“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord of hosts: I am King who created a path where there is none. My name is God Jah and I pass through this vicinity. Behold, greatness is My power, I descend, says the Lord God of hosts. I created the heights and the plains, and all power belongs to I the Lord. My kingdom is truthful, and I pass through this location and the vicinity, says the Lord.

Messages to the Nations of the World

Judgment is imminent in the world

Thus says the Lord: The unforgiving eye is about to pass through the Nations of the world. I, the Lord, wants to send My angels out to pass

through every location; because people have sinned against the Holy Place, and they have stepped on the spiritual garment of callings.

Messages concerning Nigeria

Nigeria needs prayer:

Thus says the Lord of hosts: This country Nigeria, presently needs prayers and supervision. She needs prayer and security.

Tribal and religious wars will worsen:

Thus says the Lord: I had previously warned concerning tribal war and religious war. I, the Lord, mentioned that tribal and religious wars will start rising from April 2022. By June 2022, it will be powerful and in July 2022, it will become what people will be running helter skelter. By August 2022, it will become an issue that will make people afraid to worship God. In September 2022, it will be a scenario of people arming themselves for battle. By October 2022, it will become a situation of “if you cannot escape, move aside and don’t obstruct me.” In November 2022, it will become a case of “where else can we escape to for safety.” By December 2022, it will become an issue of “If we cannot move forward, we should retrace our steps.” Everyone will be going to their birth place or tribal land.

Foreigners who are terrorists are already in Nigeria:

Thus says the Lord: I laugh at many people presently; most especially the politicians who did not think that their future is in bondage. I had previously mentioned that people should assist this Nation (Nigeria) with prayers because many foreigners who are terrorists are already in the country. These foreign terrorists are making people to weep by force due to their acts.

Terrorists have surrounded Lagos State:

Thus says the Lord: The terrorists have surrounded the whole of Lagos State. They have surrounded all the local government's locations in Lagos State and there is no one who can stop them.

Tragic event is about to start in Lagos State:

Thus says the Lord: Many people will like to leave Lagos State from July 2022 until November 2022: because the type of tragic events that have happened in Katsina State, Niger State, Kaduna State, Sokoto State, Imo State and Edo State; are about to occur in Lagos State.

Thus says the Lord: Lagos State should not sleep heavily; because Lagos State needs adequate security.

Time to fight for freedom and defend your domain:

Thus says the Lord: Son of man, this is the time for everyone to defend themselves and fight for their freedom; because presently; bloodshed is too much in the country Nigeria.

Nigerians abroad will not come home due to bloodshed:

Thus says the Lord: Nigeria needs supervision, and the Nigerians in diaspora will not like to come home (to Nigeria) from November 2022. November and December 2022; including January 2023. These three months are months of great bloodshed. People will be crying in several cities across Nigeria. The bloodshed will be predominant in fifty-two (52) cities.

Politicians will be trivialized unless:

Thus says the Lord: I have previously warned the politicians that if I the Lord does not speak, whoever uses force to contest; even if such a person is given the crown; he/she will be trivialized, says the Lord God of hosts.

Politicians forgot that God owns the future:

Thus says the Lord: Many politicians are pursuing contesting for the election; but they have forgotten that I the Lord owns the future. These politicians have forgotten that a foolish person is amassing wealth without knowing who will utilize and enjoy the wealth.

The political aspirants must ask for guidance else:

Thus says the Lord: Let the political aspirants ask from I, the Lord that, "Lord shall I contest for a political position?" Whoever does not hear the voice of I the Lord; if such a person contests, he/she will be disgraced, says the Lord. Because, if I the Lord does not send someone to perform a task; if such a person performs the task by force; the person will be disgraced.

Many nominated politicians may not survive this year:

Thus says the Lord: Many of these politicians are thinking that they will be the ones who will govern/rule the people; whereas the heavens do not nominate them, not to talk of partaking and having a portion in the joy of the upcoming Year (2023).

Politicians who conceal their evil deeds will be disgraced:

Thus says the Lord: Son of man, those who conceal their nefarious activities; in a manner that makes them invisible for people to see their evil deeds; will be disgraced, says the Lord of hosts. These politicians will not be able to contest for gubernatorial or presidential Election anymore in Nigeria.

What will happen in SDP and APC?

Thus says the Lord of hosts: The way the politicians think concerning SDP and APC is not what I the Lord will do. It is the course that they least expect that I the Lord will take between today and Saturday (June 11th,

2022). Because the thoughts of the politicians are not My thought, says the Lord, and their way is not My way.

Resend My previous messages to the Governors:

Thus says the Lord: Did I send you to Obaseki the Governor of Edo State or not? Yes, Lord, you sent us with Your messages to Governor Obaseki. Did you deliver My messages to Sanwo-Olu the Governor of Lagos State? Yes, Lord. My messenger, did you deliver My messages to the Governor of Ekiti State? Yes, Lord. Did you deliver My messages to the Governor of Ondo State? Yes, Lord. Did you deliver My messages to the Governor of Kwara State? Yes Lord, Your messages were delivered. Did you deliver My messages to the Governor of Ogun State? Yes Lord. Did you deliver My messages to the Governor of Osun State? Yes Lord, we delivered Your messages to the governor of Osun State. Did you deliver My messages to the Governor of Delta State? Yes Lord. Did you deliver My messages to the Governor of Kogi State? Yes Lord. Did you deliver My messages to the Governor of Sokoto State? Yes Lord. Did you deliver My messages to the Governor of Niger State? Yes Lord, Your messages were successfully delivered. Did you deliver My messages to the Governor of Kaduna State? Yes Lord. Did you deliver My messages to the Governor of Kano State? Yes Lord. Did you deliver My messages to the Governor of Nasarawa State? Yes Lord, we delivered Your messages to the governor of Nasarawa State. Did you deliver My messages to the Governor of Bayelsa State? Yes Lord. Did you deliver My messages to the Governor of Rivers State? Yes Lord. Did you deliver My messages to the Governor of Imo State? Yes Lord, Your messages were successfully delivered. Did you deliver My messages to the Governor of Benue State? Yes Lord. Did you deliver My messages to the Governors of Katsina and Borno States? Yes Lord, we delivered Your messages.

Thus says the Lord of host: My messenger, resend My previous messages to all these Governors. Inform them that the Lord says, they should act according to My instructions, and I am expecting certain steps from them; so that tragic events will not happen in their States. My messenger, resend My messages to the States that I had previously sent messages to.

The Beloved will win the Election if:

Thus says the Lord of hosts: I have discussed with My Beloved to be prepared to contest in the Election; because the tears of the Beloved are too much in My presence. However, if I the Lord do not judge these hyenas who call themselves politicians; they will not allow My Beloved to win the Election.

There will be no Election if bloodshed progresses:

Thus says the Lord: In addition, if bloodshed progresses, there will be nothing called the Election in 2023. Unless the politicians change and stop the bloodshed, there will be no Election in 2023.

The brave people of Christianity are being condemned:

Thus says the Lord: Son of man, behold, I am concern; for the second time I am concern and I am concern for the third time. What is My concern, My messenger? It is the charges of the spiritual petitioners that are bringing charges against brave people of Christianity on a daily basis. The spiritual petitioners are saying, 'Lord these people are not worthy; because they have put a stumbling thing before themselves.' These people have sold the Glorious Home; their eternal resting place.

The powerful and mighty of Christianity are falling:

Thus says the Lord: Son of man, look at how the powerful are presently falling, and the weapons given to them are perishing with them. My kingdom is truthful, says the Lord God of hosts.

Christianity needs supervision; bloodshed increases:

Thus says the Lord: Behold, the issue of Christianity needs supervision. The tears of the Beloved are very much in My presence. My messenger, bloodshed increases on a daily basis; Sodom and Gomorrah did not commit atrocities of the level of what is happening in the world today; before I the Lord destroyed these cities.

The eye of God is better towards the religious people:

Thus says the Lord of hosts: Why is it that bloodshed is rampant in Nigeria. Behold, My messenger, the eye of I the Lord is bitter towards all the people who called themselves the religious people; either it is Christianity, or it is Islam, or traditional religion.

Power of God has abandoned the religious leaders:

Thus says the Lord: Behold, I really pity the people that I gave the seals to use might and power to release humans from bondages. They misused the power; therefore, the power left them.

The pastors are corrupt and they have sold their future:

Thus says the Lord: My messenger, bloodshed is too much; corruption and gluttony behavior did not allow the pastors to be wise. These pastors have stepped on the spiritual garment of glorious calling, and they have sold their future.

The Christians are not influential anymore:

Thus says the Lord: Didn't I warn people previously by sending My messages? Yes, Lord, You have sent messages in the past to warn the Christians that if care is not taken the Christians will not be influential in Nigeria anymore.

Certain people do not want the existence of Okikijesu:

Thus says the Lord of hosts: Certain people are looking for ways to use trump-up charges and false allegations to arrest Okikijesu. These people are saying, "As long as Okikijesu is alive; he will expose all the ways that we intend to use to make Yoruba land desolated, and turn the Igbo tribe to slaves." Okikijesu will divulge these secrets; it is for this reason that they are looking for any false charge; in order to know how to deal with him.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of human to speak to everyone. Mankind should listen to, I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.

Ezekiel 33: 1-11: Say to them: 'As I live,' says the Lord God, 'I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.'

Numbers 23:19: "God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?"
