“The Spirit of the Lord God *is* upon Me, because the Lord has anointed Me to preach good tidings to the poor; He has sent Me to heal the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to *those who are bound*..... **Isaiah 61: 1-3**

But we are all like an unclean thing, and all our righteousnesses are like filthy rags; we all fade as a leaf, and our iniquities, like the wind, have taken us away. **Isaiah 64:6.**

Introduction

Thus says the Lord of hosts: I am a truthful God, the Only truthful Being who created the heaven and earth. I Am who I Am. My kingdom is truthful and I do not change, says the Lord God of hosts. I am the God of your forefathers. I am the God of Hebrews. I am the One bearing Jehovah.

Thus says the Lord: I descend into this location, says the Lord, I trample on covenant and the powers operating in this vicinity, says the Lord. Behold, is there anything in this world impossible for Me to achieve? I walk through this location because I am the Only Being called wonder.

Thus says the Lord: Before the world come into existence, I am the One who is reigning and when this world will cease to exist. I the Lord will continue to reign. I descend, says the Lord and walk through the vicinity, says the Lord God of hosts. Behold, I descend in My power and the covenant that I utilized to create earth and heaven. Great is My power; I am concerned, that will I meet Christianity in the world anymore? I am concerned for the second time that will I meet people following the statutes that I Almighty Glorious God established according to My authority? Will I meet people in my statutes? Behold, I really pity very much, and I really pity because the death of the Beloved is so much. Furthermore, the blood of the Beloved is crying into My ear. The cry of the Beloved is coming into My presence every time.

Messages concerning the Nations of the World

Judgment hand is passing through the Nations

Thus says the Lord: Son of man, I pity so much that My severe hand of judgment is passing through the Nations of the world one by one. The hand of judgment of I the Lord God of hosts is passing by in a manner that will make a looming crisis to burst everywhere. There is no Nation that will not witness these crises.

<https://yaleclimateconnections.org/2024/01/a-record-63-billion-dollar-weather-disasters-hit-earth-in-2023/>

Looming crisis will burst between December 2022 and January 2023:

Thus says the Lord: Son of man, between December 2022 and January 2023, the looming crisis will burst; write it down. Bloodshed increases My messenger; it is increasing; so the looming crisis will burst; it will have widespread effect and make people to be afraid.

The manifestation of the crises:

Thus says the Lord of hosts: These crises will manifest in various forms. Fire will fight and there will be fire incidents/accidents; there will be anger of the water for the second time, in the form of rain and flood. Another manifestation of the crisis is the gale (a very strong wind storm). Son of man, the ground too will fight in a destructive way; and there will be severe heatwave, and extreme cold weather.

Firmament will change from December 2022 until January 2023:

Thus says the Lord: The firmament will change from December 2022 until January 2023, and many will receive I the Lord God Almighty as their Guest; because they turned a deaf ear to the truth.

[December 2022 ranked as the eighth-warmest December in NOAA's 143-year record:](https://www.ncei.noaa.gov/access/monitoring/monthly-report/global/202212/)

Looming crisis will burst in the Nations, unless:

Thus says the Lord of hosts: My messenger, bloodshed is rampant across the world and the conduct of humans is abominable to Me. The rulers are forcing people to serve/worship, and people are criticizing the truth. People are reproaching the truth and they are against the truth.

Thus says the Lord: The United States of America may want to share out of these crises too. My messenger, a big storm is coming. Therefore, people should cry out in December 2022 until January 2023; because I the Lord will use Judgment hand to pass through these countries.

Presidents/Prime Ministers should take steps:

Thus says the Lord: Inform the Presidents/Prime Ministers of the aforementioned Nations to quickly take steps by December 2022. If they fail to take steps; between December 13th, 2022 until January 17th, 2023 then judgment will rise.

Thus says the Lord: Son of man, after January 17th, 2023 there is no mercy anymore; after January 17th, 2023, there is no repentance again; after January 17th, 2023, there is no justification anymore; after January 17th, 2023, there is no joke, or word any longer; the wrathful judgment hand will descend.

Any country that rejects repentance will be judged:

Thus says the Lord: Write this period down, any country that rejects repentance and positive change; any Nation that refuses to obey the instructions of I the Lord during this period from December 13th, 2022 until January 17th, 2023 will not have the opportunity to repent again; instead, judgment will rise.

Thus says the Lord of hosts: Warn all the Nations of the world and the Presidents/Prime Ministers of the Nations. Inform them that the eye of I the Lord is bitter towards sin and bloodshed. The eye of I the Lord is bitter towards forcing people to worship, and abominable conduct. They should change, says the Lord. They should allow the spiritual people to guide their administrations.

Messages concerning United States of America:

President Biden:

Thus says the Lord of hosts: Inform the President of America that, behold the economy of America changed suddenly or not? Yes, Lord it is a fact. Notify Biden that I the Lord will stretch forth a spiritual hand of relief. It is certain people that wanted to ruin Biden's administration, in order to make him bored with governance; so that they could take steps to try to impeach him, and ruin his great ancestral name.

https://en.wikipedia.org/wiki/Efforts_to_impeach_Joe_Biden#:~:text=By%20September%202022%2C%20nine%20impeachment,right%2Dwing%20House%20Freedom%20Caucus.

Thus says the Lord: Notify Biden not to foment trouble, instead he should seek the eye of I the Lord, and permit the Holy Spirit to take control. He should beware of the magicians in America; those that are prophets of Baal that are performing fake miracles. He should seek the hand of I the Lord; if he wants wisdom, it is the spiritual hand of I the Lord that can give him wisdom; even if he wants understanding, the hand of I the Lord will grant it.

If Biden uses humility and respect, he will win a second term:

Thus says the Lord: Biden should use humility and respect to relate to the people that surround him, and the members of the Congress; including the members of judiciary. Biden should use wisdom to deal with these people; if he applies wisdom to his journey; if he permits

prayer and the guidance of the Holy Spirit; then he will successfully complete his tenure in office; and he will win the Presidential Election for the second time. **However, if he turns a deaf ear to these voice/messages; he will not be able to contest the second time; because if he tries to contest for the office of the Presidency; his neighbor will win the nomination of the party.**

Woman is coming to contest the Presidency:

Thus says the Lord of hosts: A woman is coming to contest for the office of the President of America; because it is time. If Biden is successful, I the Lord will postpone the time that a woman will contest; however, if Biden turns a deaf ear to these messages; and he is against (or opposes) this voice, son of man, it is a woman that will collect the position from him; write this period down.

Thus says the Lord: A woman is coming to contest for the office of the Presidency in America. I, the Lord, send messages to Biden during this period. Biden should seek the spiritual people; the people who are

filled with the wisdom of God and understanding of the Holy Spirit from any Nation of the world, and invite them.

Thus says the Lord: Biden should convene an emergency prayer session in January 2023; because the economy of America will rise again, says the Lord God of hosts, and the hand of hardship will be removed.

Messages concerning Turkey, UAE and Qatar

Thus says the Lord: Inform the Presidents of Turkey, UAE and Qatar that the hand of My judgment will rise against Turkey, UAE and Qatar if they refuse to take steps that are filled with the fear of I the Lord. They should seek the eye of I the Lord, and they should permit the greatness of My power to govern these Nations. They should permit the Christianity religion to thrive in these Nations; surprise attacks will not come into these Nations, says the Lord God of hosts.

Messages concerning Israel

Prime Minister Yair Lapid:

Thus says the Lord: Inform the Prime Minister of Israel that the hand of I the Lord is presently working in Israel. Behold, surprise attacks will not come into Israel in February, April, and September 2023. The smoke of the attack/war will start rising from January 2023. Therefore, Yair Lapid should seek the fear of I the Lord; he should be filled with understanding and wisdom. He should believe that Israel is a covenant land; so that Israel will not be devastated during his administration. He should seek the people who are filled with the Holy Spirit throughout the Nations of the world, and ask for guidance from them. He needs wisdom during this period, says the Lord God of hosts.

Messages concerning Nigeria

There is no security anymore in Nigeria:

Thus says the Lord: There is no more security in the country, and security is lost; because of what the people in positions of authority want to consume; and their ambitions; and the positions that they are pursuing or contesting for, that they will never get to such positions.

Thus says the Lord: My messenger, I use My heavenly throne to swear that they will never get to the positions that they desired; because bloodshed is too much. I, the Lord, is moved to tears and I really pity.

The President is not the one ruling Nigeria:

Thus says the Lord: Many people are insulting the person who occupies the office of the President. Son of man, it is not this man that is ruling the country; it is certain people that are governing Nigeria from foreign Nations; they are the ones that are ruling Nigeria. Many of the citizens of Nigeria knew this secret, but they have received bribes; so they cannot speak the truth. All of them will witness a severe hand of judgment.

People called the President to come and eat:

Thus says the Lord: All the judgment that people are passing on the President is not warranted; because this man is not guilty to that extent. It was people who called on him to come and eat. You called him to 'come and eat; then you want to hold his hand.' This man then licks the soup and realizes that it is palatable; then he insists that all of us will continue to lick the soup, that is the case of Nigeria.

Thus says the Lord: The people that are ruling Nigeria are the ones who are doing whatever they like; that was the reason that this man called the President changed to do whatever he likes.

Governors should provide security for their States:

Thus says the Lord: The Governors of the following States should provide adequate security for their States; if the Governors refuse to provide security, then their administrations will be trivialized. If these Governors fail to provide adequate security for their States between December 13th, 2022 and January 17th, 2023 then there will be consequences. The States are the following: Kwara, Ogun, Oyo, Ekiti, Edo, Delta, Imo, Rivers, Benue, Kaduna, Kogi, Bayelsa, Lagos, Abuja, Borno, Niger, Yobe, Adamawa, Taraba, Kano, Nasarawa, Katsina, Akwa Ibom, Anambra, Abia and Ondo.

<https://newswirelawandevents.com/terrorists-planning-to-attack-lagos-fct-3-other-states/>

Thus says the Lord: Presently, all these States need adequate security. Warn the Governors of the aforementioned States to seek the face of I the Lord, and fear Me. They should be filled with the fear of I the Lord, and respect My instructions. They should provide sufficient security for their States.

Women will contest and win exalted positions:

Thus says the Lord: Write this period down, the youths will rise and a woman will contest as a gubernatorial candidate. If she contests and gives her heart to I the Lord; if she seeks the face of I the Lord, and if I the Lord permits the Election to take place; she will win the Election.

Thus says the Lord: Write it down, women will contest and win exalted positions in Nigeria in 2023. Women will contest for positions like Presidency, Senate, Gubernatorial and etc., etc. The women are awake from their slumbering. Nigeria will be set free from bondage and slavery in 2023.

Thus says the Lord: Inform everyone that this message is from I, the Almighty God. I Am who Am; I am the God of the Hebrews; who is the God of their forefathers. My name is the God of Abraham, the God of Isaac and the God of Israel. I reside in the belly of human to speak to everyone. Mankind should listen to; I Am who I Am. For this reason, humans should make amendments according to My instructions. I am the Lord and I do not change, says the Lord. I created the heights and the plains. All power belongs to Me. Peace be unto you.

Ezekiel 33: 1-11: Say to them: ‘As I live,’ says the Lord God, ‘I have no pleasure in the death of the wicked, but that the wicked turn from his way and live.’

Numbers 23:19: “God is not a man, that He should lie, nor a son of man, that He should repent. Has He said, and will He not do? Or has He spoken, and will He not make it good?”
