harm the souls of people of these States; and also pursue the lives of the people in positions of authority in the States.** People should pray fervently concerning this issue.

## **Attorney General and Minister of Justice:**

Thus says the Lord: **He should be prayerful concerning those who may like to ruin his governance**, in a manner that can make something that has never happened before to occur. Those who can tell him that they want certain laws, and **this may lead to the examination of the Constitution of Nigeria between January and February 2021. Beginning from March till April 2021, certain things may be amended in the Constitution of Nigeria which will harm/hurt the future of the youths.**

Thus says the Lord: The Attorney General should be filled with wisdom, understanding and power during this period. He should seek the people who are filled with the Holy Spirit to ask for guidance from them, **because if he utilizes his own wisdom, he will be removed from office in February 2021. However, if he applies the wisdom of I the Lord, I will destroy the scheme.**

## **The 2023 Presidential aspirants:**

Thus says the Lord: It will be good if the 2023 aspirants inquire from I the Lord. **Some of the aspirants that people wanted to disgrace were advised to contest for the Presidential position.** Some will contest but they will not get anywhere. **The person that I the Lord will install on the Presidential seat is yet to decide, not to talk about printing posters, because it is not the course that people expect that I will take, but the way that people least expect.**

Thus says the Lord of hosts: The people who desire to contest for the Presidential Election from the Igbo people will have difficulties, **due to disputes and misunderstanding that will make those that they intended to nominate to be unsuccessful because of discord.**

Behold, **those that the Yorubas wanted to nominate will sabotage one another; thereby causing the downfall of one another, and there will be lack of unity.**

Thus says the Lord: **Some people will rise in the northern part of the country, but they will not be united. Some people will rise from the middle belt, but they will lack a united front. All these events will continue to happen from January until June 2021. These events will cause a great confusion; some of these people will pass away while some of them will be investigated to expose all the wicked things that they have done secretly.**

Thus says the Lord: **Neither stubbornness nor money can achieve this feat. I, the Lord alone knows and controls the 2023 Presidential Election. I the Lord Myself is the One who will bring out My Beloved that will succeed, and he will govern Nigeria by taking the Nation away from spiritual slavery to the land of fulfilled liberty/independence.**

**The person that will be the President of Nigeria:**

Thus says the Lord: I the Lord is presently working on the person that I will utilize as the president. Behold, the person is in their midst, but he is yet to decide. Behold, the Beloved who will take Nigeria away from governance of slavery is coming. I, the Lord will take a course that is least expected by the politicians.

**God will pass through the Nation:**

Thus says the Lord of hosts: My powerful hand will pass through the Nation because I the Lord is not pleased with bloodshed. Humility and positive change of the country is what I the Lord is expecting. **Some**

**people will be deceiving and giving the political aspirants false hope in order to disgrace them.**

Thus says the Lord: **Many of the political aspirants will be investigated and disgraced.** It is better if these people ask for guidance from I the Lord and ask that, ‘Lord who do You want to install?’ and ‘who do You want to govern Nigeria?’

Thus says the Lord of hosts: **I the Lord will pass through Nigeria within three months; if the rectification takes place, Nigeria will rise again, and the economy will be buoyant.**  
**The secret meetings will be destroyed:**

Thus says the Lord: **All the secret meetings and meaningless private assembly that can hurt/harm the future of the youth will be destroyed.**

**The youths will be raised in 2021:**

Thus says the Lord of hosts: **I will raise the youths, and the youths will be assisted in 2021. The youths will be empowered, so people should pray fervently for the youths in the country.**

**Pray for Amotekun:**

Thus says the Lord: People should pray for Yoruba security outfit named Amotekun, because certain children of hell wanted to join Amotekun. **If the leader of Amotekun is not prepared and if Amotekun is not vigilant, the organization/outfit will be trivialized in 2021. Certain people among the Amotekun will turn themselves to terrorists.**

Thus says the Lord of hosts: Inform the members of Amotekun not to sleep deeply; let them wake up from their slumbering. **They should perform their duties with the fear of I, the Lord and be battle-ready because of the hosts of hell, who are the herds-men and the assassins, because they have penetrated Yorubaland to torment people with no one who will hold them accountable.**

Thus says the Lord: **There is nobody that sheds blood or use power over others that I the Lord will not judge in 2021.** There is no powerful being that the hand of I the Lord cannot come upon severely.

### **Pray for the people in position of authority:**

Thus says the Lord of hosts: Pray for the people in positions of authority.

### **Demise of one Ex-President:**

Thus says the Lord of hosts: Pray for the Ex-Presidents because **one former President will die and his death will shake everybody, his death will make everyone in Nigeria to tremble.** People should pray for the former Presidents for I, the Lord to preserve them, so that they will live to see the rectification of Nigeria.

### **A famous king will pass away:**

Thus says the Lord: **A prominent King will die, and his death will make all the kings to be fearful.** People should pray so that I the Lord can forestall this deadly incident.

## **A severe disease is around:**

Thus says the Lord: **A disease that is more deadly than COVID-19 is already in the country.** This disease is very acute and it is around; **before it becomes widespread/entrenched in January and February 2021;** so people should cry out to I, the Lord concerning this disease. The hand of the angels will be passing by.

I am the Lord, I do not change. I created the heights and plains; all power belongs to I the Lord. Peace be unto you.

**Ezekiel 33: 1-11:** Say to them: ‘As I live,’ says the Lord God, ‘I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.’

**Numbers 23:19:** “God *is* not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
