Topic: Blasphemy is rampant in the world – Part 1

Bible Reading: 2 Timothy 3:1-5

Introduction

Blasphemy is impious utterances or action concerning God. It is the act of speaking sacrilegiously about your Maker. Blasphemy is an offense of profanity. Anyone who uses obscene language for sacred things or God has blasphemed. Countless people who are insulting God and showing contempt for their Creator are blaspheming. It must be noted that any form of irreverence for God is blasphemy.

Inasmuch as people continue to disrespect Jesus Christ our Lord and Savior, blasphemy cannot cease in the world. Mankind needs to abstain from every form of blasphemy; because it is an unforgivable, or unpardonable sin; most especially if it is committed against the Holy Spirit. We advise every living soul to stop speaking evil about Almighty God who created them, and cease conveying any information that is against Jesus Christ the Messiah.

Today, blasphemy is happening a lot at an alarming rate in the world. The situation of humanity is becoming worse due to blasphemy that is out of control. Nowadays, blasphemy is the norm of the day, and it is spreading quickly to the 'nooks and crannies' of the globe. Many people in the world are raw and unbridled; so, it makes blasphemy occur frequently without restraint. Therefore, it is time for the Christendom to wake from their spiritual slumber to stop, or reduce blasphemy that is spreading everywhere in a way that cannot be controlled, or checked.

The situation is severe

Numerous rulers in the world are drunk with power, to the extent that they are taunting and mocking the Salvation of the Lord, by blaspheming His

name on a daily basis. The majority of the leaders in the world lack respect for the Supreme Being, and they despise His holy name. The people who are oppressing the Beloved throughout the world think they are super-human, or deities; so, they are always boasting and bragging, by constantly showing contempt for Almighty God. These evil doers are making fun of God, and they are blaspheming Him, as if He cannot save the Believers; forgetting that God is not slack, but He is patient for people to turn from their sins and live.

Inasmuch as the world is inverted, and people are shameless; countless Christians are enslaved spiritually again, and they are oppressed without excuse. Several of these Believers who think they are righteous are also cursing and insulting God due to their suffering and pains. Due to lack of knowledge, their perception is that God did not fulfill His promise, not to leave or forsake them. Hence, whatever you are passing through, do not blaspheme God. You must never allow your dire condition to make you insult, deny, or curse your Maker. The Bible attested to this fact by saying, "Now therefore, what have I here, 'says the Lord,' That My people are taking away for nothing? Those who rule over them make them wail, 'says the Lord,' And My name is blasphemed continually every day." **Isaiah 52:5.**

The Tyrants should change; else there will be consequences. They should stop reviling the name of God, who has power over their existence. The rulers throughout the world need to realize that God has power to dethrone them; so, they should stop blaspheming God if they want to prosper, and last in their various offices.
