“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*.....” **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

### Introduction

Thus says the Lord: My kingdom is truthful; I am the only Being bearing I ‘Am who I Am,’ says the Lord God of hosts. This world will pass away with its lust; but not an iota of My word will go unfulfilled, says the Lord.

Thus says the Lord of hosts: I enthrone and descend. I have been around since March 31<sup>st</sup>, 2023, and for having time for Me to descend into your midst; it signifies that you received mercy. I descend with flaming fire, and I bring golden crowns; My messenger, I rode on the storm like a horse.

## **Messages to the Nations of the World**

### **Satan is overcoming the world:**

Thus says the Lord: I really pity concerning the conduct and thoughts of mankind. Satan is very happy and he is rejoicing; saying, "Lord God of hosts; behold I am presently overcoming the world; because the people who are Your representatives on earth are filled with three things that made them lose their admittance into the kingdom of heaven. These people are not pursuing the kingdom of heaven anymore, and that is the reason that I, Satan, is joyful."

Thus says the Lord: Son of man, I raise you up through the covenant of existence of day and period. I raise your lives up where the Blood of the Cross is flowing. I also send the Word of the Covenant of the Cross upon your heads. Because Satan is bent on overcoming all the people with callings and he is prepared to fight the final battle, and finish his work. Because he has a brief/short period/time.

Thus says the Lord: Satan is currently using money, morsel, and covetousness, which is the spirit of discontentment to conquer the world.

Thus says the Lord: Son of man, I send out the Blood of the Cross for the people whose hearts are perfect; those that are not pursuing the vanity of this world; those who are not seeking their own interest, but what pleases the Lord; those who are not amassing the beautiful things of this world, where moth and rust destroy.

Thus says the Lord: If you promote and raise up the glory of the kingdom of God, and if the glory of the kingdom of God is paramount in your hearts; son of man, I raise you up; in order to put you under the Blood of the Cross, and save you from the punishment of Satan. Because Satan is fighting the last battle, and he is using deceits to lure people away. Satan is giving people false visions, deceitful dreams with abnormal understanding, and he is deceiving people all the time. Satan is using all these things as a façade to deceive these people; in order to think that

they have the Holy Spirit. Satan is collecting the glorious key from these people, and he is also collecting the glorious crowns from them; because Satan believes that people need deceits more than God.

### **Messages concerning Nigeria**

#### **God will change tactic concerning Nigeria:**

Thus says the Lord of hosts: No one understands the issue of Nigeria. As from April 15<sup>th</sup>, 2023 until May 14<sup>th</sup>, 2023; I the Lord will change tactics concerning the issue of Nigeria, says the Lord God of hosts. Write down this period, tactics will change; because the future of Nigeria needs supervision.

#### **The powerful people will be trivialized:**

Thus says the Lord: Tactic will change concerning Nigeria, and the country will be shaken. I have previously said that the truth will be divulged/disclosed. The truth has been revealed and it is shaking presently; because the powerful being will be trivialized, and become a weakling between April 15<sup>th</sup>, 2023 and May 14<sup>th</sup>, 2023. The powerful people in the country (Nigeria) will be trivialized. Some of them will escape from country (Nigeria); some will say 'death is better than disgrace' because the hand of the Lord will pass through the Nation.

#### **The glory of Nigeria is sold into slavery:**

Thus says the Lord: Son of man, I the Lord is moved to tears; behold, where Nigeria is sold. I, the Lord, is moved to tears, that I the Pathfinder won't I come quickly? In order to rectify Nigeria. Son of man, I am moved to tears; because the glory of Nigeria is in the place of slavery.

### **A smaller country is controlling Nigeria:**

Thus says the Lord: Behold, the country that is not as great as Nigeria is the one that is controlling/directing Nigeria. I really pity, concerning what people did not see or perceive is more than what they see. What people did not know is more than what they know. Write this period down. I really pity; because the spiritual ship of Nigeria is about to be divided into two, and it will be fragmented into many pieces.

### **God is concern about the future of the youths:**

Thus says the Lord: Behold My messenger, various spiritual storms are roaming about, and it has motivated the Nation (Nigeria) very much. I the Lord is concern about the future of the youths; because Satan intends to ruin the future of the Nigerian youths; through 'get rich quick syndrome,' the desire to be wealthy at all costs; using force to make others serve; seeking money by force; seeking by force things that are beyond their ages; which can make them to be mocked and trivialized; to the extent that other Nations will be observing that Nigeria is mocked.

### **The future of the youths is dicey:**

Thus says the Lord: Son of man, prayer for the youths is very important. The people who are fasting should pray for the youths, during the remainder of their fasting period. The future of the Nigerian youths is very dicey starting from Year 2024 until 2027. There will be a multitude of cases of youths who intend to become wealthy at all costs, but become insane or crazy.

### **Use prayer to rectify the future of the youths:**

Thus says the Lord: People should use prayer to rectify the future of the youths; because they are worthy for the development of Nigeria, and they are the people who can elevate the glory of Nigeria. These youths are glorious children, and they abound in glory, and they are full of smartness.

### **Religious leaders should pray for future of youths:**

Thus says the Lord: I really pity, concerning the future of the youths. The religious leaders including the Christians and Muslims with exception of no religious leader should pray fervently for the future of the youths in Nigeria.

### **Pray against insanity among the youths:**

Thus says the Lord of hosts: My messenger, starting from 2024 until 2027, poverty, severe difficulties, punishment, and sin; will this not turn the lives of the youths to uselessness and futility in a way that will make countless of them to become insane and deranged? To the extent that people will say, "Are these the glory of Nigeria that are barking like dogs and running crazy?" So that it will not be very severe that there will be no house/family that they will not have one insane person.

### **Pray for God's intervention in Nigeria:**

Thus says the Lord: People should cry; so that the hand I the Lord to pass through the country Nigeria and visit this Nation, Nigeria; in order to bring out the Beloved between May 27<sup>th</sup>, 2023 and June 17<sup>th</sup>, 2023. If the Beloved is among the present presidential contestants, I the Lord should reveal Myself to him; so that the future of these youths will not be ruined.

### **Pray against famine that is overturning the future of the youths:**

Thus says the Lord: Pray against the spiritual famine that is turning the faces of the youths down, and overturning the future of the children that are full of glory. The children that are supposed to be kings, governors, and president of Nigeria in future. They are wasting the lives of the children that are supposed to be the ambassadors of Nigeria and ministers.

### **Pray against selling of the future of the youths by corrupt politicians:**

Thus says the Lord: Son of man, the eye of the Lord is bitter; because the tears of the youths are so much, and they are weeping bitterly before I the Lord every time. Pray for the future of the youths; so that the corrupt politicians will not sell the future of the youths. Else, it may be that colonialism that Nigeria escaped in 1954 to 1959 through independence; the youths will return to colonization; whereby the youths will be serving the people that they are not supposed to serve as slaves.

### **The Colonial Masters are already in Nigeria:**

Thus says the Lord: The people who intend to colonize Nigeria are already in the country. Son of man, Nigeria needs prayers to snatch herself from the clutches of the colonial masters; who intend to force the populace to serve them by force. This period is a time for prayers and I the Lord is expecting the cries of the populace of Nigeria. Just as My eye is bitter towards sin; My eye is also bitter towards bloodshed that is rampant in the country.

### **Nigerians are among the best in the world:**

Thus says the Lord: If people are looking for excellent individuals in America, citizens of Nigeria will be among. Also, if it is the United Kingdom or Saudi Arabia, citizens of Nigeria origin will be among these outstanding people. If it is Germany or Brazil, Nigerian citizens abound among the exceptional people in these countries. Throughout the world, Nigerians are among the excellent people. Let people raise prayers concerning these youths; so that it shall be well with the Nigerian youths in diaspora; in order to return, and rebuild their ancestral land (Nigeria).

### **Older people should allow the youths in their administrations:**

Thus says the Lord: The aged people that failed to surrender power to the youths will face the consequences. I, the Lord, cry out that any

governor that does not allow the youths to participate in his administration; I the Lord will trivialize such a governor through his conduct, duty and before the whole world as from this period. Any minister or Senator that uses levity to handle the issue of the youths, instead of seeking the progress of the youths; I the Lord will trivialize such people, and they will be disgraced. Any president or king that handles the issue of the youths with levity; instead of seeking a brighter future for the youths, and advise the youths concerning their future, and form a bond with the youths who are the glory of Nigeria; I the Lord will disgrace such a king, says the Lord God of hosts.

### **Storm is raging in the States of Nigeria:**

Thus says the Lord of hosts: Son of man, spiritual storm is raging in the States of the Federation of Nigeria. This storm is also raging at the Federal level; the course that I the Lord will take concerning the issue of Nigeria cannot be comprehended by anyone. From April until June 2023, what will happen will be different from what people are thinking. It is what people least expect that I the Lord will do.

### **Politicians should not instigate trouble:**

Thus says the Lord: Inform the politicians to take things easy, and they should not instigate trouble. It is not what they think that I, the Lord will perform; but the way that surpasses the wisdom of humans is the course I the Lord will take.

### **The following Governors should not rejoice excessively:**

Thus says the Lord: The Governors of the following States should not rejoice excessively. First, Governor of Lagos State, second Governor is the Governor of Ogun State. The third one is the Governor of Kaduna State. The fourth one is the Governor of Adamawa State. The fifth one is the Governor of Borno State, the Governor of Kogi State, Kwara State, Imo State, Oyo State, Kano State, Benue State, Cross River State,

Sokoto State and Enugu State. All these Governors should not rejoice excessively; because the ground can make the powerful being to slip.

He should not rejoice too much; because certain judgments will rise, and he will be investigated; but he should pray for him to govern until the midst of his term/tenure; so that he will not be removed from office, says the Lord. The people who installed him in that position will investigate him, and remove him from the office; write down this period.

The prophets said he should not kneel down before them. The prophets said he should not kneel down; because of his heavy stature. However, Adeleke cried out for mercy in his house three days before the judgment day. He said, "God, be merciful to me." Then some widows and aged people gather concerning Adeleke's issue in these towns/locations namely: Ife, Oshogbo, and Iragbiji. These widows and aged people gathered and they said, "Lord render grace to Adeleke; because the Adeleke's lineage did not ruin Osun State. God, use power to appoint Adeleke's lineage, and permit this little child to sit on the Governor's Seat."
