Topic: Stop blaming God – Part 6

Bible Reading: Jeremiah 5:20-25

Unfaithfulness is leading many astray

Most people in the world are impatient, and they want things done at the time they want them, and not at God's time; forgetting that God's time is the best time. This category of people always abandoned God, and their acts always prove that they do not fear the Lord; so, their wrongdoing is what is making them be in a dissatisfied condition. It is the sins of numerous people that are causing restlessness in their lives; because they made a bitter mistake to reject their Creator without fear of penalty. Make sure that your frustration does not make you backslide; else you will be convicted spiritually.

It should be noted that many people across the globe are guilty; because they have turned against the Lord, and they no longer respect Him; thereby bringing terrible trouble upon themselves. Whether you believe, or not; your evil will bring punishment to you, and the wrong you have done will teach you a lesson, or lessons. Today, many nations that are not faithful to God are learning how awful and wrong it is to forsake the Almighty God. Inasmuch as it is your evil ways that are getting you a sound spiritual thrashing, why not quit your lustful lifestyle? Do you know that you will be punished for rebelling against the Lord? Do you think it worth it to walk out on God?

You must not turn away from God if you do not want to be put to shame, and your situation will remain unchanged. The Bible attested to this fact by saying, "Your own wickedness will correct you, and your backslidings will rebuke you. Know therefore and see that it is an evil and bitter thing that you have forsaken the LORD your God, and the fear of Me is not in you," says the Lord GOD of hosts." **Jeremiah 2:19.** You need to realize that you

will pay dearly for your disloyal ways, unless you change. So, hold tightly to your Maker for your condition to improve. For this reason, you must not forget, or disown the Lord your God who has the power to get you out of your undesirable situation, and allow you to avoid punishment.

God do not like to punish humans

Our Lord God is merciful, kind and patient; unlike humans who are impatient. God is gracious and compassionate; He is slow to anger and full of love. God does not become angry quickly, and His love never fails. It is important to note that God is sheer mercy and grace; not easily angered, but rich in love. God will never endlessly nag and scold; nor hold grudges forever; according to the scripture which says, "The Lord is merciful and gracious, slow to anger, and abounding in mercy." **Psalm 103:8**. Since God is filled with unfailing love; then He is not predisposed to afflict, or to grieve people.

Almighty God does not enjoy afflicting humans and causing sorrow for them; however, when their cups are filled up; the Lord will allow Satan to punish and put them in discontented conditions. God takes no pleasure in making life hard for people, by throwing roadblocks in their ways; but their iniquities are the culprits. You are informed through this publication that your Maker does not like to bring pain, or suffering to anyone; so, stop your misconduct, and your life will change positively. Since God does not like to cause trouble for humans, or make them sad; stop blaming your Maker for your life to be transformed.

Your situation will improve if you depart from your nauseous way; because God does not enjoy hurting people, or causing them sorrow. If God does not like causing grief or pain for humans; why not mend your relationship with the Lord? Do you know that if you repent, and depart from your lustful lifestyle; you will be taken away from your dicey situation? The Bible corroborated this fact by saying, "For He does not afflict willingly, nor grieve the children of men." **Lamentations 3:33**. It is not too late to return to your Maker, who will change your life positively.
