“The Spirit of the Lord GOD *is* upon Me, because the LORD has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are* bound..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6**

Introduction

Thus says the Lord God of hosts: I am the Lord and I do not change; Jehovah is My name. It is a pity that if I return will I meet Christianity faith in the world? The behaviors of humans continue to be severely evil; and the eye of I the Lord is bitter toward sin and bloodshed. Behold, the behaviors of humans keep changing on a daily basis, and they have turned Christianity to something else.

Messages concerning Nigeria

The President does not have power:

Thus says the Lord: **The President does not have power over those who are ruling Nigeria; because these people can eliminate his household; or trivialize his administration.**

Nigeria needs security and prayer:

Thus says the Lord: Nigeria needs adequate security and serious prayers. They should provide security for the people in positions of authority and the leaders of the Senate. Security should be provided for the National Assembly and the House of Assembly; together with the Ministers. All these people need adequate security and fervent prayer during this period, says the Lord God of hosts.

Pastors who say somebody will be the next President are lying:

Thus says the Lord of hosts: My messenger, I the Lord send messages to you for the second time. What are the messages? **Any of the pastors/prophets that I send on an errand who says the Lord spoke to him that somebody will become the President; or a certain person will be appointed as the President; or the Lord says that the President will come from a certain geographical location of the country; it is a white lie.**

Crises will make aspirants to be inactive and be in hiding:

Thus says the Lord: **Many looming crises will burst in 2022, and these are what will make the Election to be shaken. All the aspirants will then go into hiding or be inactive when great events are happening.**

Whoever says the next President is among the aspirants is lying:

Thus says the Lord: **If anyone says, I, the Lord spoke to him that the next president of Nigeria is among the current aspirants; it is a lie. If any pastor/prophet says, I, the Lord revealed to him that**

somebody among the aspirants will become the next President; My messenger, it is what he thinks.

PDP Party will be divided, women will contest and election will take place if:

Thus says the Lord: PDP will be divided, and women will contest for political positions like gubernatorial positions. **This Election will take place if the Lord opens the spiritual door of grace.**

Certain people at the top are ill advising Tinubu:

Thus says the Lord: **Certain people at the top are pushing/coercing Tinubu in order to disgrace him.** If he does not hear the voice of I the Lord from the prophets that it is I, the Lord that actually sends the messages: then, he should carefully investigate the voice/messages before taking any step. **If he follows the advice of people and tries to contest for any position during this period, all his efforts will be in vain; because the people are deceiving him.**

Thus says the Lord: **Not only that his efforts will be in vain; but they will not release power to him.**

Tinubu will fall and not rise again if:

Thus says the Lord: **If Tinubu leans on the advice of the people who are saying; “What did the Lord says” Behold the people who are pushing/leading him will abandon him. Then the ground will make the powerful being to slip, and he will be unable to rise again.**

The eye of God is bitter towards Obasanjo:

Thus says the Lord: I the Lord is expecting positive change, humility and repentance from Obasanjo. He should call the prophets who are filled with the Holy Spirit and ask them that **“What mistake have I made that makes the eye of God to be bitter towards me? What**

did I do secretly that displeased God?” Inasmuch as the eye of I the Lord is bitter towards him.

<https://koko.ng/fmr-pres-olusegun-obasanjo-turns-preacher/>

<https://reloadedplus.com/nigeria-former-president-olusegun-obasanjo-takes-up-new-role-in-church/>

Thus says the Lord of hosts: Obasanjo should reconcile with his children. He should reconcile with his children; both the male and female; most **especially his daughter that makes people to refer to him as Baba Iyabo**. This reconciliation is very important during this period; because if he takes steps and makes a perfect amendment, he will see the hand of I the Lord.

Judgment will come on Obasanjo if he does not act:

Thus says the Lord: Obasanjo should call the prophets who are filled with the power of the Holy Spirit to ask them about the mistake that is making God to be displeased with him. **If he turns a deaf ear to these messages, and refuses to act between now and January 14th, 2022; then, the judgment hand of I the Lord will descend and I the Lord will reclaim the position that I installed him. I, the Lord, will retrieve the position from the world and from him.** His case will now be like that of a king that had rule in the past, who is presently useless.

People have mocked Pastor Adeboye’s calling:

Thus says the Lord: **Caution Enoch Adeboye; for him to quickly think and he should quickly find time to conduct Crusade/Revival everywhere. He should find time for revival/crusade. I do not send him to the people who will not honor the calling; because they have mocked his calling. People have dragged his calling in the mud in the presence of I the Lord, and they have cursed his calling.**

People will decamp from the Ministry:

Thus says the Lord: **Kumuyi's calling will be disgraced and certain people will decamp from the Deeper Christian Life Ministry in 2022. The reason is that he did not perform the errand that I sent him; because he fears humans more than I the Lord.**

Thus says the Lord: Kumuyi, remember how you received the ministerial work, and remember the voice that you heard; remember the voice I sent to you, which is different from the voices that humans are telling him. **It is a pity that Kumuyi too will share the harsh judgment in 2022.**

<https://www.naijanews.com/2022/01/23/deeper-life-member-protests-against-pastor-kumuyis-introduction-of-unconventional-music/>

If Pastor Kumuyi take steps, the judgment will be reduced:

Thus says the Lord: Send the messages to him; for him to listen to them with his own ears. **If Kumuyi takes steps, I will bring the judgment, but mercy will reduce the judgment. No matter what, Kumuyi will be punished according to his deeds.**

<https://dailydevotionalng.com/deeper-life-total-freedom-crusade-1-february-2022-day-6/>

The corrupt Kings will be disgraced:

Thus says the Lord: **I the Lord God of hosts will be disgracing these corrupt kings; and I, the Lord, will collect from these kings, their authority of kingship. People will be insulting these kings/monarchs, and they will be abusing these corrupt kings.** I have previously mentioned these messages in September and October 2021.

<https://www.newsexpressngr.com/news/144139-Robbers-attack-Abia-royal-father-kill-brother>

Thus says the Lord: Son of man, harsh judgment is coming on the kings/monarchs. **Write down today's date; any king that repents and changes, by taking steps of fasting and prayer; the hand of My judgment will be removed from his head. However, all the kings that have sold the future of Nigeria and the future of the youths; because of silver, gold and bronze will be penalized.** The kings/monarchs that sold the Eastern part of the country will still be punished; those kings that sold the Northern part, the Southern part and the Western part of Nigeria will still be punished.

Nigeria Football Federation President will be removed from office if:

Thus says the Lord: Inform **Amaju Pinnick** that the ground can make the powerful to slip. He should be filled with wisdom and prayer; **because if he is not careful, he will be removed from office in 2022.**

Thus says the Lord: He should seek the fear of I, the Lord, in his journey, and he should be filled with wisdom. **Misunderstanding will happen among the people that he is controlling, and they will take steps to remove him from office. If he refuses to take steps as directed, then there will be consequences;** so, he should remember that the ground can make the powerful being to slip. He should do things calmly with the wisdom of I the Lord.

Nigerian Football Team will succeed if:

Thus says the Lord of hosts: The journey of Nigeria concerning the football tournaments they want to embark in January 2022. Nigeria will make efforts by the power of I the Lord. If the teams honor the greatness of God; and if the people in charge of the teams and their bosses give glory to Him who deserve to be glorified; and if they are filled with the fear of I the Lord; they will improve on their past performances.

Thus says the Lord: If the Nigerian teams use the name of I the Lord to precede their journey and rely on I the Lord; then, the Nigeria team will take steps in a manner that will make them ready to succeed in January 2022.

Thus says the Lord: **If the team and their leaders depend on terrestrial power or the darkness; they will get nowhere before they will be sent home.** But if they give all glory to Him who deserves to collect glory; they will take steps and they will advance in the tournament; in a manner that will make people to honor their glory.

If Team Nigeria give glory to God, they will advance in World Cup:

Thus says the Lord: Concerning the journey of the World Cup 2022. **If they make I the Lord their Alpha and Omega; if they are filled with the fear of I the Lord, and give all glory to who is worthy to be glorified; then the team will advance very well in this World Cup tournament than their performances in the past.** The team will

arouse and bring glory to the country in 2022; because certain glories of the people who will join the team will be raised. The team will raise the glory of Nigeria very much and people will give kudos to the members of the team; because they will advance in 2022 more than the level where they usually failed and sent packing; in the past.

<https://www.france24.com/en/sport/20220122-nigeria-s-super-eagles-to-face-ghana-in-2022-world-cup-play-offs>

Thus says the Lord: **If they fail to ask I the Lord to precede them in the journey; if they turn their backs on the messages of truth and ignore I the Lord; if they do not honor the greatness of the power of the Supreme Being called Wonderful; that is the Almighty God. My servant, they will not advance well before they will return home, says the Lord God of hosts.**

The Female Football Team:

Thus says the Lord: **If the Female Football Team makes I the Lord to precede them in their journey in January and February 2022. If they honor the Supreme Being, who deserves to be honored: then the team will be successful.** If they take steps and do the right thing, by letting I the Lord take total control concerning their World Cup tournament: they will advance very much to higher levels. **With the assistance of I the Lord; something that has never happened about the team will occur in 2022.**

Minister of sports should let God be in charge:

Thus says the Lord: **Nigeria sports activities will be raised up; if the people in charge like the Minister of Youths and Sports takes steps that are filled with the fear of I the Lord; If he did not lean only on his own knowledge; if he is filled with wisdom of God through the prophets; if these prophets pray fervently to God for all the participants from Nigeria; then all the teams representing Nigeria will take steps that will make Nigeria to be proud in 2022.**

Thus says the Lord: **If there is any fault from the people in charge of these teams, then the teams will get nowhere before they will be sent packing and return home.**

Messages concerning Cameroon

President Paul Biya of Cameroon:

Thus says the Lord: **Notify the President of Cameroon that he should not allow Cameroon to be divided into several sections in 2022. Behold, the type of misunderstanding that is happening in Nigeria is currently happening in Cameroon. Tell the President to seek the wisdom of the people who are filled with the Holy Spirit. He should not lean on his own wisdom, and he should change from the behaviors/conducts of ruling by force; or using the laws to force people to do things.**

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of human to speak to everyone. Mankind should listen to, I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me.
