“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*.....” **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord of hosts: I am honest and great is My power. I am the only King that does not change. The earth and the heaven will pass away, but not an iota of My word will go unfulfilled says the Lord.

Thus says the Lord: I am the Supreme Being who created a path where there is none; the King that surpasses other kings. The only God that created a path in the spiritual wilderness of the earth; His is Jehovah Jah. It is the name of I the Lord, who is the God of the Hebrews; who is the God of your forefathers. Great is My power, I descend, says the Lord; I surround this location and I hold captivity captive, says the Lord God of hosts.

Thus says the Lord: Son of man, I am honest and I am the God of the Spirit of the prophets. “They looked to Him and were radiant, and their faces were not ashamed.” **(Psalm 34:5).**

Thus says the Lord: I am very concerned, My messenger; will I the Pathfinder not come quickly? Because the spiritual Ship of Christianity continues to tilt every day, and the spiritual wave of the world is coming against it, which is causing panic for the Beloved. Who will successfully swim the spiritual sea/river of this world? I really pity; My messenger, and this My question is for everyone in the world: Will I meet Christianity faith in the world? “What will it profit a man if he gains the whole world and loses his own soul?” **(Mark 8:36).**

Thus says the Lord: Have you forgotten that you are sojourners and pilgrims on earth? Have you forgotten that the world is like a cane that swings to and fro? Have you forgotten that the world is a market place? Moreover, this world is for a brief period of time. Humans have a brief period of time to live in this world.

Revolution and resolution:

Thus says the Lord: I really pity that revolution and resolution are already in Nations across the globe. Resolution for those who are filled with My fear and are seeking peace for My kingdom. Resolution is for the Beloved of I the Lord.

Messages concerning United States of America

President Biden is tilting spiritually:

Thus says the Lord of host: Warn this man called Biden because the ground is about to make the powerful being slip. Biden is tilting spiritually, and if it continues, the governance will be taken from him, says the Lord, and people will like to be against his administration.

President Biden should convene emergency meeting:

Thus says the Lord: Notify Biden to run to I, the Lord quickly. Inform Biden to convene an emergency meeting between now (August 20, 2023) and ten days with his senators before the end of this month (August 2023). Biden should give these Senators necessary support and encouragement. Any Senator that is for Biden should take his/her stand, and those that are against Biden should declare their intentions. I, the Lord, will expose the saboteurs among the Senators.

People should fast for United States:

Thus says the Lord: People should have one white fasting (break the fast with fruits) concerning the issue of America. The issue of America will be so severe from September 2023 until March 2024. The seriousness of the issue will be deeply felt from September 2023.

Though I, the Lord had delivered him from impeachment, but what is more severe than impeachment is coming, which can hurt him and affect his chances of winning the Election; if he contests for the second term in office.

Thus says the Lord of hosts: Tell Biden to quickly take steps that are worthy of the fear of I the Lord and prayers. If this man (the President) does not take steps between ten days (from 08/20/23); another storm will happen between September and October 2023 that will shake his administration; in a manner that will not make him contest for a second term in office.

President Biden should cry to the LORD:

Thus says the Lord of hosts: Inform Biden to cry to I the Lord; I am prepared to fight for him, and take control of America from secret beings and the power of the darkness; together with spiritual beings of the wind and marine; who are battling the economy of America.

Battle confronting Biden is not physical:

Thus says the Lord: The battle that is confronting Biden is not physical, but it is a spiritual battle. The obscure beings, and the hosts of hell are the ones that gathered to ruin the administration of Biden. If Biden and his subordinates refuse to call on I the Lord; then the economy of America will take a downward trend from September until October 2023; write this period down.

Pray against a smaller country challenging America:

Thus says the Lord: Pray, so that a smaller country will not challenge America and start a severe war with America.

Revolution is coming to USA if:

Thus says the Lord of hosts: My messenger, revolution is coming to America if Biden refuses to take steps as instructed. From September until November, revolution will happen. However, it is good for him to quickly cry out to I, the Lord through prayers.

Thus says the Lord: Biden should seek people who are filled with the Holy Spirit to come and conduct fervent prayers at the White House and his family; because it is important.

False prophets will be disgraced:

Thus says the Lord: I the Lord will disgrace all the people who are giving false messages, when they are not sent. The spiritual hand of I, the Lord, will pass through the country (Nigeria) without sparing any location.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of a human to speak to

everyone. Mankind should listen to I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.
