“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

Introduction

Thus says the Lord of hosts: I am the Lord God of hosts and I do not change. The hour will come when people will not be able to listen to the truth anymore and whatever that they have received is what will edify them. The hour will come when true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him (**John 4:23**).

Thus says the Lord: The God of hosts who is the God of the Hebrews. I do not change, says the Lord, and Jehovah Adonai is My name. I am the One who is speaking in the flame of fire. I am the only God that My understanding is beyond and surpasses that of humans. Also I the Lord God of hosts is not the age mate of anyone or the age mate of the ancestors of humans.

Messages concerning the all Nations

The two Adams:

Thus says the Lord of hosts: I created two Adams. **The first Adam was the one of dust and the second Adam is a Spirit (Spiritual). The Adam of dust was granted a perishable crown, while the Spiritual Adam was granted the imperishable crown.** Behold, the hour is coming near for the people in the

world, when they will not have the opportunity and time to receive sound doctrines. The Devil is roaring with the hosts of hell in order to gain the world. What are the three things that Satan will use to gain the world?

3 Things Satan will use to gain the world:

Thus says the Lord of hosts: The three things that Satan will use to gain the world are the things written in the Holy Bible, when Son of Man finished His forty days and forty nights fasting. He was tempted to turn stones to bread; Satan tempted Him to jump down from the pinnacle of the temple. The Devil told Him to fall down and worship him. Behold, My messenger, **morsel will defeat the faith of some people; what they will eat will take away the key of the Kingdom of God from them**; and this event is currently happening in the world. **The second thing is the covetousness (love of money) is making many to lose the gifts of the Holy Spirit because they want to become super rich in the world.** They have forgotten the directive which says “lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal.” **Matthew 6:20.** Many are amassing treasures that rust and moth will destroy. They have forgotten that **time is coming that the owner of their souls will ask one day for the souls to be returned from the people who rented/leased their souls. The third is discontentment, and it has caused the downfall of many powerful people.** Discontentment is when one is not satisfied with what he/she has thereby making such a person to strive to get more. My messenger, **I really pity that will I meet Christianity faith in the world when I descend/return to this world? I am the Lord, I do not change; I created the heights and the plains, and all power belong to I the Lord.**

Humans are debtors:

Thus says the Lord: **All humans in the world are debtors; the soul that is given to everyone was leased/rented.** The Owner of the soul will ask for it to be returned one day. **If everybody understands that their souls were hired, many people will not do evil, and people will honor I the Lord more than everything in the world. People would have fled from idolatry and exalt I the Christ above everything in the world. Everyone’s soul is hired, and the Owner of the soul may ask for it any time, without any prior notice or knowledge of the lessee of the soul.**

Messages concerning Nigeria

God loves Nigeria:

Thus says the Lord of hosts: **I love Nigeria, says the Lord God of hosts.** So, always input it in your messages. Thus says the Lord, Nigeria is a country that is flowing with milk and honey. Nigeria is an important Nation, and a beloved of I the Lord; I called the prominent and distinguished people from Nigeria, and I am honoring them all the time.

The President:

Thus says the Lord of hosts: **I have said that people should pray for the President. People should pray seriously for him, so that when the looming crisis bursts, it will be out of his control, and harm this man himself.** But people should still pray for him because he is their President, **so that the crown will not be taken away from him and given to his neighbor who is better than him. So that the Vice President will not take over his position just like what happened during the time of Ya'radua and Jonathan.**

Thus says the Lord: The President should be wise and be filled with understanding. **He should seek the ministers of God and the wisdom of I the Lord. He should not get involve in corrupt conducts or bloodshed during this period,** says the Lord God of hosts. Almighty God is the One who made him His Beloved from heaven, and He is the King of kings. I the Lord does not want the death of a sinner, but for the sinner to repent.

Thus says the Lord: **He should not listen to bad and inappropriate advice of the people who surrounded him; who are muddling up his government. He should listen to the advice of the religious advisers, those who are ministers of I the Almighty God; in order to guide his government, because his own wisdom alone cannot accomplish the goal,** so that he will have glorious joy to finish his tenure, so that his journey will not be ruined, says the Lord God of hosts.

Aso Rock Villa:

Thus says the Lord of hosts: I cry out for the second time that Aso Rock needs prayer in January 2021, **starting from January 19th until March 27th, 2021 the issue of Aso Rock needs prayer and supervision.** The looming crisis will burst; and it is a great misunderstanding that can destroy great things. People should assist Aso Rock with prayer, because 'Obedience is better than

sacrifice,' so that mysterious events that are meaningless will not happen. **It is important to pray for Aso Rock, so that the event that will hurt the Nation and make Nigerians abroad to be afraid will not occur.** For this reason, people should assist the officials of Aso Rock Villa with prayer; starting from the President, Vice President, to the secretaries, and the cabinet members. Their issue needs serious prayer, because it is essential to support them with prayer.

Thus says the Lord: **Inform the President and the cabinet members not to handle the issue of the ministers of I the Lord in Nigeria with levity, instead, they should greatly honor them and accord them due respect.**

Government must not enact or permit draconian law:

Thus says the Lord: **The government must not allow any law that can hinder/block the path of prayer, the law that will not permit the Christians or the religious people to worship Me; if not, it will hurt the people in government too. The effect of this draconian law will first be felt by those in the government.** They should honor My ministers very much in this Nation. **It is the prayers of My ministers that uphold the Nation,** so they should not handle the issues of My ministers with frivolity in Nigeria because **I the Lord love My ministers very much.** That is, those who are the Ambassadors of I the Lord, those that were ordained and anointed.

Pray for the Ex-Presidents:

Thus says the Lord of hosts: I repeat for the third time, **the issue of the ex-Presidents needs prayer and supervision between January and March 2021.** I the Lord is crying out that their case needs supervision. People should pray fervently for them because **Satan is plotting to take the life of one of them.**

Pray for Ex-Presidents, Ex-Ministers, former & current Senators and Governors:

Thus says the Lord: **People should pray seriously for these prominent figures, because this year Satan wants to take the control of the government. Behold, Satan is currently planning to destroy good things.**

Party Leaders and Chairmen:

Thus says the Lord: I have instructed people to pray for the political party leaders and the chairmen, because **Satan is determined to continue to ruin**

things. People should pray fervently for these people between January and March 2021 (Do not forget to add the dates). It is important for people to raise their voice in prayer for these people.

Governor Godwin Obaseki of Edo State and Governor Rotimi Akeredolu of Ondo State:

Thus says the Lord of hosts: They should not sleep spiritually, says the Lord God of hosts. They should be filled with understanding and wisdom. They should be filled with prayer and knowledge of I the Almighty God. **They should not turn a deaf ear to the advice of the religious advisers and the prophets that I the Lord is speaking through them to reveal the hidden secrets.** They should not disconnect the participation of the Kings in the administration of their government. **I the Lord wants to walk with them in order to destroy secret plots and the covenant of the hosts of hell.** I will walk in their government and **I will not allow their governments to be overturned, says the Lord God of hosts.**

Thus says the Lord: **Some people are bent on ruining their governments and causing chaos. They are presently taking steps to achieve this goal,** and I have previously sent messages to these Governors to inform them that **between January and March 2021; the step will be severe,** but if they are filled with the understanding of I the Lord and prayer, and if they make I the Lord their Alpha and Omega; **if they do not lean on their own understanding or get involve in idolatry; then they will become victors.** However, if they turn a deaf ear to the messages of I the Lord that I have sent to them in the past and the one that I sent to them to be vigilant and ready with wisdom and understanding. **During the first three months of this year, they need the wisdom and understanding of I the Lord. They need knowledge, intelligence and vigilance; because those who wanted to ruin their governments are not handling the issue with levity.** They should think that it is prayer that exalts a Nation, so that they will not overturn the people that surrounded them. Therefore, **they should not sleep spiritually, says the Lord God of hosts; so that their government will not be trivialized between February and March 2021.**

Thus says the Lord: They should be agile during this period, says the Lord. I the Lord wants to walk, and pass through these States, says the Lord God of hosts.

Governor Yahaya Bello of Kogi State:

Thus says the Lord of hosts: Inform the Governor of Kogi State that **his government needs prayer during this period; starting from January 24th until March 22nd, 2021.** This particular hour should be an hour of prayer for him, because he needs fervent prayer. He should not handle his administration with levity and he should be wise and be filled with understanding. **He should not handle the religious advisers with levity, says the Lord God of hosts; because some people are planning to ruin his government, and sue him in a court of law in a manner that can tear apart his government. Certain people will rise to bring charges against him, which may lead to impeachment.**

Thus says the Lord: He must be filled with wisdom and understanding. He should be closer to prayer and be filled with the fear of I the Lord, says the Lord God of hosts. **Behold, if he handles this issue with frivolity the event will happen.** I the Lord sends messages to him to be agile during this period, says the Lord God of hosts. He needs prayer, so **people should assist him with prayers seriously, during this period. So that the looming crisis will not burst in February 2021 which can lead to trouble and his impeachment in March 2021. However, if people pray seriously for him, the problem will be over.**

Governor Ezenwo Wike of Rivers State:

Thus says the Lord of hosts: **Notify the Governor of River State that he should not handle his personal issues and administrative issues with levity in February 2021, says the Lord God of hosts. Certain people are relating to him with deception, so he should be wise because his government will be shaken between February and April 2021.** He needs the wisdom of I the Lord during this period. **He should not handle with frivolity, the ministers of I the Lord who are his religious advisers. He should utilize the wisdom of I the Lord and he must not lean on his own wisdom, because some people are plotting to ruin his government and overturn his government.**

Thus says the Lord: Inform him to be wise in I the Lord. **If he turns a deaf ear to this message, this incident will happen. The crisis will shake his administration between February and March 2021, and it will make people to despise/hate his government in April 2021.**

Governor Abubakar Bello of Niger State:

Thus says the Lord of hosts: The issue of Niger State needs prayer. **People should pray seriously for Niger State starting from February until May 2021. Certain storms and looming crises will plague and seriously shake this State.** The Governor of this State needs prayer and he needs the wisdom of I the Lord during this period. **He needs to gather his religious advisers in order to ask for guidance from I the Lord.** That I should reveal to them what is about to happen in the State and the step to be taken. **Because Satan is planning to use the hosts of hell (the terrorists) to wreck havoc in this State during the period that I the Lord had mentioned (February to May 2021).**

The Kings/Monarchs:

Thus says the Lord: My messenger, inform all the kings that I have previously sent messages; **for them to come out and speak the truth. They should be filled with My fear during this period between these three months (January to March 2021).** I the Lord needs the truth from their mouths.

Christian Leaders, Religious Leaders and Muslim/Islamic Leaders:

Thus says the Lord of hosts: All the people who called themselves Christian leaders, religious leaders and the Muslim leaders: **I send this message to all of them; they should cater for the widows and orphans; they should take care of the Levites. They should teach the members of their congregation about Salvation; because of the future of the youth; It is important.** I do not want bloodshed from anyone, says the Lord God of hosts. **Anyone who raises bloodshed will be penalized.**

Thus says the Lord: **I the Lord give them three months to make amendments (January to March 2021). Then the judgment of I the Lord will rise.** Write it down, My judgment will rise. I am the One who owns the time and the season of humans on earth; but I the Lord is always patient for humility and the positive change of humans. **After three months (from April 2021), I will not listen to any plea again, instead judgment will come from above.** I will release the angels, and the angels will pass through the world with severe judgment, says the Lord God of hosts.

Thus says the Lord: **After the three months (from April 2020) mysterious things will be happening. Many will hear the news of what is happening to**

these people, and they will tremble and fear; because of the ordeals of the pastors/priests, the religious advisers and the Kings who refused to speak the truth; who refused to change; who failed to take steps of rectification. My messenger, there is no exception. This judgment is for all the Churches including your church (Christ Apostolic Miracle Ministry).

Leaders of Christian religion:

Thus says the Lord of hosts: **The Christians should not sleep spiritually between January and March 2021, so that the issue of Christianity will not become using force to worship according to the tenets of Christianity; it will not be worshipping with ease.**

Thus says the Lord: All the leaders of religions should be filled with prayer, understanding and the power of the Holy Spirit; else, the result of this issue will not be palatable. **Whatever that the leaders of religion do today will become history tomorrow, and their descendants will meet the record of their deeds.** People will not forget whatever that they perform; what Babalola did is not erased, what Obadare performed is not wiped out, what Moses Orimolade executed is not deleted; what Oshoffa carried out is not expunged; what the ministers have achieved in the world is not erased, instead, people still remember them. **They need to realize that they too have to achieve certain things, for them to be remembered by the world.** They should think deeply concerning this matter because of the future of the youth, says the Lord God of hosts.

Pastor Adeboye, Pastor Kumuyi and Bishop Oyedepo:

Thus says the Lord: Inform the pastors/priest that I had previously sent messages; for them to be filled with honesty and be truthful in all their dealings. **These pastors/priest should not think that they are something, when they are nothing.** They should remember that the owner of their souls can ask for them at any time, says the Lord God of hosts. **I want the truth from their mouths and their humility.**

The people that received messages:

Thus says the Lord: My messenger, **the statement of humans may not come to pass, but the messages of I the Lord will be fulfilled.** Do not forget, **if all the people that I sent messages to, take steps, they will witness a positive change in their lives/community.** The same messages sent to King Hezekiah were sent to King Ahab, but Hezekiah made amendments while Ahab failed to

make rectification. Therefore, My judgment came upon Ahab, says the Lord God of hosts.

Thus says the Lord: If you recollect, you will remember that I sent messages to King Jehoshaphat and he made amendments, so I fought for his land and I gave him the crown of a victor. **My judgment will come upon all the people who turn a deaf ear to the messages of I the Almighty God.**

Prayer of the Beloved and tears of the widows:

Thus says the Lord: Behold, **the prayer of the Beloved and the cries of the widows is coming into the presence of I the Lord every time. I the Lord saw the tears of the widows and I the Lord is not pleased with the people who are oppressing/exploiting others.**

I am the Lord, I do not change. I created the heights and plains; all power belongs to I the Lord. Peace be unto you.

Ezekiel 33: 1-11: Say to them: ‘As I live,’ says the Lord God, ‘I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.’

Numbers 23:19: “God *is* not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
