“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

Introduction

Thus says the Lord God of hosts: I am the Lord and I do not change; Jehovah is My name. It is a pity that if I return will I meet Christianity faith in the world? The behaviors of humans continue to be severely evil; and the eye of I the Lord is bitter toward sin and bloodshed. Behold, the behaviors of humans keep changing on a daily basis, and they have turned Christianity to something else.

Messages concerning Nigeria

A storm will plague Aso Rock Villa:

Thus says the Lord: I have previously sent messages that a storm will plague Aso Rock Villa. A looming crisis will burst, and shake the place. I

have previously informed you in July 2021 and September 2021; It is presently happening in Aso Rock.

The President may be allowed to vacate the office peacefully if:

Thus says the Lord: If the President takes steps and repents; if he contacts the honest religious advisers and asks that “What did the Lord want me to do?” If he takes these steps; **I the Lord will release him to leave the Presidential Office peacefully without any injury.** However, if he refuses to take steps, by calling the people filled with the Holy Spirit, and asks about his mistakes and where he is lacking: there will be consequences.

The President is not the one ruling Nigeria:

Thus says the Lord: **The blame of this man called the President is minimal; because he is not the one that is governing the Nation. Those that are ruling the country are not in Nigeria.** They only send instructions and the ruling class complies.

The President does not have power:

Thus says the Lord: **The President does not have power over those who are ruling Nigeria; because these people can eliminate his household; or trivialize his administration.**

Pray that Nigeria will not divide in 2022:

Thus says the Lord: **The government will be shaken in the year 2022; but I, the Lord, will deliver the Beloved from the control of the Spiritual Egypt. That means, the Beloved will be given independence; however, people should pray so that the country will not be divided into sections in 2022.**

Thus says the Lord: **Certain areas will secede and certain geographical areas will form an alliance with others. Various people will be seeking liberty; write it down.**

Nigeria needs security and prayer:

Thus says the Lord: Nigeria needs adequate security and serious prayers. They should provide security for the people in positions of authority and the leaders of the Senate. Security should be provided for the National Assembly and the House of Assembly; together with the Ministers. All these people need adequate security and fervent prayer during this period, says the Lord God of hosts.

Those proclaiming Election are joking unless:

Thus says the Lord: **All the people who are proclaiming the upcoming Election are joking; unless they repent and deliver Nigeria from those Nations that are currently controlling Nigeria.**

Nigeria must be delivered from China, Niger, Saudi Arabia, Iran and Chad:

Thus says the Lord of hosts: Nigeria must deliver herself with prayers from the following countries: China, Niger, Saudi Arabia, Iran and Chad. Therefore, Nigeria needs adequate security.

Britain only uses hypocrisy with Nigeria:

Thus says the Lord: **Britain is not a physical threat to Nigeria; because Britain only uses hypocrisy to deal with Nigeria. That was the reason that I the Lord sent messages to their Prime Minister to make amendments, and correct those who are using craftiness to put the African countries in bondage.**

Nigeria must be prayerful else; she will be re-colonized:

Thus says the Lord: Nigeria must be prayerful so that she will not be colonized for the second time. Write today's date down. For this reason, Nigeria needs sufficient security.

President, Vice President and Senate President need prayers:

Thus says the Lord: Both the President and the Vice President need fervent prayer; also, the person who is the senate president needs serious prayer.

House of Representatives needs prayer:

Thus says the Lord: The House of Representative needs fervent prayer; else the looming crisis will burst and it will ruin great things.

All those inverting Nigeria will be judged in 2022:

Thus says the Lord: I use the throne of heaven to swear. I use the first covenant in the Book of Genesis 1:1-14 to swear. I use the enthronement of the day that I dropped water into the world; the day that I breathed the breath of life into humans, after I have formed man of the dust of the ground in my image; I use this day to swear. I use the hour that I used the greatness of My power to create the heights and the plains, and everything in this world to swear. My messenger, all the people that are turning this Nation (Nigeria) upside down will witness the severe hand of judgment in 2022; Write it down.

Pastors who say somebody will be the next President are lying:

Thus says the Lord of hosts: My messenger, I the Lord send messages to you for the second time. What are the messages? **Any of the pastors/prophets that I send on an errand who says the Lord spoke to him that somebody will become the President; or a certain person will be appointed as the President; or the Lord says that the President will come from a certain geographical location of the country; it is a white lie.**

The Beloved who will be the next President is yet to take steps:

Thus says the Lord: **The Beloved that I will use concerning the issue of Nigeria is yet to take steps; but he is waiting for the messages from I the Lord.** Write down this period, the day is coming, says the Lord. I will bring out the Beloved, but I want to pass through the Nation in order to perform powerful works in Nigeria.

Thus says the Lord: Behold, Son of man, **Nigeria should be prepared because 2022 is a Year of laws and forcing people to worship. Do you know that the day that I the Lord sent out messages between February 2021 and April 2021 that a disease will manifest and it will be very powerful; people antagonize this message very much?**

There will be no Election in 2023 if:

Thus says the Lord: **If there is no grace then, there will be no Election in 2023 because of bloodshed.** If those politicians refuse to repent and change, if they refuse to honor who deserved to be honored and give kudos to the prophets that I the Lord sent on errands; those prophets who are speaking the truth.

Many aspirants will be unable to continue due to sickness:

Thus says the Lord: If the Nation turns a deaf ear to these messages; My messenger, **many of the aspirants will not be able to take further steps, due to sickness or infirmities.** Also, there will be chaos during this Election that will be severe.

Crises will make aspirants to be inactive and be in hiding:

Thus says the Lord: **Many looming crises will burst in 2022, and these are what will make the Election to be shaken. All the aspirants will then go into hiding or be inactive when great events are happening.**

Whoever says the next President is among the aspirants is lying:

Thus says the Lord: **If anyone says, I, the Lord spoke to him that the next president of Nigeria is among the current aspirants; it is a lie. If any pastor/prophet says, I, the Lord revealed to him that somebody among the aspirants will become the next President; My messenger, it is what he thinks.**

Judgment will come before the Beloved shows up:

Thus says the Lord: **I have not yet granted the grace of Presidency; the reason is that the hand of I the Lord is yet to judge those who put this country (Nigeria) in pitch darkness. Judgment must come upon those who made Nigeria to be in severe darkness; before the Beloved will show up.**

APC Party will be divided into four groups in 2022:

Thus says the Lord: My messenger, I the Lord says APC will be divided into four groups. In 2022, APC will be divided; certain politicians will decamp from APC. **Write down today's date; I the Lord God of hosts is the One who is speaking presently from the mouth of this prophet.**

PDP Party will be divided, women will contest and election will take place if:

Thus says the Lord: PDP will be divided, and women will contest for political positions like gubernatorial positions. **This Election will take place if the Lord opens the spiritual door of grace.**

Inspector General of Police Baba should not commonize the prophets of God:

Thus says the Lord: People should assist the Inspector General of Police with prayer. The previous messages that I sent to him are necessities; so, he should not commonize the prophets of God who can advise him; in order to receive liberty.

I.G. Baba may be removed from office by March 2022 if:

Thus says the Lord: Behold, the I.G. is about to be removed from office. **He should be prayerful, that the hand of I the Lord should surround his life; else he will be removed from the office by March of 2022.** Therefore, he should be filled with wisdom, understanding and knowledge. He should also seek the face of I, the Lord; he should not lean on people, or seek the face of humans; instead, he should seek the face of I the Lord.

They are investigating the I.G:

Thus says the Lord of hosts: People are investigating the Inspector General of Police; so, he should be cautious and prayerful.

Terrorists are planning against Minister of Defense Magashi:

Thus says the Lord: **Inform the Minister of Defense that he should find time to fast and pray starting from January 2nd 2022 until January 4th, 2022.** He should fast and pray for three days to seek the face of God; because the hosts of hell (**the terrorists**) are making efforts to destabilize his administration; in a manner that will ruin his reputation and name; thereby making people to comment badly about him.

Chief of Defense Irabor needs security:

Thus says the Lord: **The Chief of Defense Staff needs adequate security during this period, starting from December 29th, 2021 until January 15th, 2022.** The Chief of Defense Staff needs sufficient security and protection.

Thus says the Lord: He should fast and be prayerful; because of those who are monitoring him, in order to take the position from him.

Caution the following people: Aare Gani Adams, Asiwaju Bola Tinubu. Ooni of Ife and former President Obasanjo:

Thus says the Lord: Caution these four people not to foment trouble because the ground can make the powerful beings to slip.

Caution Aare Gani Adams:

Thus says the Lord: Caution Gani Adams to take things calmly, says the Lord God of hosts. He should seek the fear of I the Lord, and he should take into consideration that the ground can make the powerful being slip; because those that he relied upon and those that surround him are not assisting him; so that the powerful being will not fall suddenly.

Thus says the Lord: Gani Adams expectation is different from the reality therefore, he should speak out the truth, and stop concealing the truth; says the Lord God of hosts.

Warn Asiwaju Bola Ahmed Tinubu:

Thus says the Lord of hosts: I have previously cautioned this man on several occasions. I, the Lord, is sending messages to him for the seventh time. I told him to seek the fear of I the Lord, and he should do nothing with his own wisdom; instead, he should seek the guidance of the religious advisers who are filled with the Holy Spirit. Thirdly, I instructed him to pity people and put others first before himself (be selfless). The fourth thing is that he should not allow anyone to coerce him during this period; because the ground can make the powerful being to slip.

Certain people at the top are ill advising Tinubu:

Thus says the Lord: **Certain people at the top are pushing/coercing Tinubu in order to disgrace him.** If he does not hear the voice of I the Lord from the prophets, that it is I, the Lord that actually sends the messages: then, he should carefully investigate the voice/messages before taking any step. **If he follows the advice of people and tries to**

contest for any position during this period, all his efforts will be in vain; because the people are deceiving him.

Thus says the Lord: **Not only that his efforts will be in vain; but they will not release power to him.**

The riches bestowed on Tinubu is enough:

Thus says the Lord: The riches/wealth that I granted you is enough. The post that I installed you is sufficient. He should beware of the voice of people, and seek the fear of I the Lord. He should be filled with the fear of I the Lord, and turn fully to I the Lord; because of the future of the youths. He should remember that ‘any king that reigns and there is peace and prosperity during his reign; people will memorialize the name of the king; whereas any king that rules and there is chaos and insecurity during his rule, people will not forget the name of the king.’

Thus says the Lord: Inform Tinubu to think deeply; because the ground can make the powerful being to slip. For this reason, he should not lean on the knowledge of people, or his own knowledge; instead, he should utilize the wisdom of God. He should not use his own wisdom; because the eye of I the Lord is always angry towards sins.

Asiwaju Tinubu should be cautious and shed light on things in darkness:

Thus says the Lord: Tinubu should be cautious of his acts, and be careful with his speeches. He should be vigilant; because the hand of judgment is coming upon Nigeria in 2022. **He should shed light on whatever that is in darkness that I the Lord want him to expose; before it is late. If he refuses to shed light on such issues/matters; then the judgment that is coming on all the people that put Nigeria in darkness will come upon him also.**

Thus says the Lord: When the judgment comes, people will be afraid in Nigeria; and all the African countries will fear, and say ‘God is angry presently in Nigeria.’

Thus says the Lord: **In order for Tinubu not to share out of the judgment; he should go to the religious advisers who are prophets and ask that ‘What sin have I committed? What have I done? What is God furious about in my life?’ If he refuses to take these steps: from this period until January 14th, 2022. Then starting from January 15th, 2022 judgment will be raised from the heavenly throne upon him; says the Lord God of hosts.**

Asiwaju Tinubu should use the remainder of his lifespan to seek God:

Thus says the Lord: Judgment will be raised if he refuses to act. This is a warning; so he should take steps of rectification that the Lord expects. **He should not allow people to push or coerce him. He should use the remainder of his lifespan to seek the eye of the Lord. He should seek the fear of the Lord and be merciful to others. He should shed light on the issues/matters that are in darkness that surround him; that can be glorious and beneficial to the youths in the future.**

Asiwaju Tinubu should not listen to the advice of people, else he will fall:

Thus says the Lord: Inform Bola Ahmed Tinubu for the third time not to listen to the advice of people; else he will fall. Notify him to seek the eye of I the Lord. He should seek the people who are filled with wisdom and the Holy Spirit in order to ask “Where have I sinned? Where am I lacking? Where have I fallen?” So that they can feed him with the words of God, in order to raise him up.

Tinubu will fall and not rise again if:

Thus says the Lord: **If Tinubu leans on the advice of the people who are saying; “What did the Lord says” Behold the people who are pushing/leading him will abandon him. Then the ground will make the powerful being to slip, and he will be unable to rise again.**

Oba Ogunwusi (Ooni of Ife) turned deaf ear to My messages:

Thus says the Lord: **The Ooni of Ife turned a deaf ear to the messages of I the Lord; because he occupies a powerful position; he has forgotten that it is the power of I the Lord that installed him in that position. I really pity him, says the Lord.** Inform him that thus says the Lord: The ground can make the powerful being to slip and when the powerful being falls, he/she will not be able to stand, or rise again.

Ooni should perform the expected rectification:

Thus says the Lord: Inform the Ooni to perform the rectification that I the Lord is expecting from him; because time is passing away. Behold, the hand of judgment of I the Lord is raising. Notify him to take steps of the fear of I the Lord and positive change. **He should seek the face of I the Lord; he should seek those who are true prophets of God. Ooni should kneel and bow before such anointed people; then he should ask the questions that “What is my mistake before God.”**

Ooni should not consider His position, power and wealth:

Thus says the Lord: If he looks at his position as a king, he will stumble or fall. If he observes his power, it will end one day. If he looks at his wealth; wealth will be drowned. Caution the Ooni to quickly take steps by seeking the people who have the heavenly callings; so that they will make his mistakes known.

The forefathers of Ooni will never forgive him if:

Thus says the Lord: **If he refuses to take these steps; his forefathers will never forgive him; because he leans on the knowledge of people. He fears people more than God; he has forgotten that the power of humans is limited to this earth.**

Warn the Ooni to change, else there will be consequences:

Thus says the Lord: **Warn the Ooni; so that the beads and the horsetail will not turn to iron in his hand. I, the Lord, am expecting his positive change because time is passing away.**

Ooni has until January 3rd, 2022 to change or be judged:

Thus says the Lord: The Ooni has the opportunity to change until January 3rd, 2022. Therefore, he should quickly make every necessary amendment. **If January 3rd, 2022 passes and he does not change; mighty hand of judgment will descend from heaven and his area/location will be shaken in a manner that will make people to fear. Then, people will say it is the deities that are angry; whereas it is I the Lord that is angry.**

Former President Olusegun Obasanjo should speak the truth:

Thus says the Lord: Caution Obasanjo; **why is it that he turned a dear ear to the voices of men of God? Why is it that he fears humans more than God?** The hand of I the Lord will come into his life; however, **he should speak the truth before time passes away.**

The eye of God is bitter towards Obasanjo:

Thus says the Lord: I the Lord is expecting positive change, humility and repentance from Obasanjo. He should call the prophets who are filled with the Holy Spirit and ask them that **“What mistake have I made that makes the eye of God to be bitter towards me? What did I do secretly that displeased God?”** Inasmuch as the eye of I the Lord is bitter towards him.

Thus says the Lord of hosts: Obasanjo should reconcile with his children. He should reconcile with his children; both the male and female; most **especially his daughter that makes people to refer to him as Baba Iyabo.** This reconciliation is very important during this period; because if

he takes steps and makes a perfect amendment, he will see the hand of I the Lord.

Judgment will come on Obasanjo if he does not act:

Thus says the Lord: Obasanjo should call the prophets who are filled with the power of the Holy Spirit to ask them about the mistake that is making God to be displeased with him. **If he turns a deaf ear to these messages, and refuses to act between now and January 14th, 2022; then, the judgment hand of I the Lord will descend and I the Lord will reclaim the position that I installed him. I, the Lord, will retrieve the position from the world and from him.** His case will now be like that of a king that had rule in the past, who is presently useless.

The brave people who refused to change will pass away:

Thus says the Lord: I the Lord send messages out again, that the brave people that I have previously sent messages to; who refused to change will die. **People will hear the news concerning the demise of these brave people; that refused to change and turn to I the Lord.**

Pastor Adeboye, Pastor Kumuyi and Bishop Oyedepo (The Trio):

Thus says the Lord: Send these Bible passages to the three pastors. **Romans 12:1-10, Ephesians 6:8-12, Ezekiel 3:18-20.** I the Lord want their humility. Inform these three pastors to humble themselves during this period; because the judgment has come.

Demise of the Trio will soon come to pass:

Thus says the Lord: **The messages that I sent sometimes that people turned to a joking matter; that they are using to insult My prophet will come to pass very soon. If these messages did not come to pass, then I am not God anymore.**

Pastor Enoch Adeboye:

Thus says the Lord of hosts: **Behold, Akindayomi did not sell his calling during his lifetime. Why, why, why is it that you Enoch Adejare sold your calling? Why is it that you did not listen to the voice of the Almighty God your Creator? Why is it that you turned a deaf ear to the voice? You have forgotten that there is a Supreme Being that has power to kill and to revive again? Why is it that you forgot the covenant that I used to call you? Why is it that you have forgotten the glory that I utilized to redeem you? I made you My Beloved in the family of Adeboye, and I raised you among a family that is insignificant. I raised you up for Salvation; behold why is it that you rejected the voice of the Lord God of your forefathers? Why is it that you do not listen to this Word again; because you want to become an important personality by force?**

Thus says the Lord of hosts: **I use My throne to swear; the hand of great judgment is coming. Why is it that you did not perform the tasks or errands that I sent you? I, the Lord, sent you on errand to perform four great tasks. You perform only one and you are playing with the remaining three. Why is it that you are afraid of humans more than I, the Lord? You have forgotten that there is a King that installs kings and dethrone kings. Why is it that you listen to the voice of humans, more than the voice of I the Lord? Why is it that you lean on your own knowledge? Why is it that you did not pay attention to the voice of the Lord anymore?**

Thus says the Lord: **I showed you a dream, but you did not act as instructed? I sent your daughter to you, but you turned a deaf ear to the voice. She had a dream and related the dream to you, but you did not yield. I sent Dare your son to you, but you turned a deaf ear to the voice. Why is it that you are not obedient? I sent your wife to you; I sent your subordinates to you; still, you did not comply with My instructions. I sent an aged person to you, still you are adamant. Then I sent a youngster to you, but you turned a deaf ear to the voice. It is a pity; who are the people that told you that God did not send the messages? Who is the person that said 'Who is the Lord of**

hosts?' Son of man, curse is he who blaspheme his Creator. Son of man, have you forgotten the great day that I took you out among the inconsequential people; I covered you with a glorious garment, and raised you up as a light for the world, and I fellowship with you very much; but why is it that you exalt the voice of humans, more than the voice of I the Lord? Why is it that you are vying for position, glory and wealth? You are also seeking power; you have forgotten that I the Lord own your soul? I the Lord own you, and it is not humans who own you. I am the One who created you, and you are using My power to breathe; as the Lord God of your forefathers. Why is it that you rejected the voice, and you are not acting as directed?

I commanded you to cater for Akindayomi's children:

Thus says the Lord: Firstly, I the Lord said you should cater for all the children of Akindayomi; and you should do unforgettable things for these children of Akindayomi. I informed you to make sure that you put them in important positions, in the hierarchy of the Redeemed Christian Church of God. I also instructed you to carry out these directives to the last letter, and you must not listen to the advice/voice of humans.

You were instructed to remember the widows and the poor:

Thus says the Lord: Secondly, I the Lord instructed you to remember the widows and the poor; who are in your ministerial calling. I directed you to take good care of them: be merciful to them and wipe away their tears. I the Lord said, make sure that you put a smile on the faces of these people, and make them to laugh; so that their portions will cry out to I the Lord. Though you did a little, and you left them; because you want your wealth to increase.

Quit whatever that displeases God and speak the truth:

Thus says the Lord: Thirdly, I sent messages for you to refrain from everything that you are doing that displeases I the Lord. The secretive things that you are doing, that the eye of I the Lord is bitter

towards them should be abandoned; and you should turn to I the Lord. I instructed you to teach your subordinates about the salvation of souls, including all the people who are close to you, and the people in positions of authority in Nigeria. You were directed to speak the truth with those in the government, and arrange the end-time revival/crusade.

Thus says the Lord: You heard the messages; but you refused to act, because you are afraid of humans.

Abstain from politics:

Thus says the Lord: The fourth thing is for you to desist from participating in politics. You should remove your hand completely from the issue of governance in Nigeria; in order for you to sit on the exalted chair. So that whenever the politicians come visiting, they will meet you on your chair, and they will honor the God of calling, that called you. They will not insult God in your life anymore; instead, they will believe that I the Lord am the One that is speaking through your mouth.

Pastor Adeboye has fallen:

Thus says the Lord: The politicians do not regard you anymore; and they do not regard your God. Even the politicians do not believe in you anymore. Behold, why is it that you are misled? You have missed the righteous way. Send these messages to him; for him to sit down and think carefully; because he has fallen at the side of the Calling. Even the eye of I the Lord has changed towards him, says the Lord God of hosts.

Lord's eye is bitter towards Pastor Adeboye:

Thus says the Lord of hosts: Inform him to know for sure that the eye of I the Lord is bitter towards him. Unless mercy comes from above; if he sees/receives this mercy, only then can he escape judgment; but if he does not see or receive this mercy until January 27th, 2022.

Then severe judgment will descend from January 28th, 2022, and this judgment will shake him vigorously, until his birthday. Behold, I pity so much that all the wealth that he amassed; there is no similar glory like that in heaven. Why is it that the cries of the Beloved are so much in the presence of I the Lord?

People have mocked Pastor Adeboye's calling:

Thus says the Lord: Caution Enoch Adeboye; for him to quickly think and he should quickly find time to conduct Crusade/Revival everywhere. He should find time for revival/crusade. I do not send him to the people who will not honor the calling; because they have mocked his calling. People have dragged his calling in the mud in the presence of I the Lord, and they have cursed his calling.

Pastor Adeboye and his wife:

Thus says the Lord: These messages are for Adeboye and his wife. They should examine themselves, and make amendments wherever they are lacking. If they refused to take these steps, I the Lord God of hosts that called them and send them on an errand; I will descend My hand of authority from My heavenly throne upon them; and it will make people to see their mistakes, in a manner that will make the Redeemed Christian Church of God to be divided into groups; says the Lord God of hosts.

Pastor Kumuyi of Deeper Christian Life Ministry:

Thus says the Lord of hosts: I pity so much, "Aseni sera re, O laiye nse hun, enia mise rare o puro maiye; enia mise rare, o laiye nse hun, aseni nse rare o puro maiye." Honestly, he is taking steps, but his steps are not perfect or effective.

Pastor Kumuyi's calling will be disgraced in 2022:

Thus says the Lord: My messenger, people will disgrace Kumuyi's calling in 2022. His calling will be disgraced; the reason is that what I the Lord

told him; he refused to perform them; because he fears humans, more than I the Lord. Why is it that you are thinking about your ambitions? You have forgotten where you will sleep one day. Why is it that you did not fear Me? I asked you to cater for the widows and orphans in your Deeper Christian Life Ministry; I said you should do unforgettable things for them; because it is the cries of these people that I the Lord need concerning your life.

Pastor Kumuyi should give the pastors liberty to use their gifts:

Thus says the Lord of hosts: Behold, I send messages to him again. **Kumuyi should refrain from the harsh commandments that I the Lord do not send him. He should abolish the severe teachings that I did not send him. He should give the pastors working in the Ministry liberty to utilize their gifts and the calling that I used to call them. He should desist from putting them in bondage anymore.**

Pastor Kumuyi refused to speak the truth to the politicians:

Thus says the Lord: Behold, son of man, Kumuyi did only a minor rectification. **I, the Lord instructed him to speak the truth to the politicians and those in positions of authority; however, he is not speaking frankly and directly to them; because of money and rewards/blessings that he intended to get from these politicians.**

Pastor Kumuyi will share in the upcoming severe judgment:

Thus says the Lord: **Kumuyi is not speaking truthfully and straightforwardly; because of those who can kill the body but cannot kill the soul. Son of man, because Kumuyi respects humans more than I the Lord; he too will share in the upcoming severe judgment; because the hand of judgment that is coming. The judgment of I the Lord will come upon his life; write it down.**

People will decamp from the Ministry:

Thus says the Lord: **Kumuyi's calling will be disgraced and certain people will decamp from the Deeper Christian Life Ministry in 2022. The reason is that he did not perform the errand that I sent him; because he fears humans more than I the Lord.**

Thus says the Lord: Kumuyi, remember how you received the ministerial work, and remember the voice that you heard; remember the voice I sent to you, which is different from the voices that humans are telling him. **It is a pity that Kumuyi too will share the harsh judgment in 2022.**

If Pastor Kumuyi refuses to take steps, judgment will come on Jan 16th, 2022:

Thus says the Lord: **Starting from January 15th, 2022; if he refuses to call the people in positions of authority, and speak the message of positive change to them. It is not what I the Lord sent him that he performed; he only sent out peripheral messages. Why is it that this man did not think deeply? Is this how I sent the people of the olden days on errands? Why is it that he is not candid? Inasmuch as he started from a certain church before he established Deeper Christian Life Ministry. Didn't he think about the church where he started from? You have forgotten the day that I the Lord created you? There are gray hairs on your head and you did not fear how you will end your journey? You didn't even think of the day that you will sleep and you will not wake up again?**

Thus says the Lord: Write it down; if Kumuyi refuses to call his pastors and have an emergency meeting, and give them the liberty to work, and release them from bondage, and speak the truth with them, **then he will be penalized.** If Kumuyi refuses to take the afore-mentioned steps; and be merciful to the widows and the orphans; and speak frankly with the people in the positions of authority and the kings/monarchs: **then on the January 16th, 2022, the hand of harsh judgment will come upon him. I, the Lord, will bring the hand of great judgment, and there is no human who can prevent the judgment.**

If Pastor Kumuyi take steps, the judgment will be reduced:

Thus says the Lord: Send the messages to him; for him to listen to them with his own ears. **If Kumuyi takes steps, I will bring the judgment, but mercy will reduce the judgment. No matter what, Kumuyi will be punished according to his deeds.**

Bishop David Oyedepo of Winners Chapel International:

Thus says the Lord of hosts: **I pity so much that all the people that I sent Oyedepo to change; he did not deliver the errand that I sent him to such people; instead, he delivered his own errand.** Though he tried and made a little effort, there are countless poor people that surround this man. Behold, he only saw an example; I the Lord stands above the circle of the earth. If he refuses to take the steps of rectification; the hand of judgment of I the Lord will come upon him.

Abstain from political activities:

Thus says the Lord: **I sent messages to Oyedepo to refrain from political activities and quell his political ambitions; but stay focused on the calling that I utilized to send him on an errand. I instructed him to cater for the needy and the widows; I also directed him to cater for the pastors serving in his church. I the Lord do not want wailings or cries of the pastors of God anymore. I told him not to mingle with the world, but change to become a new creature.**

Judgment will commence from January 13th, 2022:

Thus says the Lord: I gave this man until January 12th, 2022 to take steps of rectifications. He should also speak the truth to those in positions of authority, and all the politicians who are close to him or his subordinates. **If he refuses to act as instructed, then judgment will commence from January 13th, 2022. My judgment will start from Oyedepo.**

Thus says the Lord: **My messenger, there will be panic and a looming crisis will burst. It will shake all the vicinity and people will know the type of spirit that they have.**

Leaders of Christianity will be punished:

Thus says the Lord: **All the Christian leaders in Nigeria that are inverting the spiritual face of Christianity will be punished.** I have warned them to change since, but they refused. The judgment has started My messenger.

Thus says the Lord: Certain people are mocking those that are dead; but do they know what judgment they will receive? Son of man, send the same voice to them, for the Christian leaders to quickly take steps of rectification before judgment comes.

Judgment will come upon the corrupt Christian leaders:

Thus says the Lord: **Judgment will be raised upon all the Christian leaders who have lost their callings, and those that have fallen; together with those who have bowed for the marine god; and those that have sold the terminal glory. Judgment has started since May 2021; however, starting from January 2022, the judgment will be severe.**

People will mock and disgrace the corrupt Christian leaders:

Thus says the Lord: Write it down, **people will be mocking the corrupt Christian leaders. People will be disgracing these dishonest Christians leaders; because they have stepped on the calling of the Almighty God and they have sold their callings to the world. They have neither part nor portion in the kingdom of God anymore. 2022 the judgment hand will be raised, says the Lord God of hosts.**

Terrestrial powers have collected Christianity from many pastors:

Thus says the Lord: **The terrestrial powers have collected Christianity from numerous pastors: because of wealth, because of riches, because of positions, and because of power. Son of man, I really pity that the terrestrial things have made the pastors who are speaking about the kingdom of God to lose the kingdom of God.**

The glory of heaven does not recognize many pastors:

Thus says the Lord of hosts: **These pastors are speaking about salvation, whereas they are not saved. They are talking about the glory of heaven; whereas the glory of heaven does not recognize them. They are presenting themselves as perfect and worthy people; but they have forgotten the countless people that they have led astray, who are now dead without partaking or having a portion in Eternal Joy.** They are thinking that maybe I, the Lord, will utilize mercy to accept them. They have forgotten that whoever adds to My Word is at the peril of suffering at the end. Also, whoever removes from My Word is playing with Eternal Rest.

Pastors have turned the work of God to trading:

Thus says the Lord: I really pity very much concerning this world. I am Jehovah Jah. The King that created a path where there is none. **Behold, these pastors have turned the work of I the Lord to trading that is easily performed by everybody. The pastors have turned My powerful works to commodities that people have to bargain on the price. The pastors turned My name that I the Lord used time to release to the world to rewards or gains; the pastors turned My name to a gluttony thing/item. The pastors are using the name of I the Lord to collect money from people, and they are using My name to lie or deceive.**

Most pastors are delivering fake prophecies:

Thus says the Lord: Many pastors are delivering fake messages that I the Lord do not send them. **Numerous pastors are prophesying when I, the Lord, do not send them on an errand. Each and every one of them is on the internet; each of them is sweet talking people into believing in their fake messages.**

Thus says the Lord: Look at the hosts of hell that gathered together; and they are speaking when I the Lord do not send them.

Thus says the Lord of hosts: The spiritual face of the world is changing on a daily basis and the world is getting more civilized on a daily basis. **Behold, many are called, but few are chosen. (Matthew 22:14).**

Pastors that used contrary doctrines will be punished:

Thus says the Lord: **All the pastors who have used false teachings and contrary doctrines to cause separations in many marriages; and put numerous people in bondage until they die without knowing the truth will be penalized. These pastors/priests will be punished; write it down, says the Lord God of hosts.**

Thus says the Lord: Son of man, they gathered teachers for themselves, when the hand of I the Lord is not in their midst. **The pastors are deceiving people who do not have might or power; by taking advantage of them, in order to strengthen the grace that these pastors have.** They have forgotten that 'when I, the Lord say; I am coming; it may not happen in the next twenty years.'

The pastors are after their stomachs:

Thus says the Lord: People should fast and pray for three days concerning the issues of Nigeria; so that I, the King of kings, will use mercy to pass through this country (Nigeria). **Inasmuch as the Beloved that I sent on an errand are after their own stomach, they did not pursue salvation. These pastors always present themselves to the populace as persons who are perfect and worthy; but the heavens**

do not know them anymore; since they have sold their heavenly glory in this world; because of riches, because of vanities of this world that they will not take along whenever they die.

Thus says the Lord: They have forgotten that whatever they planted today will become history tomorrow. They have forgotten that people will not remember them anymore because 'any king that reigns and there is peace and prosperity during his reign; people will memorialize his name.'

Judgment of the pastors started in May 2021:

Thus says the Lord of hosts: The judgment of the pastors has started since May 2021. **My messenger, do you see how the pastors are misbehaving, because they have sold their callings of the Glorious Home? They have lost their admission into the Glorious Home.**

2022 will be a Year of resolution and liberty for the Beloved:

Thus says the Lord: I the Lord God of hosts, who is residing in this man to work, will make 2022 a Year of resolution for the Beloved. I will change My tactics, and I will make the issue of the Beloved to become Liberty/Independence. **2022 will be a Year of resolution and liberty. If I, the Lord, say liberty, it means the period of 'deliverance and justification.'** They Beloved will be delivered from the control of spiritual Egypt, and I will stretch the hand of glory to them.

The Beloved will be well fed in 2022:

Thus says the Lord of hosts: **The Beloved will praise I the Lord in 2022. I am speaking through this ambassador of God. I am talking through**

People in Diaspora will return and economy will rise if:

Thus says the Lord of hosts: My messenger, I will reward the works of the people in Nigeria in 2022. Behold, **when these politicians make amendments, the economy will rise again. People will start to rejoice and those in the Diaspora will be returning home in 2022; however, if the politicians refuse to rectify the situation; people will be fleeing out of the country.**

Judgment will come upon the Kings/Monarchs who put Nigeria in darkness:

Thus says the Lord of hosts: Warn these kings, because they need to be cautious. I have sent the messages that the judgment of the kings has started since October 2021. I, the Lord, will bring My hand of judgment upon all the kings/monarchs that put Nigeria in darkness from Yoruba land, from Hausa land and among all the kings/monarchs.

The corrupt Kings will be disgraced:

Thus says the Lord: **I the Lord God of hosts will be disgracing these corrupt kings; and I, the Lord, will collect from these kings, their authority of kingship. People will be insulting these kings/monarchs, and they will be abusing these corrupt kings.** I have previously mentioned these messages in September and October 2021.

Thus says the Lord: Son of man, harsh judgment is coming on the kings/monarchs. **Write down today's date; any king that repents and changes, by taking steps of fasting and prayer; the hand of My judgment will be removed from his head. However, all the kings that have sold the future of Nigeria and the future of the youths; because of silver, gold and bronze will be penalized.** The kings/monarchs that sold the Eastern part of the country will still be punished; those kings that

sold the Northern part, the Southern part and the Western part of Nigeria will still be punished.

Nigeria Football Federation President will be removed from office if:

Thus says the Lord: Inform **Amaju Pinnick** that the ground can make the powerful to slip. He should be filled with wisdom and prayer; **because if he is not careful, he will be removed from office in 2022.**

Thus says the Lord: He should seek the fear of I, the Lord, in his journey, and he should be filled with wisdom. **Misunderstanding will happen among the people that he is controlling, and they will take steps to remove him from office. If he refuses to take steps as directed, then there will be consequences;** so, he should remember that the ground can make the powerful being to slip. He should do things calmly with the wisdom of I the Lord.

Nigerian Football Team will succeed if:

Thus says the Lord of hosts: The journey of Nigeria concerning the football tournaments they want to embark in January 2022. Nigeria will make efforts by the power of I the Lord. If the teams honor the greatness of God; and if the people in charge of the teams and their bosses give glory to Him who deserve to be glorified; and if they are filled with the fear of I the Lord; they will improve on their past performances.

Thus says the Lord: If the Nigerian teams use the name of I the Lord to precede their journey and rely on I the Lord; then, the Nigeria team will take steps in a manner that will make them ready to succeed in January 2022.

Thus says the Lord: **If the team and their leaders depend on terrestrial power or the darkness; they will get nowhere before they will be sent home.** But if they give all glory to Him who deserves to collect glory; they will take steps and they will advance in the tournament; in a manner that will make people to honor their glory.

If Team Nigeria give glory to God, they will advance in World Cup:

Thus says the Lord: Concerning the journey of the World Cup 2022. **If they make I the Lord their Alpha and Omega; if they are filled with the fear of I the Lord, and give all glory to who is worthy to be glorified; then the team will advance very well in this World Cup tournament than their performances in the past.** The team will arouse and bring glory to the country in 2022; because certain glories of the people who will join the team will be raised. The team will raise the glory of Nigeria very much and people will give kudos to the members of the team; because they will advance in 2022 more than the level where they usually failed and sent packing; in the past.

Thus says the Lord: **If they fail to ask I the Lord to precede them in the journey; if they turn their backs on the messages of truth and ignore I the Lord; if they do not honor the greatness of the power of the Supreme Being called Wonderful; that is the Almighty God. My servant, they will not advance well before they will return home, says the Lord God of hosts.**

The Female Football Team:

Thus says the Lord: **If the Female Football Team makes I the Lord to precede them in their journey in January and February 2022. If they honor the Supreme Being, who deserves to be honored: then the team will be successful.** If they take steps and do the right thing, by letting I the Lord take total control concerning their World Cup tournament: they will advance very much to higher levels. **With the assistance of I the Lord; something that has never happened about the team will occur in 2022.**

Thus says the Lord: **Nigeria sports activities will be raised up; if the people in charge like the Minister of Youths and Sports takes steps that are filled with the fear of I the Lord; If he did not lean only on his own knowledge; if he is filled with wisdom of God through the**

prophets; if these prophets pray fervently to God for all the participants from Nigeria; then all the teams representing Nigeria will take steps that will make Nigeria to be proud in 2022.

Thus says the Lord: If there is any fault from the people in charge of these teams, then the teams will get nowhere before they will be sent packing and return home.

People are stealing messaging from CAMM website:

Thus says the Lord: I pity that people are not regarding My messages. Inform those that are publicizing the messages of I the Lord that the fulfillment of My messages will soon be sent to them every time as from now onward. Let people know the difference between the person that I sent on an errand, and those that are stealing My messages that I the Lord did not send them.

Thus says the Lord: Son of man, anytime that you witness the fulfillment of My messages; send them out without delay. Behold, certain people are visiting your website every time, and they are getting materials/messages that they will proclaim that God sent them.

The blasphemers and those opposing My messages will be judged in 2022:

Thus says the Lord: All the blasphemers; all the hosts of hell, either they turned themselves to pastors; either they are on the internet, who are appointed by Satan to oppose the messages/prophecies of I the Lord, will witness the severe hand of judgment in 2022; because they are working for the false prophets.

Thus says the Lord: The people that are opposing the messages of I the Lord on the internet are working for the false prophets and the deceitful visioners. It is for this reason that they always antagonize the messages of I the Lord to humans; therefore, all of them will witness the harsh hand of judgment; unless they change, says the Lord.

Messages concerning Ivory Coast

President Alassane Ouattara of Ivory Coast:

Thus says the Lord of hosts: **Inform the President of Ivory Coast that this is the third time that I the Lord is sending messages to him. He should not use a severe hand or force on anyone in Ivory Coast. He should seek the fear of I the Lord and be filled with the wisdom of I the Lord.**

Issues of the President of need many prayers:

Thus says the Lord: **The issue of this man needs many prayers. This man should seek the prophets who are filled with the power of the Holy Spirit and not the idols. He should honor the greatness of God and stop putting his hope in humans. He should humble himself before the real prophets. He should change, and turn away from those in his administration who are committing error by shedding blood, and those who are doing things that are making the eye of I the Lord to be bitter.**

God will heal President Ouattara:

Thus says the Lord: **The President himself should ask the prophets that where have I erred? What have I done that is making the eye of the Lord to be bitter towards me? If he takes these steps, I, the Lord, will heal the spiritual wound in his body and he will govern the country with good health. However, if he does not heed My voice, he will not be able to continue with his administration; because certain people among those that surround him, are ready to collect power from his administration, and make him to sleep suddenly with waking up again (die)**

Thus says the Lord: **Inform him to take steps of the ministers of God that are filled with the power of God to resolve his issues.**

Messages concerning Cameroon

President Paul Biya of Cameroon:

Thus says the Lord: **Notify the President of Cameroon that he should not allow Cameroon to be divided into several sections in 2022. Behold, the type of misunderstanding that is happening in Nigeria is currently happening in Cameroon. Tell the President to seek the wisdom of the people who are filled with the Holy Spirit. He should not lean on his own wisdom, and he should change from the behaviors/conducts of ruling by force; or using the laws to force people to do things.**

Thus says the Lord: **He should utilize the wisdom of God and change from carnal wisdom. He should be prayerful during this period; because certain people did not like his administration; so that they will not come against and tear his administration in 2022.**

Thus says the Lord: **Caution him to quickly take steps of rectification, and he should honor Christian Religion. He should be more concerned about the fear of the Lord more than anything. He should not lean on his own knowledge; because the ground can make the powerful being to slip; says the Lord God of hosts.**

Numbers 23:19: “God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
