“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord God of hosts: Jehovah is My name; behold, greatness is my power and I rode the storm like a horse, says the Lord God of hosts.

Thus says the Lord: I am the God of the Hebrews who spoke in the flaming fire; I am the One that spoke on Mount Sinai when the fire was burning and the bush was not consumed; then I changed the firmament. I am the One who spoke on that great day on Mount Carmel in order to accept the burnt offering and I used fire to answer prayer. I am the Only Supreme Being bearing Wonders.

Thus says the Lord: I bear witness (testified) to the greatness of My power. I destroyed Sodom and Gomorrah.

Messages concerning Nigeria

Thus says the Lord of hosts: Nigeria needs supervision and My previous messages are what is happening in the Nation. I, the Lord, had previously sent these messages concerning Nigeria.

Punishment will start from the religious people:

Thus says the Lord: All the religious people who know the truth but refuse to cry out will partake in the punishment when the time comes; because the looming crisis will burst upon their heads first, before spreading to other people.

The outcome of the Election is bad:

Thus says the Lord: The schemes concerning the upcoming Election are very severe and the outcome is bad. Behold, people should pray seriously and send these messages out.

Fasting and prayer for Nigeria:

Thus says the Lord: People should fast and pray for Nigeria from February 15th until February 19th, 2023. People should pray that God should pass through Nigeria and overturn the intent that can make people weep.

Thus says the Lord: All the religious with the exception of none should observe this fasting and prayer; including all the Kings/Monarchs. However, the judgment will start from February 9th, 2023; it will rise everywhere in the country (Nigeria) because the looming crisis will burst on the 19th, of February. Once the looming crisis burst; the Beloved will be rescued from the upcoming spiritual storm and punishment.

Postponement of Election depends on severity of crisis:

Thus says the Lord: If the looming crisis is very severe the Election will not take place; I have previously mentioned it. I, the Lord, had mentioned since two to three years ago that this Election will not take place. If that is the case, various mysterious events will happen to the extent that INEC will be unable to contain or curb the events.

Punishment will start on the Kings/Monarch:

Thus says the Lord: Punishment will start on the Kings/Monarchs from February 9th, 2023. All the Kings that have received bribes and those that have conspired against the Nation (Nigeria) will be disgraced; write down today's date.

Kings that are not useful will sleep:

Thus says the Lord: There will be a great cry from February 7th, 2023 concerning the events that will happen to the Kings/Monarchs. The Kings that I the Lord observe that their existence is no more useful will receive bitter judgment that will make them to sleep (die). Their sleep (death) will give their cities/towns liberty.

Amassed wealth will be meaningless:

Thus says the Lord: Inform the Kings, this is the second time this year that I the Lord is sending messages to them. They should not foment trouble but keep silent. They should open their mouths to speak the truth but keep mute concerning lies and deceits. Concerning the wealth that they are amassing; it will be meaningless. The wealth that they are amassing that they will not be able to enjoy/utilize when the time comes.

Thus says the Lord: The looming crisis that will burst will have a widespread effect. My messenger, do not be afraid to speak out and send the messages to the recipients.

Ondo State:

Thus says the Lord: People should pray against mysterious events that can happen in Ondo State that can make the people of the State to bow their heads in sorrow in a manner that will make the issue of the upcoming Election to be severe and make people to shed tears. People should pray to the Lord to step upon this event spiritually.

Plot to cause sorrow before Election Day:

Thus says the Lord of hosts: This event is not something that will happen to the residents of Ondo State; rather it is concerning people in the House of the Assembly; the Head of Service; the Law Makers and the Office of the Governor. People should pray to I, the Lord, to overturn the plot that can make Ondo people to bow their heads in sorrow before Election Day.

Thus says the Lord: Make sure that you cry into the ears of Akeredolu. Inform him to seek the prophets and pastors that are filled with the Spirit of God and not the corrupt pastors because if this event happens, it is dangerous/risky. The looming crisis will burst; so people should pray for God to stop the spiritual hand of looming crisis; else the looming crisis will burst before February 15th, 2023; so pray for God to overturn the event.

Governors of Imo, Akwa Ibom, Edo and Rivers States:

Thus says the Lord: Cry into the ears of the Governors of Imo, Akwa Ibom, Edo and Rivers States that their issues need supervisory prayers before the Election Day.

Provide protection and security for these States:

Thus says the Lord: Satan is plotting to ruin the economy of their States and plunge their States into chaos in a way that will make them to be

concerned. Their issues need protection and security. Though, I have previously sent messages to them, but cry into their ears to take steps.

Thus says the Lord: These States need protection and security during this period. The States are the following: Zamfara, Yobe, Kogi, Kwara, Federal Capital Territory-Abuja, Borno, Katsina, Niger, Bauchi, Rivers, Ondo, Ekiti, Edo, Bayelsa, Akwa Ibom, Lagos, Ogun, Osun, Adamawa, Sokoto, Kano and Kaduna.

Thus says the Lord: Son of man, inform the Governors of the mentioned States to quickly provide protection and adequate security for their States. These States need sufficient security.

Pray against death of Governors of Lagos, Ondo, Imo, Edo, Cross River, Bornu, and Kaduna States:

Thus says the Lord: People should pray against the death of **two Governors** before the Election Day. People should quickly assist these States in order to forestall a strange and mysterious event. The looming crisis will not burst if people quickly cry out to I, the Lord, to save the situation. Warn the Governors of the aforementioned States to quickly take the steps to brave prayers. People will not hear the bad news concerning two Governors in these States of the Federation, says the Lord God of hosts.

Thus says the Lord: The States are the following: Lagos, Ondo, Imo, Edo Cross River, Borno and Kaduna States. People should quickly pray for these Governors; so that unexpected events will not happen, says the Lord God of hosts.

Pray for the political aspirants:

Thus says the Lord: People should assist the political aspirants with prayers. They should not foment trouble because it is not what they expected that I the Lord will perform; instead, what will happen will be

incomprehensible to the politicians; if people quickly fast and pray for five days for Nigeria; from February 15th until February 19th, 2023.

Pray for Election postponement if it will hurt Nigeria:

Thus says the Lord: People should pray that if this upcoming Election will be a wonder; I the Lord should not make anything to postpone it. However, if the Election will hurt Nigeria and ruin the future of Nigeria, people should pray that I the Lord should make it to be postponed.

Election postponement will produce the Beloved:

Thus says the Lord: People should pray that the hand of I the Lord should pass through Nigeria. Send messages to all the religious people in Nigeria that they should cry out to Me; because once I the Lord makes the Election to be postponed, I will bring out a Beloved to come and sit on the Presidential Seat temporarily. Then the efforts of these aspirants will produce nothing; because their efforts will be fruitless.

Thus says the Lord: The person that I the Lord will make successful to be on the Presidential Seat will not show up; if the fasting and prayer do not take place.

Home invasion to force people to vote:

Thus says the Lord: Behold, My messenger, bloodshed will be very much and it will hurt the populace. The hosts of hell have surrounded all locations; so that it will not be a case of home invasion to force people to vote. Moreover, the adversaries will use this opportunity to hurt one another.

The Yoruba and the Igbo must be alert:

Thus says the Lord: The Yoruba and Igbo are among the tribes that these hosts of hell will first battle. Write this period down; the Yoruba

land should not slumber during this period; instead, Yoruba Land should be at alert so that the unexpected will not happen.

Thus says the Lord: I have been crying out for a long time that the Yoruba should think deeply. This period is not a time for jokes and idle chattering; instead, it is a time of vigilance wherever Yoruba are located.

Thus says the Lord: The Igbo should be prepared because this period is not the time of idle conversation but the time of readiness and alertness.

The AREWA must be prepared:

Thus says the Lord: The AREWA too will be ready and various people will be prepared.

What will happen will be incomprehensible:

Thus says the Lord: People should cry out to I the Lord for assistance because; it is not what people expected or the prophecy that had been delivered; but it will be beyond the expectation of people and surpass the understanding of humans, says I the Lord. My messenger, I the Lord will not utilize anyone's wisdom, but the course that I will take will be incomprehensible to humans.

Thus says the Lord: The path that I the Lord will take will be beyond the comprehension of humans. The firmament will change spiritually from February 12th, 2023. The face of the country will also change and everything will be as if the Lord is angry at Nigeria.

Thus says the Lord: People should raise up their voices in prayers quickly with exceptions of no religion because if the prayers do not take place, what will happen will exceed what you think; and it will surpass what you think. However, inform the leaders of religions to call upon their members to participate in the fasting and prayer.

Thus says the Lord: The people in positions of authority and the political aspirants should seek the wisdom of the Lord. They should seek the people who are filled with the Spirit of God and not the corrupt pastors.

One aspirant will run away:

Thus says the Lord: Son of man, I really pity that one of the political aspirants will run away before the Election Day among the five aspirants. People should pray fervently for these aspirants because this is what can ruin the Election and turn the Election around.

The president is mocking the presidential aspirants:

Thus says the Lord: These five aspirants, they need prayers more than what they think, but four of them are more important. Therefore, the political parties of these four men should raise themselves up because the person occupying the Presidency is mocking all of them. He already knew the outcome of the Election and he knew the traps laid for the aspirants that (the cabal) do not want to govern Nigeria. He is laughing and he is not pleased with the events that are presently happening in the country.

Secrets will be exposed and Nigeria will be shaken:

Thus says the Lord: Son of man, the unexpected will happen and secrets will be exposed and the country (Nigeria) will be shaken. After the secrets are leaked; people will not be willing to fight; instead, they will be blaming their leaders; inasmuch as they knew this secret, why not expose the secret in the past?

Pray for the presidential aspirants:

Thus says the Lord: Write it down; these four aspirants should be assisted with prayers so that one of them will not run away.

Thus says the Lord: The Presidential candidate of APC needs prayers seriously. If the Yoruba Land wants him; they should assist him with prayers.

Thus says the Lord: The Presidential candidate of Labor Party needs prayers in full; his movement needs prayers from February 8th until February 17th, 2023. This man needs prayers and adequate security, so that his labor and effort will not be in vain. The Presidential candidate of PDP needs adequate security and fiery prayers from February 9th until February 16th, 2023. The Presidential candidate of NNPP needs protection and adequate prayers from February 14th until February 18th, 2023. Bola Ahmed Tinubu needs prayers and security from February 11th until February 18th, 2023. The smoke of his disapproval will start rising from February 8th 2023 and this will be noticed wherever he goes to campaign because many of the people from the Northern part of Nigeria will cease following him. Then people will now focus negative attention on him in order to cause weariness for him in a way that can make him to think of the emptiness of all his efforts. Though the smoke will start rising from February 8th, 2023, but it will get more severe from February 11th until February 18th, 2023.

Thus says the Lord: People should assist all these Presidential aspirants with prayers because it is important.

Death of a former President:

Thus says the Lord: My messenger, the messages that I had sent previously will be fulfilled concerning the death of one former President; he is going to his place of sleep without anyone who can stop him. Behold, My messenger, if this does not manifest then, I am not God again. It is prayers offered last year is the reason why his demise was postponed until this year. After this year there is no more grace.

The Trio (Pastor Adeboye, Pastor Kumuyi and Bishop Oyedepo:

Thus says the Lord of hosts: Cry into the ears of these three ministers of God that I gave them seven more days. Even if it is the measurement of their works is what will be used to observe their works. If they refuse to announce the fasting and prayer to their members, and the politicians who are members of their churches to partake and they themselves should take part in the fasting and prayer; then they will be punished for their past misdeeds.

Thus says the Lord: The hand of I the Lord will be raised against them for their misconducts; then their real estate and the money they amassed will not be useful for them. When the looming crisis busts, it will come upon these pastors too, and they will share out of the punishment.

Thus says the Lord: All the corrupted people will vomit everything that they have swallowed unjustly. Whatever they have received or embezzled from the government will be vomited.

Governor of Oyo State will lose his seat unless:

Thus says the Lord: Cry to the Governor of Oyo State that if he fails to seek the people who are filled with the Spirit of God during the period. He should examine where he has fallen and make amendment quickly before February 12th 2023. Write down this hour, he will lose his gubernatorial seat; the position will be taken from him and it will be given to his neighbor who is better than him.

Assurance given to the governor is deceitful:

Thus says the Lord: This period is his prayers, and his mother; together with the people who are favorable to him. The Governor and his household need prayers very much. The people that gave him assurance are deceiving him because they will collect the position from him. The issue of this Governor is like a child that someone intends to collect the bean-cake in his/her hand such a child will be deceived with a candy/sweet.

Governor will be re-elected if:

Thus says the Lord: He should not be a betrayal that put everything in ruin/chaos; instead, he should make amendments before February 12th, 2023 so that he will not lose his position/seat. If rectification takes place and if he thinks deeply by seeking the guidance of the spiritual people. If he caters for the people that that he supposed take care; and if he discharges his obligations on time; then he will be re-elected, if I the Lord permits the Election to take place. If I the Lord does not permit the Election to take place; all the Governors will vacate their seats.

Governor Adeleke of Osun State should cry for mercy:

Thus says the Lord: Inform Governor Adeleke that from **February 9th, 2023**; he should be crying for mercy from I, the Almighty God. He should make amendments wherever he has made mistakes. He should seek the spiritual people who are filled with the wisdom and understanding of the Spirit of God; to guide his administration, so that the crown on his head will not fall.

Adeleke will lose his position if:

Thus says the Lord: If Adeleke turns a deaf ear to this voice to ask for mercy; then the position will be taken away from him before twenty-one days. Certain people will bring charges against him; because he is presently being investigated.

Governor Dapo Abiodun of Ogun State:

Thus says the Lord of hosts: Behold he is thinking of contesting for re-election. It is the Presidential Election that will decide whether he can win re-election. The reason is that certain people did not want his administration again. The complaint of the people is that the Governor is afflicting them, and they have petitioned I, the Almighty God concerning this issue.

Abiodun should use love to deal with people:

Thus says the Lord: Inform Dapo Abiodun to ask for forgiveness of sins from I, the Almighty God. He should ask for forgiveness of his iniquities, and mercy. It is important for him to ask for forgiveness of his secret sins. Tell the Governor to utilize the hand of love to relate to people, and stretch the hand of relief presently to the residents of Ogun State.

Money will disappoint Dapo:

Thus says the Lord: Dapo should gather the spiritual people who are filled with the power of the Holy Spirit; because he needs them during this period. If he turns a deaf ear to this voice; then the money which gives him assurance will disappoint him on Election Day.

Dapo Abiodun will lose his seat if:

Thus says the Lord: Dapo will be looking at his seat, but he won't be able to sit on the exalted seat anymore. The warning that I, the Lord, gave to Oyetola that he refused to heed my instructions. I, the Lord, is giving him the same warning; if he does not act as directed; then the seat of Governor will be given to his neighbor who is better than him.

Messages concerning United States of America

President Biden:

Thus says the Lord: Cry into the ear of Biden, says the Lord God of hosts. My kingdom is truthful and greatness is My power, says the Lord. Inform Biden to take the steps that I instructed him quickly; because delay is dangerous, so that ambush/sudden attack will not confront all his efforts and the deeds that he has done in his journey.

People are plotting to bring another charge against Biden:

Thus says the Lord God of hosts: Behold, certain people are plotting to bring another charge against Biden that is more severe than the existing charge(s). They will soon bring charges against the White House; If the charge is brought against White House, it will make him worried, and it may be something that may lead to his removal from the office.

Thus says the Lord: Certain people are presently putting the charge (s) together and they are finalizing the details; so, cry into the ear of Biden that he should listen during this period to what the Spirit of God says.

God will overturn the secret scheme against Biden:

Thus says the Lord: Use every available means to reach Biden and make him pay attention to the voice/messages of I the Lord. Inform Biden that I the Lord will overturn the secret scheme against him. If Biden is removed from office, many of the black people or the minority will be removed from their various offices; because they will bring charges against them also. Even if the black people or minority cannot be removed due to the charges they will be removed during the next upcoming Election. Notify Biden to take steps quickly, says the Lord God of hosts.

Biden should seek the people who are filled with the Holy Spirit:

Thus says the Lord: I am in the front and at the back of Biden. I, the Lord, will also work with the faith that was used to establish America. So, Biden should seek the people who are filled with the Holy Spirit, wisdom and understanding. The people that the fire of the Holy Spirit resides in their lives, those that the Spirit of God is working through them; Biden needs them before the end of this month (February 2023). Else, things will go wrong between March and April 2023; Write down today's date.

Nations have investigated Biden:

Thus says the Lord: Four countries have investigated Biden and they are happy that they have overcome him. The first country that investigated Biden is China. The second Nation that investigated Biden is Russia. The third country that investigated Biden is Iran. The fourth Nation that investigated Biden fully is Poland. Though, a certain faction in Poland is for Biden but another faction is against him, and they are the ones that investigated Biden fully.

Biden should be wise and take steps quickly:

Thus says the Lord: Biden should be wise during this period; else there will be consequences. All the Republicans who are white are working against Biden's Administration; even among the Democrats, certain people are conspiring against Biden's administration; because it is not what they expected that is happening. These disgruntled Democrats realized that it is not what they desire that Biden is doing.

Thus says the Lord: Inform Biden to take steps immediately without any delay, says the Lord God of hosts.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of a human to speak to everyone. Mankind should listen to I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.

Ezekiel 33: 1-11: Say to them: 'As I live,' says the Lord God, 'I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.'

Numbers 23:19: “God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
