“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

### Introduction

Thus says the Lord of hosts: Son of man, Jehovah is My name. My messenger, I came into this location and greatness is My power. I look up and down; My power is considerable and significant. I am God of the Spirit of the Hebrews, who is the God of your forefathers. Son of man, behold, I have created heaven and earth; all power belongs to Me.

Thus says the Lord: Son man, who is the person that I created in this world that has understanding, and knowledge, and power more than the greatness of My power? Who is the person that is born among humans and the idols on the land; idols in the sea, idols in the granite formation, idols in the trees, idols in the firmament that have understanding, wisdom, authority and power more than the greatness of I the Lord?

Thus says the Lord: Behold, people rely on the power of humans. What is this power of humans? It is the greatness of the people that I sent on an

errand in the world; but refused to perform the assignment, and these people turned their faces against the grace that was used to deliver them. They were then turned to things that people are worshiping; even though they were rejected in heaven, because they do not have glory anymore in heaven. That is what people are holding precious, and they turned them to their gods, in the world.

Thus says the Lord: Have you forgotten in the Book of **Psalm 115:6-10**. Behold, son of man, people are honoring the vanity of the world; things that did not have life; things that cannot smell, and the people who made them are like them; including everyone who trusts in them.

Thus says the Lord of hosts: Son of man; **is there no difference between God and human?** My servant I have previously informed you that the spiritual ship of Christianity is being inverted on a daily basis. **Who are the people who will safely swim to the shore when the ship sinks or overturned?**

### **It is easy to accept God but uneasy to do His will:**

Thus says the Lord: My first question to all humans on earth is that; **when I return, will I meet Christianity faith?** Behold, it is good for a person to receive God, to accept Jesus Christ; but it is not easy for humans to do His will. **It is good for an individual to accept God because of problems. It is good for an individual to accept Christ in order to escape difficulties; but it is not easy for humans to do the will of I the Lord.**

Thus says the Lord: **Why is it that humans lost their first love? What happened that you abandoned your first love? Revelation 2:4. Have you forgotten how you receive the Gospel? Have you forgotten how you heard the Gospel? Revelation 3:3. Have you forgotten how you are healed on that day? Have you forgotten how you are saved from terrestrials' battle? Why is it that people are honoring terrestrial things more than I the Lord?**

## Messages concerning Nigeria

### Three Day National fasting and prayer for Nigeria (Dec 29-31, 2021):

Thus says the Lord of hosts: This Nation (Nigeria) should have a three-day National prayer from December 29<sup>th</sup>, 2021 until December 31<sup>st</sup>, 2021. My messenger, announce fasting and prayer throughout Nigeria, says the Lord God of hosts.

#### Fasting and prayer:

Thus says the Lord: Announce the fasting and prayer to all the States in Nigeria; proclaim the fasting to the Senate and the House of Assembly; notify all the Ministers about the fasting, including those working in Aso Rock Villa; and all the tiers of government structure in Nigeria, including the local governments.

Thus says the Lord: Inform them that I the Lord says, they should find time to fast and pray.

#### Announce fasting and prayer to the Kings and religious organizations:

Thus says the Lord: Notify the Kings/Monarchs about the fasting and prayer. The Christian religious organization should join in this fasting. **They should pray that I the Lord should use a merciful hand to pass through this Nation (Nigeria) until 2022; so that the plot of Satan to use a forceful hand to handle the Beloved will be overturned by I the Lord.**

Thus says the Lord: **This fasting and prayer is very important on December 29<sup>th</sup> until December 31<sup>st</sup>, 2021. Any Governor or King that participates in the fasting and prayer will receive mercy.** If it is possible, all of them should abandon sin, and then proceed to the altar in the churches to praise I the Lord; and humble themselves by rolling on the floor at the altar of I the Lord.

Thus says the Lord of hosts: They should put their administration aside, but repent and roll in the presence of I the Lord in order to exhibit the greatness of My power. They should also thank Me by saying that 'Well done Lord.'

**Notable figures should fast and pray for Nigeria, Aso Rock Villa and certain States:**

Thus says the Lord: Inform all the Governors, the religious advisers, the Senators, the Kings/Monarchs and the people in positions of authority that I the Lord is announcing to them to fast; so that mercy will pass through Nigeria. They should also assist Aso Rock Villa with serious prayers. People should also pray for Katsina State, State, Bornu State (including Maiduguri), Benue State, Niger State and Kano State.

Thus says the Lord: Presently, all the aforementioned States need prayers and supervision. These States need adequate security together with serious prayers.

**There will be consequences if President refuse to take steps:**

Thus says the Lord: They should first pray for their President; but if their President refuses to take steps according to the instructions of I the Lord; then there will be consequences. I am the Lord and I do not change. **I have sent various clergy to the president; still, he did not act on My messages. I have sent various pastors/prophets and Muslim clerics to him, still he did not yield.**

**President should stop listening to dishonest religious advisers:**

Thus says the Lord: **Certain people advised the President not to listen to the messages of I the Lord. Certain religious advisers said that the President should not pay attention to My directives. The President should not utilize the advice of the dishonest religious advisers or people; because the judgment hand of I the Lord will pass through Nigeria.**

### **Judgment will come upon the saboteurs if:**

Thus says the Lord: If the people who are in positions of authority in the Senate, and the serving Ministers take steps to pray and provide security for these States; then the judgment hand of I the Lord will come upon the saboteurs. If the righteous people quickly take steps, they will not share in the punishment of the saboteurs; however, if the righteous refuse to take steps, then they will partake in the judgment of the saboteurs.

### **Time has come for a Beloved to become the President of Nigeria:**

Thus says the Lord: All the political aspirants and those who are secretly vying for political positions; I the Lord did not send them on this errand. The time has come that I the Lord God of hosts will arise; because of the cry of the Beloved, and I will install a Beloved as the President of Nigeria.

### **The would-be President is yet to be revealed:**

Thus says the Lord: The person who will be the President of Nigeria in 2023 is yet to be revealed. All the political aspirants that are making headlines are just playing.

### **Judgment will come on the disobedient:**

Thus says the Lord of hosts: All those who turn a deaf ear to My messages by not giving glory to who is worthy to receive glory. The hand of My judgment will come upon them in 2022.

### **The Beloved will be visited in 2022:**

Thus says the Lord: 2022 is a year that I the Lord will visit the Beloved and many of them will be raised up. I the Lord will make new mysteries to happen in Nigeria.

## **Petroleum products and building materials will be expensive:**

Thus says the Lord: Petroleum products will be expensive in Nigeria in 2022. However, I the Lord will make the Beloved to have enough to cater for their needs. Year 2022 is the year of the Beloved. They will have sufficient because I will change My hand concerning the Beloved. So, everyone should find time for the prayer of the 29<sup>th</sup>, 30<sup>th</sup>, and 31<sup>st</sup> of December 2021.

## **APC will break into four parts if:**

Thus says the Lord: **If bloodshed progresses, and if the aspirants turn a deaf ear to the truth, and if they refuse to change; then APC will break into four parts. All the people who are announcing their intention to contest for the Presidency are just playing.**

## **APC will break into four while PDP will break into three groups:**

Thus says the Lord: If bloodshed continues, and if the politicians turn a deaf ear to the truth, and if they refuse to change APC will break into four groups by April 2022 and PDP will break into three groups. Many politicians will leave APC while numerous will decamp from PDP also.

## **Nigeria needs prayer and security:**

Thus says the Lord: People should assist Nigeria with prayer during this period; because whenever the looming crisis bursts, it will affect everyone. **Nigeria needs sound security that is meaningful, starting from January 2022. Nigeria needs adequate protection.**

Thus says the Lord: This country needs security; I have previously sent these messages in October 2021. The States that I sent messages to, did you deliver My messages to them? Yes Lord, we delivered Your messages to the States.

### **Nigerians should change:**

Thus says the Lord: These people need to change fully; **inform them that the judgment period is at hand; but 2022 is a Year of glory and laughter for the Beloved; those that the power of the State/Country put them in position of lack; those that the power of the Nation makes unsuccessful.**

Thus says the Lord: **I the Lord will raise up their glories in 2022 and they will become important figures, says the Lord God of hosts. 2022 is the Year that I the Lord will visit people and their works.**

### **Draconian laws will be enacted:**

Thus says the Lord of hosts: The third thing that will happen in Nigeria is that draconian laws will be enacted in Nigeria. **Harsh laws will be enacted from January 2022 in certain States that will make the Beloved to cry out. When it is February 2022, then the Federal Government of Nigeria will enact its own severe laws.**

### **They will change the constitution of Nigeria:**

Thus says the Lord: They will change the constitution of Nigeria, and people will cry out 'what is happening in the Nation.' The draconian laws that will be enacted will not benefit the populace.

### **Nigerian Passport will not be influential:**

Thus says the Lord: I have previously sent messages concerning the Nigerian Passport in 2019, 2020 and this year that **Nigerian Passport will be an insignificant or an uninfluential Passport. If you examine the world or even African countries, you will realize that the position of Nigeria has regressed.**

Thus says the Lord: Nigeria was among the leading countries in Africa before, and people are respecting the Nigerian Passports in the past; however, since about seven years ago, the Nigerian Passport had lost its

honor. **It is because that glory has been given to her neighbor who is better than Nigeria.**

Thus says the Lord: **Even smaller Nations are more influential than Nigeria, and they are honoring these little countries more than Nigeria.**

**Any pastor who says somebody will be the President is lying:**

Thus says the Lord: I repeat for the third time, if these political aspirants refuse to change and turn to I the Lord, and seek the fear of I the Lord; if they fail to desist in participating in bloodshed and stop wasting one another's lives. I have previously stated that if anyone says that **I the Lord showed him a vision that somebody will become the President of Nigeria; it is just what the prophet/pastor thinks.**

**God did not authorize most of the prophecies in circulation:**

Thus says the Lord: **The country whose glory has been sold into a foreign land; can any government be installed unless the glory is reclaimed? Who are the people that are delivering prophecies when I, the Lord, does not send them? Who are the people that are supplying messages that I the Lord do not authorize? It is a pity.**

Thus says the Lord: **My messenger, do you think that I, the Lord, is reigning in a country full of bloodshed; when the residents did not repent? No, Lord.**

**The ordained President is not among the present presidential aspirants:**

Thus says the Lord: **The Beloved who will be the President of this country (Nigeria) is yet to rise, and he is yet to take steps; however, he is still waiting for the directives of I the Lord before making such a move.**

Thus says the Lord: **All those who are contesting for the Presidency, and those who are making posters/banners to aid their political ambition; must know that the next President of Nigeria is not among them.** Write down this period, the time of fulfillment of My previous messages has come.

### **Vice President Osinbajo will become the President if:**

Thus says the Lord: **I have previously mentioned that if the Vice President Osinbajo repents and changes his behaviors: he will be the president for a brief period.** Write it down, the time has come that I, the Lord God of hosts, will visit this Nation (Nigeria). Remember that I the Lord install king and I the Lord dethrone king.

Thus says the Lord: If the President refuses to turn a deaf ear to the advice of the people that surround him; if he refuses to seek the fear of I, the Lord; if he refuses to utilize the wisdom of the religious advisers who are filled with the Holy Spirit. **Then the government will be taken away completely from the President.**

Thus says the Lord: **All those who are speaking false prophecies will realize that their speeches will be trivialized; and that glory will be given to his Vice President.**

Thus says the Lord: **The Vice President will soon become the President temporarily until the time that the Beloved will occupy the presidential Seat.** Son of man, the Beloved is coming.

### **The righteous will prosper in 2022:**

Thus says the Lord: People will be raised up in 2022. **The greatness of I the Almighty God will fight for the cause of the Beloved in 2022.** I the Lord will lift up the glory of those who honor calling; those who are seeking the kingdom of God; those who did not use the worldly things to ruin their heaven; those who are seeking the gifts of the Holy Spirit, and those who are seeking the progress of their neighbors. All the people who are merciful; all those who assist others; all those who did not joke with

the work of the Lord; including the Beloved of the end-time will be raised up in Year 2022.

### **Year 2022 will be a glorious Year for the Beloved:**

Thus says the Lord: **Year 2022 is a year of resolution. It is the Year that I the Lord will wipe away tears from the faces of the righteous. It is the year that I the Lord will fight for the existence of the Beloved. It is a Year that I the Lord will arise to defend all the Beloved that believe that God is still in existence; those who believe in the death and the resurrection of Christ.** Year 2022 will be a glorious Year for these people, and I the Lord God of hosts will pass through the Nation (Nigeria).

### **2022 will be a Year of resolution for the progressive:**

Thus says the Lord: **2022 will be a Year of resolution for the people who are considering the future of the youths and those who are seeking the progress of the future of the country. Those who did not use the worldly thing to ruin their heaven; those who are seeking the deliverance and liberty of the Nation (Nigeria); those who are making efforts that the country must not be ruined: 2022 will be a Year of resolution for them.**

### **2022 will be a Year of revolution for those who sold Nigeria**

Thus says the Lord: **2022 will be a Year of revolution for the people who conspired, or participated in bloodshed; and those who used a spiritual black cloth to cover the face of the country. Those who sold Nigeria into slavery and a foreign land; 2022 will be a Year of revolution for them.** I the Lord will use fire and fury to test works; because they have kicked against the directives of I the Lord.

Thus says the Lord: 2022 is a powerful Year; I have previously sent messages that starting from October 2021 until February 2022 the looming crisis will be bursting; in a manner that will have widespread effects. **January 2022 will bring relief to the Beloved; but I will use a**

**severe hand to deal with all those who made the spiritual face of Nigeria to be darkened.**

**Nigeria will be redeemed in 2022:**

Thus says the Lord: **I the Lord God of host, the God of the Hebrews, the God of Abraham, Isaac and Israel that is presently speaking through this messenger; that is currently talking through this prophet. I, the Lord says, “I will redeem this country (Nigeria) in 2022 from wherever she has been sold for free.”**

**Nigeria will be delivered because of the Beloved:**

Thus says the Lord: The hand of I the Lord will pass through the country (Nigeria) because of the Beloved. The cries of the Beloved are so much in My presence. **I, the Lord, will fight for the cause of the Beloved in 2022, and Nigeria will be delivered from where her glory has been sold. This country will change from where she is sold.**

**Repentance time has passed for the great pastors:**

Thus says the Lord: There is no opportunity for the great pastors that I have previously sent messages to them to change, but refused; because the blood of many people are crying to I the Lord in their callings/churches. The blood of numerous people who are the Beloved, are crying to I the Lord. Behold, My messenger, there is no chance for these people to change. These great pastors are seeking God, where there is none.

**The works of these pastors will be burnt:**

Thus says the Lord of hosts: **The works of these pastors will be burnt this coming Year 2022 and their callings will fail; also, there will be division among the members of their churches; because a great storm will batter their churches.** It will shake all the people who called themselves pastors/priests who are misleading the sheep; because of their ambitions and aspirations.

### **The pastors have sold the glory of their callings:**

Thus says the Lord: **The pastors have sold the glory of their callings to this world; because of the pleasure of this world.** They have forgotten that friendship with the world is enmity with I the Lord? **James 4:4.** They have changed the firmament; because of their ambitions and they have ruined their heaven because; of their aspirations. **They have used what they wanted to eat/consume to ruin their heaven. They have used their ambitions to ruin their heaven.**

### **Religious leaders have misled many:**

Thus says the Lord of hosts: Behold, My messenger, I am who I am. These stumbling things will plague all the people who are called the religious leaders; who have changed the spiritual face of Christianity to pitch darkness; before the people who may be useful for the end-time glory, and the youths that may be useful for the end-time glory of Christianity.

### **Wrathful hand of God is coming on the religious leaders:**

Thus says the Lord: Son of man, **behold these religious leaders both Muslim and Christian leaders will witness the wrathful hand of I the Lord. Their works will be burnt in this world, and I the Lord will not use mercy to accept their works anymore;** because the blood of the Beloved that are crying concerning these people is too much. **Many people in the world are cursing the works of these religious leaders.**

### **The religious leaders have sold their callings:**

Thus says the Lord: **These religious leaders did not have time for the fruit of the kingdom of God anymore; because they have sold their callings to the world, and they have used their callings to trade.** They have sold the future of the youths and the future of the children of salvation. **They have sold the future of the Beloved;** forgetting that “I am coming quickly and My reward is with Me, to give to everyone according to his work.” **Revelation 22:12.**

### **Fallen religious leaders have mingled with the terrestrial beings:**

Thus says the Lord of hosts: **All the religious leaders with exception of none; either the Muslims or the Christians. Those that I the Lord raised; that I called the brave, in order to break the spiritual altar of the darkness and the altars of the terrestrial powerful beings; instead, they allowed the altar of the powerful beings to win them over, and they fell by the altar of the powerful beings. They sold their heavenly glory; because of their ambition. I, the Lord, will use fire to test their works in 2022.**

### **Religious leaders will be judged and disgraced in 2022:**

Thus says the Lord: **The judgment hand of I the Lord will come upon all the religious leaders. Behold, the religious leaders will receive their judgment separately; because Year 2020 will be a Year of revolution for them. The religious leaders will receive severe judgment and many of them will be disgraced, by I the Lord.**

### **Works of most religious leaders will be meaningless:**

Thus says the Lord: **The works of most religious leaders will lack glory, and they will be meaningless. I, the Lord, will use fire to test their works; because they have dined at the altar of the idol. They have wine and dined at the altar of the confraternity of the darkness and the satanic covens. They have forgotten the Holy Bible; so severe judgment will come upon them.**

### **Judgment of the Kings/Monarchs will last until April 2022:**

Thus says the Lord: **The judgment of the kings had stated from **October 2021 and it will continue until April 2022**. The severe hand of judgment is coming upon the kings that refused to repent; those who sold the future of this Nation (Nigeria) because of their ambitions and aspirations. They have forgotten the covenant that their forefathers had with I the Lord. **They have forgotten that they do not know what will be the end of the wealth that they have amassed.****

Thus says the Lord of hosts: They should learn from what happened to King Ahab and King Jehoram. They should learn lessons from King Solomon. All the Kings that their wives coerced against I the Lord; will bear the Load of judgment.

### **The Kings have sold the future of Yoruba land:**

Thus says the Lord: **There is no amount of prayer these kings can offer that will be acceptable to I the Lord because they have sold the future of Nigeria and Yoruba land. They have sold the future of Yoruba land; because of their ambitions.**

### **God will listen to the cause of the Igbo people:**

Thus says the Lord: I sent messages to the Igbo people and they took steps of rectification. **Behold, I, the Lord, will raise the glory of Igbo land. I the Lord will listen to their cause.**

### **The AREWA cried out concerning the bloodshed:**

Thus says the Lord: The AREWA also rose and cried out concerning the bloodshed. The northerners cried out to the monarchs, and the President of Nigeria. They spoke insultively to the President.

### **Why are the Yorubas timid?**

Thus says the Lord: **Son of man, why is it that your own tribe (Yoruba) cannot do the same thing? Why is it that your tribe cannot put on boldness? Instead, they sold the future of their children. The judgment will start from the kings.**

### **Any repentant King will escape judgment:**

Thus says the Lord: **Any king that is ready to repent will escape judgment; but any king that hardens his heart like how King Pharaoh hardened his heart, and perished in the Red Sea; will also perish without any remedy.**

### **Various judgment will come upon the erring Kings:**

Thus says the Lord: Certain kings will receive judgment similar to what I, the Lord did to Nebuchadnezzar that I changed his heart/thoughts to that of an animal. **Certain kings will be trivialized; their conducts and behaviors will be different from that of a normal human being.**

### **The secrets of the Kings will be exposed and their crowns will be mocked:**

Thus says the Lord: **The hidden secrets of the kings will be exposed one by one; the reason is that they have used their land/domain to trade, whereas the Igbo people changed.**

Thus says the Lord: **People will mock the crowns of the kings. Certain kings will be without honor; because they have sold their honor in this world.** They should not forget that 'Any king that reigns and there is peace and prosperity during his rule, his name will be memorialized; whereas any king that rules and there is chaos and insecurity during his tenure; people will not forget the king.'

### **Certain Kings have ruined their future:**

Thus says the Lord: **Certain kings have ruined their future; because of ambitions and aspirations. They have sold the land in their towns/domain and they have used their locations to trade; because they want to acquire wealth; they want to be one of their richest kings in the world.** They have forgotten that vanities of this world will perish with this world. Behold, My messenger, harsh judgment is coming on the kings.

### **Governor Kayode Fayemi and Minister Rotimi Amaechi:**

Thus says the Lord: Inform the man whose name is Fayemi that he should not allow people to push him. **Both Fayemi and Amaechi should not permit people to coerce or push them. They should seek the fear of I the Lord and they should be filled with the wisdom of I the Lord;**

**because the ground can make the powerful being to slip.** They should not lean on their own understanding, and they should utilize the wisdom of God.

### **Governor Kayode Fayemi APC Party may lose Ekiti State:**

Thus says the Lord: I the Lord want to rise during this hour to fight for Ekiti State. **If this man Fayemi refuses to rectify his way, and be filled with the fear of I the Lord; then there will be consequences. He should not use force on the people who are governing Ekiti State with him; instead, he should use wisdom and humility to relate to them; then he should be generous to them; it is then that his administration can be successful; but if he fails to act as instructed, the government will be taken from APC in Ekiti State,** and the control will be given to another administration that is better than his own.

Thus says the Lord of hosts: Behold; there will be misunderstanding among the gubernatorial aspirants in Ekiti State. In APC, some politicians will not respect one another and in PDP the same thing will happen; whereas if the politicians in PDP respect one another, PDP will take control of Ekiti State. However, if the politicians in PDP refuse to respect one another, PDP will be unsuccessful for the second time in Ekiti State. Then the third party may be the one that will win Ekiti State.

Thus says the Lord: **Then, I will raise a Beloved to contest the Gubernatorial Election when the misunderstanding is happening between APC and PDP. It is this Beloved that will be the peacemaker.** Ekiti State needs prayer and supervision.

### **Governor Rotimi Akeredolu of Ondo State should beware:**

Thus says the Lord: Caution Akeredolu that the ground can make the powerful being to slip. He should seek the fear of I the Lord and be filled with it. **He should beware during this period, and he must not use a forceful hand to handle the people who are governing Ondo State with him. He should use the wisdom of I the Lord and love to relate to these people.**

### **Akeredolu should be obedient:**

Thus says the Lord of hosts: Behold; the power of the powerful being always comes to an end at one time; and the powerful being will be unable to progress; **so that his issue will not be like someone who cannot finish his tenure in office.** It is better if he can utilize the wisdom of I the Lord and the wisdom of the religious advisers who are filled with the Holy Spirit.

### **Akeredolu should be closer to prayer locations:**

Thus says the Lord: Notify Akeredolu to make efforts to be closer to the altar of prayers during this period because certain people who surrounded his government do not want the existence of his administration anymore.

### **Edo State Governor, Godwin Obaseki should not govern with force**

Thus says the Lord of hosts: **Inform Obaseki to be cautious, and he should not allow people to push him; in a manner that will make his administration to fall.** Notify him to seek the fear of God, and he should be closer to prayer grounds, during this period. He should not handle the residents of his State and the people who are governing with him with a forceful hand.

### **Obaseki should be careful, else he will be hurt:**

Thus says the Lord: Obaseki should not use his own wisdom to govern; instead, he should utilize the wisdom of God to rule; in a manner that will make him to be successful. **The reason is that certain people have gathered to cause the downfall of his administration; in order to hurt, or harm him.** Tell Godwin Obaseki to be filled with the wisdom of I the Lord and be prayerful during this period.

### **Certain people are investigating Obaseki:**

Thus says the Lord: Certain people have been shaking his administration since October 2021. Obaseki should not turn a deaf ear to these

messages. He should honor the Kings/Monarchs, the leaders and the religious advisers. **He should not commonize these groups of people; instead, he should be filled with the fear of I the Lord. Certain people are investigating him and they are seriously seeking his downfall.**

**People want to deceive Governor Obaseki:**

Thus says the Lord: **Certain group of people wants to ruin his administration between October 2021 and March 2022; in a manner that will make him to be deceived to leave his present political party. So that he will be trivialized and hurt/harm. Therefore, tell him to be filled with wisdom, and he should not allow people to push him or coerce him.**

**Governor Yahaya Bello of Kogi State should not listen to fake messages:**

Thus says the Lord: **Inform Yahaya Bello not to listen to what people are saying; instead, he should listen to the voice of I the Lord. That is, when the time of I the Lord comes to install him in a position, there is nobody who can obstruct I the Lord. He should not listen to those who are delivering messages; when I the Lord did not say anything, or sent them to deliver such messages.**

**When the time comes Yahaya will occupy position released for him:**

Thus says the Lord: Behold, the ground can make the youngster and the powerful being to slip. **However, the hour is coming when I the Lord will publicize him to occupy an honorable position; that I the Lord release for him.** This period is a period of caution for him. It is a period of fear of God, and it is a period to seek I, the Lord in his journey; so, he should not listen to the voice of people.

**Certain youths will fight for Yahaya's right:**

Thus says the Lord: **The time that I the Lord will make him great in Nigeria is coming. Certain youths will rise up and fight for Bello's**

right. These youths are the ones that will raise Yahaya up, and these youths don't belong to his present political party.

### **Misunderstanding will make Yahaya to leave his current party:**

Thus says the Lord: Yahaya Bello should write today's date down; a misunderstanding will happen that will make Yahaya to leave his present political party. **When the time is ripe to vie for another position; I the Lord will send messages to him. It is not yet time; so, he should face the task of governing his State, and he should be pursuing peace for the residents of Kogi State and the people who surround him.**

Behold, the hour of upliftment is very near to him, but he should use the wisdom of I the Lord and he should be filled with the understanding of I the Lord. Yahaya should not lean on his own knowledge, and **he should seek the religious advisers that are filled with the Holy Spirit and not the corrupt ones to guide his administration.**

Thus says the Lord of hosts: The day is coming that I, the Lord, will visit his work, says the Lord God of hosts; however, the ground can make any youth that is not careful to slip.

### **Messages to the Nations of the world**

Thus says the Lord of hosts: Send out these messages quickly; **because I have previously mentioned that a certain disease will arise between October and December 2021 or didn't I mention it? Yes, You did, Lord. I mentioned that a certain disease will arise in My prophecy delivered in August 2021. I said this disease will be more severe than COVID-19.**

Thus says the Lord: Son of man, these are signs of the end-time (end of days). He who has an ear, let him hear what the Spirit says.

## Messages concerning Great Britain

Thus says the Lord: **Britain should be prepared; because an unexpected/sudden attack is already in Britain that can trouble Christianity. Secondly, there will be draconian law, and thirdly, they must pray for I the Lord to stop the wave of the pandemic in Britain.**

### Leaders must fear the Lord and cease putting Nigeria in darkness:

Thus says the Lord of hosts: Inform the leaders, that I want the fear of I the Lord in the lives of the people in positions of authority. They should beware not to return Britain to the past; because of religious issues. **The people that are collecting bribes; in order to put Nigeria in darkness should abstain from dishonesty.** The people in position of authority should turn to I the Lord; because friendship with the world is enmity with I the Lord (James 4:4).

### Prime Minister Boris Johnson:

Thus says the Lord: Inform Boris Johnson that the fear of I the Lord is important, in the lives of the people in positions of authority. **They should change, and turn to I the Lord; so that the economy of Britain will rise again in February 2022; in a manner that will make Britain a country that is friendly to tourists/people, and not a Nation that is ignored.**

### Boris must not support the corruptive actions of African Nations:
