“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord of hosts: Son of man, Jehovah is My name. My messenger, I descend into this location and greatness is My power. I look up and down; My power is considerable and significant. I am God of the Spirit of the Hebrews, who is the God of your forefathers. Son of man, behold, I have created heaven and earth; all power belongs to Me.

Messages concerning Nigeria

Protection is lost in Nigeria:

Thus says the Lord of hosts: Write it down, this period, the foreigners will come into this Nation (Nigeria) from October 2022 until November 2022.

Behold, they will fill the vicinity of the residence of the populace. Therefore, Nigeria needs security and prayers; because protection is lost in Nigeria.

Nigeria needs adequate security:

Thus says the Lord: Behold, My messenger, Nigeria needs adequate security during this period.

The politicians are not immune:

Thus says the Lord: The politicians who sent their children abroad, whereas they are governing Nigeria; they have forgotten that there is nowhere that the air cannot reach. Each and everyone of them should pray; so that it will not turn out to be a forceful governance that can hurt/harm their families that is coming, in the journey of the country (Nigeria).

The Nations troubling Nigeria will be judged

Thus says the Lord: The messages that I sent have been coming to pass. Write this period down, My forceful hand will pass across again on the Nation that troubles Nigeria. The hand of my judgment will pass upon the Nations that are troubling Nigeria.

Those delivering false messages will be judged:

Thus says the Lord: The people who are delivering false messages due to their greed, when I the Lord did not send them will be judged severely.

Many Kings will be ridicule and trivialized:

Thus says the Lord: Behold many Kings/Monarchs will be ridiculed and trivialized before the Election Day. Write it down My messenger.

Many political aspirants will not progress:

Thus says the Lord of hosts: I really pity that many of the political aspirants will not have the strength to progress; because their issues need supervision.

Aspirants who falsely claimed I instructed them to contest:

Thus says the Lord: I instructed you to tell those who proclaimed that I the Lord directed them to contest in the upcoming Election. These people should read My messages carefully for the second time. Do I the Lord support corruption, or things that can harm others, and bloodshed? I, the Lord, do not support evil and wickedness.

Thus says the Lord of hosts: All the aspirants who have lost the fear of I the Lord will strive, but they will not win the Election.

Thus says the Lord: I had previously sent messages that people should pray for the hand of I the Lord to work in this country (Nigeria) so that the will of humans will not come to pass.

Political parties will break into factions:

Thus says the Lord: My messenger, I have previously sent messages that the political parties will break into many factions before November 2022; go and check the previous messages.

Thus says the Lord: I have previously sent the messages that if there is lack of unity among the members of PDP, they will lose positions. If there is no unity among the members of APC they will lose positions, and the party will be fragmented into many factions before the Election Day, and they won't have the benefit to be united with one love.

The Governors will be taking swipes at one another:

Thus says the Lord: Several Governors will be taking swipes at themselves because of the upcoming Election. Son of man, I have previously sent these messages through you to warn these people.

Thus says the Lord of hosts: It is a pity that these four groups of people will refuse to comply, and the eyes of the people will be bitter from October 2022 until January 2023. What eye is bitter My messenger? Go and check the prophecy that I instructed you to send to several Nations.

No Election if bloodshed persists:

Thus says the Lord of hosts: I have previously warned that if people refuse to abstain from bloodshed and wasting one another's lives; I repeat one more time, the Election will not take place in February 2023 as scheduled, if bloodshed continues

Looming crisis will burst and Election will be postponed:

Thus says the Lord: Many people that are pursuing to witness the Election Day will not have the benefit to see that day. A looming crisis will burst that will make the Election to be postponed.

Misunderstanding during the Election:

Thus says the Lord: Also, certain secrets will be exposed from September 2022 until November 2022 that will bring disputes concerning the 2023 Election which will make some people to demand that the Election should be canceled; while certain people will say the Election will not take place; while others will be saying "what can we do?" Various types of misunderstandings will happen because several secrets will be exposed and concealed steps will be exposed.

People will vote for names not party during the Election:

Thus says the Lord: Behold My messenger; if I, the Lord permits the Election to take place in 2023; people will not vote for political parties, instead, they will vote for names.

My messages have come to pass:

Thus says the Lord: About eighty percent (80%) of the prophecy that I sent to the world through My prophet has come to pass; so be vigilant and send the fulfillment out before false prophets start stealing your prophecies.

The Presidential aspirants:

Thus says the Lord of hosts: Those that are nominated by their political parties to contest for the presidency, who are proclaiming that the Lord sent them on an errand. The man whose name is Obi, and Abubakar with Asiwaju Tinubu; it is better if these three people think deeply and ask for guidance from I the Lord that, "is it true that I the Lord asked them to contest?"

Thus says the Lord: These people must realize that if it is the foreknowledge of I the Lord, they will be successful; however, if it is not the foreknowledge of I the Lord; these people will make efforts that will yield no positive result.

It will become evident if the Beloved is among these men:

Thus says the Lord: If My Beloved is among these three men, it will be clear, but if the Beloved is not among them, within the next four months to this time, the Beloved will appear.

No Election if meetings fail:

Thus says the Lord of hosts: People should pray to comfort the towns of the Nation. They should pray for the North, South, East and West. These

political aspirants (**Obi, Abubakar and Tinubu**) should have meetings with people from the Northern part, the Southern part, the Eastern part and the Western part of Nigeria; If the meetings fail to achieve any concrete goal; then, there will not be an Election, because everyone will put their hands on their chest which means, loyalty to themselves/tribes.

Peter Obi, Atiku Abubakar and Bola Tinubu:

Thus says the Lord of hosts: Send these messages to these three men for them to seek the spiritual face of I the Lord during this period. They should seek the face of I the Lord before September 30th, 2022.

Thus says the Lord: My messenger, send this warning quickly to these people. Inform them to seek the face of I the Lord to direct their hearts/souls. They should ask, “Is it the will of God that I am doing or not?”

Obi, Abubakar and Tinubu will regret their action if:

Thus says the Lord: If these people (Obi, Abubakar and Tinubu) turn a deaf ear to these messages; they will regret their actions and be sorry for themselves, when the time comes. Then they will realize what they have lost financially; so that their failure to be President will not lead to their demise.

The presidential aspirants should not listen to corrupt pastors:

Thus says the Lord: Inform Peter Obi, Atiku Abubakar and Bola Tinubu to seek the people who are filled with the Holy Spirit and ask that “Did the Lord support this step or not?” I have repeated this for the third time. They should not listen to the corrupt pastors that are deceiving them because of financial gains and rewards.

Better to seek guidance than use stubbornness:

Thus says the Lord: It is better for these three men (Obi, Abubakar and Tinubu) to ask for guidance from I the Lord; than for one to use stubbornness to walk the journey.

Misunderstanding will happen between two aspirants:

Thus says the Lord: If these people (Obi, Abubakar and Tinubu) fail to seek guidance; misunderstanding will happen between two of them when love is lost among them; then it is the third one that will be successful; because the third person is loved by countless more than the rest two aspirants.

Election will be postponed:

Thus says the Lord of hosts: I the Lord is not pleased with bloodshed, forcing people to do things and the lives of people that are presently being wasted. These are the issues that will make the Election not take place on the scheduled day.

Thus says the Lord: Son of man, there is no light for the 2023 Election.

Obi, Abubakar and Tinubu should not rely on the unrighteous prayer groups:

Thus says the Lord: Many of the Kings/Monarchs will be trivialized, and if the three presidential aspirants fail to take steps as instructed by September 30th, 2022, misunderstanding will rise. If they fail to seek the people who are filled with the Holy Spirit, if they are adamant because they have prayer groups that are praying for them; they are deceiving themselves.

Thus says the Lord: Remember that the prayers of the unrighteous people cannot deliver the unrighteous. It is only the prayers of the righteous people that can save the unrighteous.

Looming crisis will cause postponement of the Election:

Thus says the Lord: Son of man, many of the things in the darkness will be visible and exposed; that is what will not make the Election to take place. Lots of looming crisis will burst and many secrets will be exposed.

Peter Obi:

Thus says the Lord: Peter Obi will really strive and people will leave several political parties to assist this man. Certain people will donate money to finance his political campaign. However, they won't give him the benefit to come near the top.

Hidden secret will hinder Obi's presidential ambition:

Thus says the Lord: The majority of the populace will even say they want this man; even many of the Hausas will leave PDP and APC to join the campaign of this man. Also, many Yoruba people will follow and join this man; however, many concealed secrets will be exposed that will not allow this man win the Election. Though, he will try hard; but the hidden secrets will stand at the junction that will hinder him from getting to the presidential office.

Atiku Abubakar has confidence:

Thus says the Lord: This man Abubakar has the confidence that he will win the Election. Though it is good; but is it the will of I, the Lord? If it is not the will of I the Lord for any of these three men to become the President of Nigeria. Then a looming crisis will burst and it will prompt My Beloved to show up.

Abubakar will use money to win support:

Thus says the Lord: Certain people will decamp from APC and people from other political parties will join and support his campaign; because he will be generous to them, and he will use money to entice and win them to join his campaign. However, it is a pity that though he will strive and try to

win the Election in every way; because he will win most of the States in Nigeria, but they will not surrender the government to him.

President may not release power to Atiku:

Thus says the Lord: The issue will bring cries/scandal that is similar to that of ex-President Jonathan and Buhari; when the President will refuse to vacate the Aso Rock (the Presidential Villa).

People will betray Bola Tinubu:

Thus says the Lord: This man will take steps and try to win the Election. Though he is confident that he will win the Election; but the people that he relied upon will betray him. I use the greatness of My covenant as a witness; they will betray Tinubu. Though people will collect money from him; still, they will be dishonest with him.

The powerful people will not allow Tinubu to be the President:

Thus says the Lord: The secrets of his past will be exposed. Though, it is good for this man to become the President; however, he will be looking at the Presidential Seat from afar; because these powerful people will not allow him to get to the office.

APC members will desert Tinubu:

Thus says the Lord: Though Tinubu will make efforts, and prayers will act as a catalyst that will propel him further a little but, people will move away from him. The people that he gathered in APC will leave to join another political party.

Tribal issues will ruin Tinubu's plan:

Thus says the Lord: The people that Tinubu relied upon will betray him in a minute; so, what will be the end of all his activities and financial expenditures? Tinubu will make a great effort, but the tribal issues will ruin many of the plans of his political campaign.

People are deceiving Tinubu to achieve their ambitions:

Thus says the Lord: All the efforts of Ahmed Bola will come to nothing; because of the corrupt people who surround this man, and the dishonest people who are deceiving him; in order to achieve their ambitions and aspirations through Tinubu. Send him My messages before he goes too far in this journey; so that he will take these issues into consideration.

Bola Tinubu should not endanger his family:

Thus says the Lord: Notify Bola Ahmed Tinubu that I the Lord cry into his ear for the third time; he should seek the face of I the Lord with a contrite heart. Inform him that I the Lord does not want bloodshed from anyone anymore. The eye of I, the Lord, is bitter towards bloodshed. Tinubu should also be respectful when corrected, and show respect for the messages of I the Lord.

Thus says the Lord: He should seek the people who are filled with the Holy Spirit and not the corrupt hypocrites. He should seek guidance from these true servants of God latest by September 30th, 2022. If he fails to act as instructed; all his efforts concerning his campaign will not yield positive results. Though he will try hard; but they won't give him the chance or benefit to get to the office of the presidency.

Thus says the Lord: They will not fulfill all the promises made to him; however, if he asks for guidance; he will know who to associate with and the people he should be careful to deal with. With guidance, if he realizes that God is not in support; he will not trouble himself in a manner that can endanger his family and cause him the soul(s) of member(s) of his household.

Bola Tinubu should seek the Lord for guidance:

Thus says the Lord: Inform Bola Ahmed Tinubu that he should seek I the Almighty God to investigate the things he needs to know concerning the journey of life and the upcoming Election.

Failure to speak the truth will cause Tinubu's downfall:

Thus says the Lord: Tinubu should speak out the truth that he concealed. If he speaks the truth, there is benefit for him to win the Election, but if he refuses to divulge the truth in his stomach; because of his life and for people not to trivialize him. It is this same truth that people will use to cause his downfall, before the Election comes.

Messages to the Nations of the world

Leaders, be prepared and pray against deadly disease:

Thus says the Lord of hosts: Son of man, pray for the four corners of this world. Inform all the leaders of the Nations of the world, and the people in positions of authority throughout the four corners of the world to be prepared and pray fervently between October and December 2022; so that a disease that is more brutal/severe than COVID-19 will not rise.
