“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

**Messages to Nigeria**

**God is not pleased:**

I the Lord is not pleased with administration of the physical and spiritual governments. The physical government is the people that I appointed and installed in powerful positions to control or direct others, while the spiritual government is the people that I made the religious leaders, those that I raised as My ambassadors in the world. **All of them should abstain from unrighteousness.**

**President Buhari:**

He should seek the wisdom of I the Lord, and **find the pastors/prophets that are filled with the Holy Spirit and the understanding of God to be his religious advisers, because their wisdom is important in his governance.** He should not commonize the people who have governed the country in the past, because of **the wisdom of some people among them is useful for Nigeria.**

**He should take steps concerning the states that are having the issue of bloodshed.** He should use power/force to silence them. He should be filled with the fear of I the Lord, so that **the wonders that I the Lord intend to perform**

according to the promise which I made since April 2020 will manifest. I have previously sent all these messages to him in the past.

### Aso Rock (Villa):

I the Lord have previously said that the hand of I the Lord will pass through Aso Rock Villa and **it will expel all the meaningless things; to the extent that people will be afraid. After this action, I the Lord will establish glory for Nigeria.**

### Humility of the people in position of authority:

I the Lord want the people in position of authority to turn to Me, they should humble themselves before I the Lord. **The eye of I the Lord is bitter because of the suffering of the Beloved that is making them to cry out to Me persistently;** and I am not pleased with the cries of the Beloved. These people should change fully, because there is no powerful being that has power over his/her own soul.

### The Senate:

They should be filled with wisdom, and investigate all matters fully, and hold on to the truth. **They should speak the truth, because their step of rectification is very important for Nigeria during this period.** They should have a meaningful meeting with the President, because **their past meetings were insufficient and ineffective.**

### Ministers and Government officials:

They should seek the fear of I the Lord, because **My fear is missing among them,** therefore they should be filled with the wisdom of I the Lord. They should speak the truth because of the future of their children. **Time is coming when I the Lord will shine light to the things that are in the darkness before the nation and I will reveal hidden secrets.**

I the Lord is expecting their step of rectification and they should not make anyone to suffer during this period. **They should scrutinize the people that are working with them, and those that they are sending on errands, because majority of the people that surround them are unrighteous. This issue affects the Minister of Information more than the other ministers, and it should be of utmost concern for him.** All of them should be wise and turn to I the Lord.

### **Bola Tinubu:**

He should beware among the people that surrounds him, because **they are just deceiving him**. He should ask for wisdom from I the Lord before he takes any step during this period. I the Lord know everything that is happening in his journey concerning his health, so **he should not put his hope in humans, but rely on I the Lord more than humans**.

I the Lord will heal the source of his water and blood. **He should pray against the event that can happen, which will make him to bow his head in sorrow and weep between June 21, 2020 and September 11, 2020. I the Lord will step upon and crush this event**, if he is filled with My fear and utilize the wisdom of I the Lord.

### **NCDC:**

I the Lord send authority of warning from heaven, **they should not allow anyone to influence or pressurize them to collide against I the Lord every time**. They should speak the truth, and utilize the wisdom of I the Lord in all occasions. **They should acknowledge I the Lord in all their steps, and let Me take precedence in all their activities**, because whatever that they do today will certainly turn to history in future; so that I the Lord will make them to be successful.

### **Task Force:**

They should turn to Me and apply the wisdom of God in all their dealings, because the tears of the Beloved is ascending into My presence. They should not allow the leaders that are in position of authority to influence or pressurize them. They should think deeply because it is worthy for the law of spirit to be potent more than physical/carnal regulation/law; inasmuch as this task is not forever, when time comes the post/position will cease/end.

### **Death of a Famous King:**

Thus says the Lord: I do not change concerning My messages, one famous king will pass away, if this does not happen I am not God anymore. Write down this period, this particular king is sick says the Lord God of hosts.

### **The Kings/Monarchs:**

Thus says the Lord: My messenger, all the kings should sleep in three natural human positions and be filled with the wisdom of I the Lord during this time. I really pity the first class kings because one of them will sleep and this will make the other kings to tremble. I the Lord send these messages for all of them to take meaningful steps, which is the fear of I the Lord, prayers and fasting.

Thus says the Lord of hosts: They should convene an emergency meeting of the kings/monarchs in Nigeria. Behold, after this king dies, then the remaining kings will tremble and realize that there is no king who has power over his soul or power over others. If anyone is in a post/position it is because such person has received grace and mercy from I the Almighty God. The kings should take steps, and any king that is committing atrocities should change, any king that is passing severe judgment on people should change, says the Lord; communicate these messages to the kings/monarchs.

Thus says the Lord of hosts: Any king that is filled with My fear will be rewarded accordingly says the Lord. Any king that is filled with the wisdom of I the Lord will be rewarded.

### **3 Day Fasting and Prayer:**

Thus says the Lord: They should fast and pray for three days before June 18th, 2020. They should quickly carry out the fasting and prayer. Then they should praise I the Lord wherever they are worshiping in their abode. Any king that turns a deaf ear to these messages, I use My throne to swear that judgment is coming, and such king will realize that I the Lord alone have power over humans, and human does not have power over himself. What I want is the rectification steps from all the kings/monarchs with exception of none. The kings/monarchs should take these steps because it is important. I am the Lord and I do not change.

### **Sultan of Sokoto:**

Warn the Sultan, because **there is a step that some people want to take to harm/hurt other tribes**. He has the power to silence them, but **if he refuses to take this honest step to derail this nefarious activity and speak the truth, then the eye of I the Lord will be bitter towards him; and My judgment will pass through his palace**. My judgment will then come upon him and his chiefs and he will be afraid when My judgment comes. However if he takes step, **his rule will last and the journey of his children will be meaningful throughout the world**.

### **Lagos State Governor:**

**I the Lord is the One who installed him in that position and not mankind, because he has the fear of I the Lord and he is zealous. He should not allow anyone to influence/pressurize him to collide against I the Lord on My throne, most especially those who are delivering false prophecy, when I did not send them.**

I the Lord saw his efforts and night vigil, and his sigh and that of his wife: therefore **I will answer his prayers and the prayers of the people that surround him who are asking for forgiveness and mercy.** I the Lord will pass through Lagos State, and I will step on the storm that is raging, and peace will reign.

**When he is 18 months in office, they will write petition against him, in manner that can lead to impeachment, so as not to finish his term; however, the secret of these people will be exposed before December 2020. Some people are having series of meetings so that he will be removed from office, but before his birthday, I the Lord will perfect everything and his issue/situation will result in smile/laughter.**

**He should not listen to meaningless words/messages that can hurt/harm his government. He should assist the house of assembly with prayers, so that he will not hear the demise of one of them who is his helper. He should pray concerning the local government chairmen; Satan is determined to take two out of them, and these two have records of extensive performance, but they are presently sick. He should pray for Tinubu his godfather that whatever that can happen which will make him to bow his head with tears between June 2020 and September 2020, I the Lord should step on it.**

### **Ogun State Governor:**

**He should not allow those who did not want him to govern the state in the past to use advice to ruin his rule.** Sometime ago, he had series of dreams that did not make him to be happy, he had a minor headache, and his body is felt uncomfortable. **I the Lord want to intervene in his life between 21 days.**

**Some people are investigating him presently, therefore he should be filled with wisdom and understanding. I the Lord will silence the storm that intends to plague his home, which can make him to bow his head in sorrow. Certain people in his administration are not honest, but they are saboteurs. I the Lord will expose them publicly.**

A looming crisis will burst that will bring bowing of head in sorrow, **concerning one of the people who serves as the pillar that supports him, so pray for this person.**

**Governor Godwin Obaseki of Edo State:**

Thus says the Lord: Inform the Governor that the eye of I the Lord sees the dispute in Edo State. There is a step that can harm him, so he should not take this step. He must not allow anyone to pressurize or influence him to sin against all the indigenes of Edo State in a manner that will make them to turn their backs on his government forever and this will cause future weeping for his children.

Thus says the Lord of hosts: The step is about all the meaningless petitions that were presented before him, he should step on them. What type of petition? He must never think about it or act to remove the Oba of Benin from his throne, through his words or other means. Though the governor has the power to remove all the kings from their thrones but he should leave that judgment for I the Lord, says the Lord God of hosts. He must never take this step, but erase it from his mind, so that it will not be in his record anymore; in order for his praise to be very much in the governance of Benin.

Thus says the Lord: If he honors I the Lord and believes that I the Lord alone is the powerful Being, If he humbles himself and if he does not put his hope in idol; though this election will be very powerful and the way that I will take will be beyond the comprehension of humans. He will win because the powerful will become weak, but if he is filled with smartness and seek the assistance of the idolaters, and forgets I the Lord, then strength/might will become weak; then I will give that honor and glory to his neighbor who is better than him. It means what will happen will be beyond what people have previously thought.

**Adam Oshiomhole:**

Thus says the Lord: I the Lord send these powerful messages to him, he should handle everything gently. I am the Lord God of hosts who created the heaven and the earth; I send these messages to him that he is not occupying his present position due to his smartness. He should remember that I the Lord am the One who installed him in that post. He should know that, if he did not change or take step to revenge and he must not think/say that I have the power to do whatever that I like. He should handle things gently says the Lord God of hosts. He should change and turn to I the Lord before June 10th 2020, he should not listen to the slandering words of the people or use them to take action on the governance of Edo State.

Thus says the Lord: Warn him that if he turns a deaf ear to these messages, those that do not want him in the position are still around. I the Lord promise and make covenant that either he likes or not the APC that he trusted will betray his government before the next ten months. The APC will betray him to the extent that he will not have any influence anymore in APC party throughout Nigeria. Those who will make him to be impotent in the party are very close to him and they are the ones that are instigating him to take steps/actions.

Thus says the Lord: Tell him that he should use the wisdom of God, so that My protection will be guaranteed upon him, his children and wife; he must not utilize other people's wisdom, instead he should seek the fear of I the Lord during this period. I want to work and walk through his life. The hand of I the Lord will perform wonders and people will be afraid; if he applies wisdom. During this period, he should bring forth the fruit that is worthy for repentance and change. However, if he refuses his power will become weakness says the Lord of hosts. It is not human power that will make Edo State to have acceptable government, only the power of I the Lord alone can achieve that.

Thus says the Lord: He should realize that the powerful person can become weak. We are the ones who owns today and tomorrow, is a wrong statement because humans can own today but I the Lord owns tomorrow or the future. He should be filled with wisdom and humble himself so that I the Lord will destroy the contrary and secret covenants concerning him.

### **Oyo State Governor:**

He should be filled with the wisdom of I the Lord, and he should be very careful, because **I the Lord will pass through Oyo State from June 7, 2020 until November 14, 2020.** If he is careful, **some people that are taking step to hurt/harm his government in a way that can make him to lose his life will be exposed. He should make I the Lord his Alpha and Omega;** so that I will pass through and suppress this storm.

**The looming crisis that will burst in Oyo State will affect him, and it can cause harm for him;** so that I the Lord will silence these powerful people concerning his life. **He should not accept any advice that will hurt/harm his administration, and he should beware so that he will not be deceived. There is a certain person that he perceived as his backbone, this person is a king, he has thorns on his palms and he is a saboteur.** If he leans on his own knowledge, the looming crisis will burst and it will make Oyo State to tremble.

### **Osun State Governor:**

**Humility of his heart is what I demand; I the Lord will pass through Osun State, between July 4th, 2020: until September 14th, 2020. He should not allow those who are seeking to harm Osun State in a manner that will cause downfall for the upcoming generation in future.**

He should seek the wisdom of I the Lord and remember that he came to power due to the mistake of the former governor, **however the time has come for him to be removed from that position, but if he is filled with My fear, I the Lord will cause misunderstanding among those who are writing petitions against his government. There are several petitions against this man,** therefore he should not commonize anyone, I the Lord will deliver him from these powerful people.

### **Ondo State Governor:**

He should seek wisdom, and be filled with the fear of I the Lord; and humble himself before I the Lord. **If this man honors Me and believes in Me, when he contests election he will be successful. However, if he honors human more than I the Lord, he will not occupy this executive seat again.**

If he utilizes the wisdom of I the Lord, **I will make the powerful people that are warring against his life to become weak. The looming crisis will shake in Ondo State and it will harm some people, because they are seriously investigating this man.**

**There are certain people on the mountain that are praying that I the Lord should remove him from that position. Some people are praying that he should make mistake or error which will make him to vacate that position. He should not turn a deaf ear to the kings.**

### **Ekiti State Governor:**

**Great misunderstanding is coming to Ekiti State starting from October 2020 until January 2021. The governor should be filled with the fear of I the Lord so that what they did to the past administration which caused the removal of the governor will not be done to him. He should be filled with understanding until January 2021 because they are spying on him.**

### **Kwara State Governor:**

Misunderstanding is currently happening; **if this man listens to the advice/words and those things that the people are publishing, it will hurt/harm his government:** therefore he should utilize the wisdom of I the Lord. **He should resist the tribe that calls themselves a Nigerian tribe, that can hurt his administration, whereas they are not a Nigerian tribe.**

**They are investigating him, to takeover the government. Certain old people have said contrary words into his life, because they complained that he made them to be naked. He should take a rectification step that will make the aged and the widows to be happy throughout the state.**

**He should honor the religious people; he should not trivialize their works. He should allow the religious advisers to work with his administration; it is then that he will be successful in his 4 years term without delay. If he turns a deaf ear on these messages, those who are plotting, that called themselves Fulani tribe whereas they are not Fulani will trouble his government, to the extent that if he contests for a second term he will not win.**

**However, if he quenches this fire, the people of Kwara State will never forget his work forever. He should quickly fight for the future of the upcoming generations of Kwara State,** because some people have ruined the future of their children.

### **Benue State Governor:**

**I the Lord will collect glory concerning the election. I do not want bloodshed during this period.** They should seek the fear of I the Lord and be filled with wisdom and understanding. The powerful person is becoming weak presently in Benue State, afterwards the big powerful person will now become weak.

### **Kogi State Governor:**

**I the Lord will rectify the upheavals that are happening, which displeases Me between June 2020 and November 2020. I will expose secrets, and rectification will be established in Kogi State without delay.** I the Lord will work starting from the local governments, and I will proceed to the State.

### **Sokoto State Governor:**

**I am expecting My fear from him, he should not allow certain people to ruin his government; because they are pursuing the downfall of his administration, and they are looking for charges that will make them to takeover His government. He should be filled with wisdom and the fear of I the Lord; he should not handle his religious advisers with levity; and he should not relegate the kings/monarchs to the background.**

Yes Lord. **If he turns a deaf ear to these messages thus says the Lord of hosts, I use the covenant of My throne and the covenant of My existence to swear, he will be looking at the presidential seat but he won't have the opportunity to sit on it anymore; because he will not win the upcoming election.** However, if he takes the steps that I the Lord instructed him to take, and he humbles himself, and believes that all power belong to I the Lord alone, and if he does not support those who intends to invert the Bible in America, in order to trivialize America, **then he will win the upcoming election.**

Thus says the Lord: He should not forget that I raised him for the falling and rising of many, so if **he strays from the steps which I directed him to take, then, he will be looking at the presidential seat from a distant place but he will neither have the opportunity to come near the seat nor sit on the seat.**

Thus says the Lord: Tell the President to quickly take the step of the fear of I the Lord. He needs the fear of I the Lord during this period, and humble himself, and give all powers to I the Lord that all powers belong to God. **He must not follow contrary advice of people, because the advice of people will cause disappointment for him.**

Thus says the Lord: There are certain things that the past administration had performed.
